2011-2012 Bakersfield College Goals

DRAFT

1. Student Excellence
   Develop policy on related prerequisites, placement and retention methods, and implement to improve student success. Continue to encourage student excellence by addressing basic skills at all course levels.

2. Communication
   Foster an environment of expanded awareness emphasizing collaboration, consultation and communication within the college and college external constituents.

3. Oversight & Accountability
   Provide annual training to collegewide committees, departments, programs, and staff/student organizations on how to effectively utilize the Decision Making Document (DMD), in order to ensure the college shared governance structure operates effectively and that the processes for decision-making are clearly defined and participatory.

4. Fiscal Responsibility
   Adopt and implement a Bakersfield College campuswide budget development process that maximizes transparency to ensure financial sustainability with ongoing evaluation.

5. Facilities
   Review and implement strategies for effective maintenance and beautification of the campus to ensure that existing and future facilities support learning programs and services.

6. Image
   Create an environment where all Bakersfield College staff can effectively serve as Bakersfield College ambassadors to better market the strengths of the college’s academic and student services programs.

7. Linkages
   Engage in short and long term planning to link campus goals and align with Kern Community College District strategic goals and accreditation standards.
