B.C. Students were there.
New techniques are developed in night school classes by people in many different walks of life.

EVENING DIVISION

To the majority of the 4709 day students at B.C., the scholastic day is over by 4:30. However, there are approximately 2500 other students who don't come to school until two hours later. These students, comprised mostly of adults from the community, are enrolled in B.C.'s Evening Division. They learn everything from Italian to arc welding. It seems that the "older generation" wants to learn as badly as we students do.
A conscientious student works on lathe for the evening classes.

Amid a shower of sparks a new career is developed.

SECLUSION...
Perhaps the first thing a visitor to the vast expanse of our campus notices is the space allotted to buildings. This large amount of room makes many semi-secluded spots besides the library available for study. Students have found that the Huddle, and the various courtyards of the many buildings a conducive atmosphere in which to study.

Burns Finlinson in

BURNS
Burns Finlinson's designation to the vacated post of President of Bakersfield College came as no surprise to anyone who is acquainted with his outstanding record as an administrator.

Since his arrival on the B.C. campus, Mr. Finlinson has served as Director of Veterans, Dean of Records, and Vice-President. He has served in the last office for nine years.

Although he will not assume his duties as President until July 1, 1968, Mr. Finlinson is already preparing himself for his duties.

FINLINSON . . .

. . . NEW PRESIDENT

A man ready for any occurrence.
With his appointment to the position of Superintendent of the Kern Joint Junior College District, Dr. Edward Simonsen has, in a way, said good-bye to B.C. Dr. Simonsen has been acquainted and working with Bakersfield College students and faculty for over twenty years. In 1946 he joined the B.C. Administration as Dean of Men. Since then he has held various posts as Dean of Administration, Vice President, and finally President of the College. This last position he has held for the past nine years.

Since the announcement of his new appointment, Dr. Simonsen has been increasing his contact with the students and faculty as to assure us that even though he will not be on the campus he will be working for our best interests.

The mighty Renegades soundly trounced the Fresno City College team 37-6. In doing so, the Big Red handed Gerry Collins his first win as head coach of Bakersfield College.

Held to a meager one point lead in the first half, the Gades bounded back to score 19 in the second to turn back the San Diego team. Standouts for the game were John Tarver, Harold Gibson and Mike Reber, who picked off a lateral and raced for the touchdown.

SURE TACKLING...

In what was billed as the "Game of the Year", the Gades came from behind in the last quarter to score a 27-10 victory over the Cerritos Falcons. The play and player of the game came on a fourth and five situation in the last stanza. Steve Roberts hauled in a 50 yard desperation pass for the go-ahead touchdown and the game.

In what has to be the biggest heartstopper of the year the Big Red defeated Long Beach City College after spotting the Vikings a 14-0 halftime lead. In the second half the Gades scored three touchdowns while limiting Long Beach to a single tally. When the final gun had sounded the Gades were in front 21-20.

Faced with the toughest defensive team in the conference, the Renegades provided some last minute fireworks to defeat the Los Angeles Valley Monarchs 19-14. A last minute touchdown against the defense-minded Monarchs kept the Gades perfect record intact and set up the season.

Another fantastic gain for the Gades.

CROSS-COUNTRY...

To most students four laps around the gym twice a week is the ultimate in torture. However, we at B.C. are indeed proud to have a group of young men who run more in one day than the average B.C.-ite does in a full semester.

The 1967 edition of the Renegade Cross-Country team has been billed by many as the most evenly balanced team in many years. The Gade runners swept through their preconference foes with only one narrow 31-24 loss to Fullerton. Undaunted, the leatherlungs proceeded to thrash their Metropolitan Conference foes. By doing this they won the Conference dual meet championship with a perfect 7-0 record. They again proved their worth by solidly trouncing all their Metro foes in the Conference Meet.

Other impressing titles which fell to the swift feet of the B.C. harriers were first in the Aztec Invitational and the only Metro team to finish in the top five at the Mt. San Antonio Invitational. However, the icing on the cake came when the cross-countrymen put together their most fantastic effort and won the grueling Southern California Championships. At the same time they avenged their only loss to Fullerton by defeating the Hornets by 32 points. In the following State Meet, the Gades again proved themselves by placing third among all the schools in California.

The outstanding runner this year was Frank Rodriguez and the most improved runner was Mike Avila. However they were backed by other notables as John Lopez, Ray Cruz and Noel Hitchcock.

As was indicated by their record, the Gades established supremacy in Cross-Country for the second straight year.

CHAMPIONS...
Although their 7-10 season record doesn't show it, BC's Water Polo team demonstrated to many conference foes that they were not the worst team in the league. The Gade mermen, despite their inexperience, proved to be unpredictable by overcoming complacent teams at very inopportune times.

Randy Senn, All Conference Guard, and Todd Rutherford were outstanding aquamen, but the rest of the team deserves recognition also.
