Bakersfield will receive one of its greatest treats of the year on January tenth when the University of California Glee Club presents its annual concert in the High School Auditorium.

The Club has been here before and everyone who heard them agreed it was "marvelous." (Nothing else but!) This time they are going to surpass all former programs and give a "keener" concert than ever.

The Glee Club has made two trips to the Orient and several to Canada. This summer the Club is going to Europe for the third time. It is evident from this that they are "world-beaters" and we Bakersfieldians should greet them with a more-than-packed house.

The Club contains several "stars" who themselves would make an evening's passing success. Probably the best and most versatile of these is "Chick" Cole, president of the Glee Club. He is a "slick" dancer, a fine singer and a "Clever chatterer". "Chick" has been with the Club for three years and has travelled in seven different countries where he performed before large audiences, pleasing them all with his amusing stunts. Girls, you can't afford to miss him!

Papers all over the world have praised the California Glee Club. The following are a few of their comments:

"U. C. Stands for Unqualified Class."—Manilla Bulletin
"The students are great singers"—Berlin Tageblatt
"A treat unparalleled in the history of this city."—North China Press
"The Glee Club puts on an absolutely unique program."—Chonghsil Press
"Playing to a full house and an enthusiastic audience, the University men lived up to their reputation of the "world-famous glee club." Snap", "pop" and "class marked all of the acts of the show".—Santa Ana Register

RENEGADE'S GALLERY

Our Quarterback is Mayor Whit Martin. He sings, "Mary had a little lamb," and the team sings with him. He calls signals as fast as he can, and when they don't work he says, "Good try, boys." He surely won't pass.

Our center is long, lanky Tex Ryan says, in his class, "He surely won't pass."

Our right tackle is an ace in the hole. He gets them behind their own goal and thought they were taking the Navy. We count on the Sandos.

Chris can always open a hole.

Newberry is really quite small and he surely knows how to play ball, but he's always Q. K. He plays every day.

Santa Barbara's chief stops him at all.

There is a young man named named "Scotty" who has all his fun with the girls. He is always there and he is always "Scotty." He is named by his own people.

He generally runs with them.

There is a young man named "Bugs" in football he has all his fun with the girls. "Bugs" is quite a few, Says G. R. "He is mine," and Scotty immediately ran.

A driller from Texas is guard. He sure can tackle "on hard." He gets in the line, with the wicked design and makes "em fight for each yard.

Left-end is a fellow named Clyde. He goes after the enemy's hide. He's also quite push when on the field. If the treasury has any inside.

A half-back we have named Brandt. Other schools try to get him and can't.

He sticks to J. C. When the bark is the tree and edits the best paper extent.

There is a big fellow named Lloyd of no science, he is utterly void, He talks to the girls, especially with curls; and with mischief is always employed.

Our center is long, lanky Tex Ryan says, in his class, "He surely won't pass."

Unless on Ean he reflects.

There's Adams and Fawzy Not so big or "havey"

Went to Phoenix one day

Daley and Howard are fine

One for the end, one for the line.

At Phoenix, you see, We were all up on a tree, and came out a little behind.

Last, but not least, is Bob Myers. He is all there in the air. He sure did his stuff. He treated "em rough, but the Phoenix gang are all right.

And makes "em fight for each yard.

"Happy" and Ryan. But for them the team would be dyin'.

It takes our "Happy" To keep things munny And then to make us keep tryin'.

Paul Dickey makes all of our dates And gets us most excellent rates He is out to "Win'"s) And works like a man He sends us all over the States.

If you don't like this lingo You can lump the by jingo. It may be all junk And I guess it is junk But write some yourself to make this thing go.

HIGH LIGHTS OF LICK GAME

It was too bad the team made a touchdown on only in the first quarter. To a certain extent, it gave the team too much confidence in their ability. But we all admit that that touchdown was "one of the prettiest." Now, that screen pass is a bump.

Lick's Licked!

Harris bucked consistently and always for yardage.

Operetta coming soon.

Small's elbow!

Cries of delight from the feminine half of J. C. told us that the happy and Frank Stockton. The climax came, however, when "Rowdy" swooped down on the town to see his old pals after three months' absence. Charlie Lewis also chased up from U. S. C. and someone saw Charlie Rawlings on the day of the Long Branch game, with a new mousetrap and everything. Sara Burt, with bobbed hair, came down so Santa wouldn't miss her, and Beth Burt decided that Eakersfield was pretty nice during the holidays. Taran Hall stopped for a few days, too. Well, we think we have quite a few celebrities on our list and we're glad to know that they haven't forgotten their old friends. Be sure you come around again, gang, as we're always ready to welcome you, and our greatest wish is that you could come often.

U. C. Glee Club

Basketball practice has commenced. John K. Grant, Jack Burt, and other veterans are out besides the material that Luckenmeyer has developed.

HARRY'S LISTED;

Sam Wise led the football team last Friday night.

Griff must have been sitting on a tack, he couldn't sit still.

But did himself proud. If you missed the game you don't know the lads.

People, it was little Walt Burke who engineered all of our offensive, ever stop to think about it?

Takes grit to play with a cracked rib, but that's Coldwell every time.

The tackles, Robey and Coley were there. Andy Smith wants to borrow them for his team next year.

Dutch played as usual. Who could say more? I'm Freeman and Hurdor soon got wise to Lick's end runs much to Lawrence's regret.

Congratulations, Michler, you and Mr. Jackson, we're glad you got in, and we know the rest of the subs would have done as well had they the chance.

Griffith-Groneri-Stroud--we're for 'em.

HIGH SCHOOL NOTES

A GOLF TEAM?

During the football season, the management of the Country Club invited all the State colleges to participate in the season. The golf pro at Stockdale will give free lessons to any or all J.C. students who may consider the club or whose parents belong. Individual membership for students is $2.50 per month. Golf lessons are given in a small building on the course. A gift will give a full view of the course. The High School is quite likely to organize a team, so there's competition.

Any golfer who is interested, talk it over with Scotty Gunn.

LITTLE WOMEN

Tryouts were held last Friday for the Junior College play, "Riders." The play will be one of the best this year. Do you remember "The Exorcism of the Kitten" Bill? It was one of the many plays put on last year. With John Brooks, Lorrine, and Professor Eberh. The play was well received by the audience. It was a success for the Junior College and a great lift for the school.

LEAVE SUGGESTION

A suggestion has been made that the faculty should have a leave of absence once a month. This would give them time to rest and to travel. The suggestion was received with enthusiasm.

The best entertainment of the year was "All Hall, Blue and Gold." This song was sung by the club while the alumni stood up. The entertainment was certainly (continued on page 6)

"SABBITY"

The U. C. Glee Club gave a "marvelous" concert in the Auditorium last Thursday-night. Many Junior Colleges were present.

Many J. C.'s attended a very enjoyable dance given for the University of California Junior Colleges after the Glee Club concert. The U. C. Glee Club Jazz Band furnished the music.

A meeting of "Los Papagayos" was held Thursday-morn in Auditorium A. Plans for a party were made. A former Papagayo, Frank Stockton, was there. The meeting adjourned at 12:30.

A group of Junior Colleges went to the winter Gordon Skating rink Saturday night. No casualties reported.

Saturday the fifth a few J. C.'s attended a dance in East Franklin Hall. Especially enjoyed was the "Hy-De-Waltz." Among those present were Whit Martin, Tom Ream, Paul Prest, Gervaise Brown, Harry Coleman, Emily Anderson, Virginia Arp and Evelyn Derby.

The Girls' Auxiliary held a business meeting Thursday afternoon in the Vail room of the Women's Club. Plans for a dance were made.

A few Bokserfieldians went to the smallest Sunday to see how it they could get. Errrr! The Junior Colleges were Evelyn Derby, Gervaise Brown, Paul Prest.

HIs students were James Arp, Virginia Arp, Casside Eissler.

DE MOLY ACTIVITIES

The Philadelphia Chapter team is the football champion of the Eastern Chapters.

New chapters have been instituted in Oakland, San Pedro, Los Angeles and Los Angeles.

De Moly has spread to Europe: Le Fayett Chapter has been organized in Paris, France, and in Italy the Compagnia Chapter in Rome, and Patria Chapter in Milan have come into being.

The play "Kick In" given by the local chapter was a great success both financially and otherwise.

Kern Valley Chapter held its regular meeting last Wednesday. Business that had piled up over the holidays was disposed of and the chapter voted to entertain the younger set at an informal dancing party just before Christmas. After the meeting the brothers sat down to a small banquet prepared by Tom Weems.

OUR STANFORD: J. C.

Now that the terrible monster Exe is done and gone, leaving a wreck in place of a once pretty well run Junior College, it is a fitting time to see what this monster did in points farther north. We have no report of our California brothers, but from Stanford comes the good news that our brethren and sisters far away right excellently.

Beth Smith received the following from her brother:

"4 plus 12 equals a straight A card." 

Gerald Broome, 16 plus 13, equals a straight B or C plus card.

Vincent Finch, 15 plus 5, equals a good C plus card.

R. E. Brown, 15 plus 10, equals a good B plus card.

Let us hope that the results are as good as those, for we cannot let our older brothers get ahead of us.

No: I'm from Arizona.

"SOCIAL DOINGS"

A dandy dance was given by the Sophomore Hi School Class Saturday night, January 19. It was on Egyptian dance and a very pretty feature dance was done by Miss Margaret Strother which added to the Egyptian atmosphere. Many J. C.'s were present.

The Girls' Auxiliary of the Women's Club gave a very enjoyable, informal dance at the Women's Club Hall Friday, January 29.

The Junior College Spanish Club held a Spanish dinner and initiation at Jean's Fadell House last Thursday night. Three new members, Helen Robbins, Charles Carver, and Corinne Ward, were taken in.

Mary Junior College students saw "The Red Hill", the opera put on by the Harmonic Society of San Jose. There were several high school, teachers and students in the cast.

Several Junior College boys left last Friday on a camping trip which lasted over the weekend. Those going were Corville Martin, Arthur Brown, Chris Freeman, George Newbury, Scotty Gunn, Bill Stanley, Walker Daily and Bob Hayes.

"LITTLE WOMEN"

Are we downhearted? Oh my, no! Now that our exes are over we've starting work on "Little Women", the J. C. play which is to be given in March. "The play is the thing", but we also have the talent. These qualities combined should bring out a large and appreciative audience.

"Little Women", written by Louisa M. Alcott, is one of the most well-known and best-loved stories that has ever been written. The play, taken from the book by Norin De Forst, retains the well-known atmosphere of kindness, love, humor and pathos. But—that is not all. The Junior College is fortunate in having Miss Ethel Robinson as its director.
