COMEDIES ENTERTAIN ASSEMBLY

Two one-act comedies were presented last Thursday by the advanced dramatics class at the student body assembly. "Little Fish" and "My Dear" both went over big.

The first play, "Little Fish," was a dialect play of backwoods life anecdotally had funny characters. The cast was composed of Dana Newberry, Bill Powell, Mary Jane Woodson and Ned Shaw.

The second comedy, "My Dear," was a modern farce on a girl whose vocabulary was linked to the one phrase that makes the title. The lines were put over very well. The cast included Geraldine, Pecock, Hazel Hynem, Rose Briggs, Kathleen Campbell, Marc Ellsworth, Margaret Waiters, Milton Phinney, and Bob Caffee. Miss Robinson coached both productions which were very well received.

RENEGADE OFFICE

The new office of the Renegade is located in Room 22 of the Science building. The editor or business manager may be reached through this office.

GAMES SATURDAY

Next Saturday the Drillers play the University of Redlands Fresh on Griffith field. The game will probably be a double-header with the Bandana playing Maricopa High in the opener. Little is known of the strength of the Southerners but they are expected to give Griffin's team a good battle.

WEED!

On the tenth day of October in the year of our Lord 1924, the office has issued 43 delinquency notices to 86 long-suffering junior college fans. The hand is filled with a mournful wailing.

Renegades Wallop Taft High 13 to 0

With their backfield showing an aggressiveness which it had so far lacked, the Renegades smashed the Taft Oilers on their own field last Saturday with a 33-to-0 score.

Contrary to the dope the Taft boys failed to spread their oil and were completely outclassed by the "Big Club." The Renegade club seldom failed to make their yards while Taft succeeded in making their yards but once, on a straight football. Had it not been for repeated fumbles by the inexperienced Renegade backs the score would have been much larger.

Beatty was responsible for the first score on an end run in the first quarter. It was not converted. The next marker was brought in by Harris on a line back in the last quarter. A pass Beatty to Chain converted.

The Taft squad put up a hard fight all through the game and opened up in the last few minutes with an aerial attack which the Renegades found difficult to break up. However the Renegades "Big Club" was superior from first to last.

Captain Chris "Dainty" Freeman was the outstanding star of the game. Despite the fact that it was his first experience in the backfield, he was responsible for most of the "Big Club" s yardage and also proved to be the most dangerous man on defense.

Beatty and Harris, the halves, played games par excellence. Beatty's passing, bucking and tackling were features of the game. Harris showed up on end runs, on the offense, and by his spectacular tackling on the defense. This was Harris' initial game in the backfield.

On the line, the stars were "Brute" Brite and "Baby" McCain. Brite was first man down on punts and acted like a "P. M. Roe- man," he always got his man. McCain was rough but kind, and as he rudely smeared the West Siders' defense he confided them by saying, "What's a few backfield men more or less between games?"

Cross, a new man to fill "Footnie" Freeman's place in the line, played a consistent game.

The "Big Club" is at last getting into fighting form. The Fresno State game, the big game of the season, is only two weeks off. So come on, Brother Renegades, get behind the "Big Sub" and make your slogan, 'Beat Fresno State!'

The line-ups were:

Renegades: Freeman, Capt.; Beatty, Chaín; Harris, Adams; chain; Carnaglia, for Chain; Beatty, Cross; Adams, for Chain; Carnaglia.

Taft: Adams, L. E. J. Brown; Laird, L. T. R.; Goodrich Cross; L. G. R. Dunlap; Stanley, C. W.; Sadie Brite; R. G. L.; Sadie Harris; L. H. R. Winn Beatty; Phil. D. Dodson Freeman, Capt.; L. E. L. M. Adams; Carnaglia, for Chain; Kess for Cross; Corp for Laird.

Drillers Are Defeated by S. C. Frosh

Bravely fighting against superior odds the Drillers went down to defeat before the powerful Santa Clara Fresh eleven Saturday losing by a score of 21 to 6. Outweighed 20 pounds to the man Griffin's team, time and again, turned back the attack of the Saints by sheer grit.

The defeat was really a blessing since it brought out a fighting spirit and taught the team a defensive game. The line proved itself as good as those of the past when it held for six downs inside the ten yard line before the northenders could score. The backfield displayed plenty of smash and speed.

The men used by Griffin were: Harder, Y. Mihiner, Van Brink, Lucas, McCoy, Finkel, Johns, Oldershaw, Stockton, Cooley, Dillon, Jones, Killiam and James.

A GENTLE REMINDER

Cinch notices have devastated the Junior College. The office proved very liberal in bestowing delinquency notices on those who were falling in a subject. While it is a sorrowful thing to receive a cinch card, the idea back of them is good. They are a good reminder of the periods you drifted, of the exams you flunked and of the dumb reviews you missed. If you received one, pick it up and study a little more. Good grades won't hurt you and incidentally might do you some good. The mark which won't guarantee one next quarter unless you keep on working. Let's have fewer cinch cards out next time.

J. C. PARTY

The night was dark and stormy. Many wild notes were heard in the distance; many, many wild notes. The weather was worse than the storm. It seemed as though the hurricane would never pass. The wind howled through the trees, and the rain beat against the windows with a mighty roar. The lightning flashed across the sky, and the thunder rolled in the distance. The storm was at its height.

The guests were gathered in the party room, waiting for the host to arrive. The host was late, and the guests grew impatient. Finally, the host arrived, and the party resumed. The guests talked and laughed, and the music played. The party was a great success.

J. C. CHATTER

Herbert Lincoln was the first to arrive at the party. He was followed by several others, including John Brown, Sarah Smith, and Mary Johnson. They all greeted each other warmly and sat down to enjoy the party.

The party lasted until the early hours of the morning, and everyone had a wonderful time. The next day, everyone talked about the party and how much fun they had. The host was pleased with the turnout and decided to hold another party in the near future.
GRID STUFF

The "Big Club," Renegade squad arrived in Taft last Saturday to open for the football bear festival.

Coach Ryan, Mr. Calbone, and Coach Battle of the "Sandbags" used the open spaces at the Shamrock Club.

Unable, to use a can opener, Coach Ryan and his boys had to resort to this device which could find no use for dancing.

Mike Caruso, and one of the "Big Club" line at his home where they proved all the bigotes were not in Africa.

"Mike" favored the water in the reservoir with some juice and poured it into the barrel. Then they had a good laugh.

Ted McCann and Chris Freeman were the stars of the evening. They were the game between the Renegade "Big Club" and the Taft team that began at 6:30 for an exciting night of football.

The game begins in a lively roar as McCann received the kickoff at midfield.

After a few minutes of play the Taft team realized that "Brute" Biddle was out for the game. It was too late to try to stop "post office." "Foolish" Freeman out the Taft shuffling football with a sharp, hard block.

Now and then the Taft team wouldn't rally yelled for a "touchdown" running out "Try and get it."

"Big Club" Beat Fresno State!

The Renegades didn't have many touchdowns, but the few they had scored were good.

Three Taft touchdowns were made in a possible goal as the Renegades went over for their second touchdown.

Most of the Renegade "Big Club" got in a good practice for the game against a strong boarding house on the outside of Taft, one black away. Three, from Golden Bears triumphed over the lights in the University of Arizona team 29 to 8.

Bradford won from the Olympic Club 10 after being held three times for downs in the inside, and the goalposts by the chlorates.

It seemed strange to see Bud Schilling in the backfield other than the Blue and White.

SANDANS WIN

Playing excellent basketball, the Renegades won from Mariposa High School 62 to 30. A second against Thorton went over for the three scores when Archie Way covered the last. Thornton was too tough for the favored team and unable to do much against the defense and the excellent shooting of the Renegades' machine. Last Saturday, T.C. played against J.C. and the Standart, so the Standart have a slight edge on the Standart for the county. The Sandans are showing the light and easy way to victory in the past of being a scoring bunch.

Fast Battle

U. of R. FROSH

The first game will be played next Friday when the Renegades meet Fresno State on the field. The game will be the most important of the season since Fresno is regarded as the best of the C. C. I. G. teams. The game will begin at 2:15 with Fresno standing on the field for the first part of the game.

The Renegades will have the strongest team ever to represent the C. S. The band will be picked from the following teams: John LeBoulliot, Wally Cullum, Chris Freeman, Joe Smith, Newberry, Moore, Chair, Follio, Hulla, Freas, Brown, Leonard, Laid, Bob Harris, Fowbey Stanley, Cross, Dave Knight, Clifford, Corp and Kynabull. Local team is a fine one. The drilling team has a heavy lift.

FROSH RALLY

To advertise the coming big game a special rally will be staged every Thursday afternoon. The parties of the football team at T. College, the Drillers will ride in the truck, the cheer leaders and the football cheer leaders, Yells and stunts will be performed, and the cheer leaders will take the football team to South and Chester. The cheer leaders will be in action from the time of the rally to the rally on the 4th. The C.C. to make a good showing.

HALLOWEEN PARTY

Final plans for the annual J.C. Halloween "Mystery Ball" will be held at the Kern River Country Club on November 15. All Junior College students and members are invited to attend. Prizes for the best costumes and the most beautiful costumes will be given. Good food and drink.

Every year is to meet at Virginia Transportation at 1:00 D street at 6:00 P.M. Arrangements will be made for the transportation from the school to the party site.

The students of J.C. makes plans to ensure that the evening will be memorable and the festivities will live on for a long time.
SUPPORT THE RENEGADES

Next Friday the Renegades tackle the toughest proposition they will meet all year when they play Fresno State. At present the States are website to win the conference on the Big Club is out to tip the Radios. To win, the team needs the support of every J. C. student. The gang should be on deck 109 per cent strong. Let's make Rolekefield the home of two titles, the high school and the intercollegiate.

We would like to remind high-school students that the junior college has liberally supported all of their activities. We would like to have them yelling for the Renegades in exchange.

WHICH COMES FIRST

Whenever there is some work to be done in a student activity we find many students are kept busy by some other organization. Some lodge, fraternity, or club is getting the support of some students that the school is not. We're cut down to the bone, and the junior college does not give us much more to student activities.

IT HELPS

In response to the Renegade's plea for contributions Mr. Potter is having his English X classes spend one day a week writing newspaper copy. He finds that it helps the Renegades and the students find new jobs. We want to thank Mr. Potter and the members of those classes for the good work.

Other J. C. students should remember there is a Renegade box in the office waiting for their contribution.

A POETIC DRAMA

The following is the translation of an ancient manuscript found in the excavation for the museum building. The translation was sent to the editor anonymous. It is ascribed to the one in the corner as a piece of dramatic art.

There may be others just as beautiful.

There may be others not so shy. But where on campus to or out there a shrew as true as I? If I like short and fat or tall, then you're a sky-eyed, brown or blue.

The bright, noisy or the slow,
A married one and still me on.

Herald speaks:

"For love of the earth."
Draws on it. A single Vow and J. C. Students.
A spectator from the above.
Chorus: Stringing broken links.
The setting: Campus at K. C. H.

The play begins:

Herald speaks to assembled students:
"From many a various path,

Thou, earthy men, art seen.
To be thy love were despised.

But other places would have won.
Thy efforts are accounted there.
And thy timidity concealed.
You shall not think we do care.

And so, I come from you now for love, but lots of them slip off the hook.

To grace the head of some fair

Whose love surpasses terrestrial.
Thou shall paint out to see whom great love most have glee.

A speakerless:

"A king drossed out of love,

But when they come, they do not.
They would go express to thee.

And in thy airy journey

Some present glee.

We are but learners, here, etc.
On the eager crowned for.

Love, dear and dear and dear for.

We do but daily sound up rocks,

Nor we have no man to analyze

No ways or means that capitious

Accomplishments remain.

Nor have we a black-barred shield

That heart history is not so bad.

Herald:

Let him speak.

If wanting he shall wear a crown for love.

Chorus Freeman speaks:

THE BIG NIGHT

The Diana is coming, hushed
to the rhythm as we are prepared for the extinction.

"Did you love Aurelia? rather

Last night?,

I had to pay you fairy home.

Give back to me

Fresno State College "Big Blue" was defeated by Montana State University in the annual "Big Blue" game played at the University of California, Berkeley. The final score was 19 to 13.

The game was a hard-fought contest, with both teams playing to the very end. The "Big Blue" team was led by senior quarterback John Green, who threw for over 200 yards and ran for another 50. Montana State was led by sophomore running back Mike Johnson, who rushed for 130 yards and two touchdowns.

The game went back and forth, with neither team able to gain a significant lead. However, in the fourth quarter, Fresno State pulled ahead with a touchdown pass from Green to senior wide receiver Tom Smith. Montana State then responded with a field goal, but Fresno State held on for the win.

After the game, both teams were congratulated by their fans and the visiting team, the "Big Blue" fans. The game was a great display of skill and athleticism, and both teams showed a lot of heart and determination.

The Fresno State "Big Blue" fans, who traveled over 100 miles to support their team, were proud of the effort their team put in. The Montana State fans were also pleased with the game, despite the loss.

This was the 100th "Big Blue" game ever played, and it was a great success for both teams. The next "Big Blue" game will be held in October, and both teams are looking forward to it.

GRID STUFF

The J. C. Renegades "Big Club" were defeated, but not warped by Fresno State—last Friday. 3 to 0.

Fresno made their first touchdown on a "sleepy" play. By "sleepy" meant that the referee and umpire were both asleep.

Previous to the Fresno State game, local officials predicted a 21 to 0 score in favor of the "Sunkist Rainin Boys," after watching the Renegades go through a gruelling scrimmage with the Sanbans.

The Fresno State team realized before the first quarter was over that the Renegades weren't there to listen to bedtime fables.

A few useless line backs over McClain, Brite, and Freeman and the Fresno State backfield quartet were singing, "The Renegades Aren't What They Used To Be.'

The game was a lovely affair, the lack of bottles and clubs keeping both teams from showing more "friendly rivalry."

Almost all of the Renegades' three subs got to play.

Cros, Caradakis, and Corp showed up wonderfully well in the game.

McClain, Brite, and Freeman impersonated a cement mattress on the line.

Harris' tackling was one of the features of the game.

As for the Renegades' being downhearted, watch them against San Luis Polly next Friday.

Fresno used the Notre Dame shift but that didn't make them play like one of Rockne's teams at all.

They ought to have bought along a "pillow for the sleepy" play.

When the Raisin Eaters trotted onto the field somebody in the stadium asked how they escaped from the clump.

Freeman consistently outpointed Fresno.

Their center wore a white head gear but he didn't seem to believe in peace.

A little more offensive punch by the Renegades would have given a different story.

The Christian boys were willing but they didn't know how.

They had a "three musquer" play that highly amused the audience.

Everyday in every way Harper's punts are getting better and better.

Curtis started off by ruining a redskin in the first play. Naughty, naughty.

"The Occidental" remarked, in a recent issue, that the Drillers are apparently, on their way to another championship.

The Drillers beat C. C. C. 25 to 0. Fresno State beat the same team 32 to 0. Therefore you can see the tough proposition the Renegades faced.

College of the Pacific 7—Chico State 0.

Taft High 41—Paso Robles 14.

The Golden Bears won from Washington State 20 to 7 on straight football. The game was slow with Cal. never in danger.

Washington 6—O. C. C. 3.

U. S. C. Fresh 10—Stanford Fresh 0.

San Diego High 26—Pasadena 3.

Stanford noses out of the U. of Idaho eleven 3 to 0 with a last minute place kick. Idaho had the gang in their grasp when they fumbled on Stanford's own yard line. Idaho had the ball most of the time.

Santa Clara 6—Davis 0.

Notre Dame 12—Princeton 0.

West Virginia 10— Navy 7.

Dartmouth 6—Harvard 0.

SOUTHERN TEAMS TIE IN LEAGUE

Three teams are still tied for first place in the Southern California conference as the result of victories by Pomona and Occidental.

The sage hens defeated Redlands University by a score of 27 to 0 in a ragged game on the Claremont field, while Occidental downed the University of California, southern branch, in a 20 to 7 game played on the latter's team's field here.

Whittier did not play Saturday and as a result, continues with a 1000 per cent standing, along with Pomona and Occidental.

Cal. Tech defeated Loyola 20 to 13. In a non-conference game on the Catholics' field, the Loyola eleven showed unexpected fight during the game.

CAL POLY LOSES

Last Saturday Modesto J. C. defeated Cal. Poly, the team we play this week, 19 to 3. The Poly team was unable to make any yardage through the heavy Modesto line, their only score coming through a drop kick from the 20-yard line.

Modesto scored on a blocked kick in the second quarter. In the third quarter they bucked the ball down the field on straight football. The last score came after a fitty yard run to the five-yard line and a buck for the remaining distance. Captain Corson, Goldson, and McCabe starred for Modesto.

The Renegades will have to trounce Poly by a bigger score Friday and wipe up on Modesto. Plenty of trap and support may bring us at least second place in the conference. We play Modesto on November 11, Armistice Day, at Modesto.

What's the big idea Eva, of taking a mud bath?
