Associate in Arts Degree for Transfer

The Associate in Arts in Kinesiology for Transfer (AA-T) is intended for all students who plan to complete an Associate in Arts in Kinesiology. This degree is especially valuable for those students planning on completing a bachelor’s degree in Kinesiology at a CSU campus because the Associate in Arts in Kinesiology for Transfer guarantees admission to the CSU system (but not to a particular campus or major).

Students transferring to a CSU campus that does accept the Associate in Arts in Kinesiology for Transfer will be required to complete no more than 60 units after transfer to earn a bachelor’s degree (unless the major is a designated “high-unit” major).

This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. This degree eliminates the additional Bakersfield College graduation requirements.

Program Learning Outcomes
Upon successful completion, the student will:
• analyze the history, research, and current information in Kinesiology Associate in Arts Degree for Transfer

• demonstrate and explain the basic anatomy and physiological principles at work in both sport performance and general fitness activities.
• demonstrate an understanding of the value and significance of physical activity for human development, human interactions and quality of life.
• demonstrate and describe the primary aspects of injury and trauma response as a first responder.
• recognize the principles of physical fitness development and maintenance as well as the body’s responses to physical activity.

Requirements for AA-T or AS-T degrees:
The completion of 60 semester units that are eligible for transfer to the California State University, including both of the following:
• The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University – Breadth Requirements.
• A minimum of 18 semester units in a major area of emphasis, as determined by the district.
• The obtainment of a minimum grade point average of 2.0.
• The completion of all courses required for the major with a ‘C’ or better. A ‘P’ (Pass) grade is not acceptable for courses in the major.
