From a place of obscurity to
one of the state's prominence has
been the rise of the California
State Conference. Two years ago
a handful of Junior Colleges and
State Colleges played through a
conference schedule, but this
touchstone of our athletic circles
the conference was closed. This year, 1920,
hits the going of these teams into
larger fields and the beauty of it
is that they made good.

A GOLF TEAM?

During the football season, the management of the Country Club is a hit in golf. The golf pro at Stock-
dale will give free lessons to any or all J. C. students who
are members of the club or whose parents belong. Individual
memberships for students if $2.50
per month. Golf lessons are
ordinarily $1.00 a lesson, so we have a wonderful
chance to learn the game right.

EDITORIALS

HOME SUPPORT

Is the time-old high school subject--"support the paper more"--going to come up in Junior College? We hope not. Try to interest yourself in the paper. There are many ways you can help: write letters to the editor; support advertisers; help sell papers. That's just a few of the ways you can help. Try to get interested. Each of the first two issues was a financial success. Let's not go down.

We have through the courtesy of Mr. VanderEke, secured room 22 in the Science Building for an office. Mr. Spinell furnished us with a desk and our room is beginning to look like an office. Come up and look it over and bring something for next week's paper. --EDITOR

She took you, didn't she?

DE MOLY ACTIVITIES

The Philadelphia Chapter team is the football champion of the Eastern Chapters.

New chapters have been instituted in Oakland, San Pedro, Lancaster and Los Angeles.

The play "Kick In" given by the local chapter was a great success both financially and otherwise.

Kern Valley Chapter held its regular meeting last Wednesday. Business that had piled up over the holidays was disposed of and the chapter voted to entertain the younger set at an informal dancing party just before Christmas. After the meeting the brothers sat down to a small banquet prepared by Tom Weens.

Last week during the noon hour on Monday the debating society held an initiation. A large group of students were made wise to the secret workings of the Forum.

The members and initiates first ate lunch in Mr. Burum's room and then the initiation was held. The officers were taken in by several Junior College members. Most of the new members are underclassmen so that everything points to an active and busy organization for the future.

OUR STANFORD J. C.

Now that the terrible monster examination has come and gone, leaving a wreck in pieces of a once pretty well run Junior College, it is a fitting time to see what this monster did in points farther north. We have no report of our California brothers, but from Stanford comes the good news that our brethren and sistern fared right excellently.

Beth Horton received the following grades: A's, 16 plus 32 equals a straight A card.

Gerald Brown, 16 plus 13, equals a straight B card.

Vincent Finch, 15 plus 5, equals a good C card.

R. B. Burge, 15 plus 10, equals a good C plus card.

Let us hope that the results of our brothers are as good as those, for we cannot let our older brothers get ahead of us.

SOCIETY DOINGS

A dandy dance was given by the Sophomore High School Class Saturday night. It was the Egyptian dance and a very pretty feature of it was done by Miss Margaret Streem, who was granted the Egyptian atmosphere. Many J. C.'s were present.

The Gir!s' Auxiliary of the Women's Club gave a very enjoyable, informal dance at the Women's Club Hall Friday, January 22.

The Junior College Spanish Club held a Spanish dinner and initiation at Jean's Tamale House last Thursday night.

Three new members, Helen Grubb, Charles Caruthers, and C. V. Adams, were taken in.

Many Junior College students saw "The Red Hills," the operetta put on by the Harmonic Society. There were several high school teachers and students in the audience.

Several Junior College boys left Friday on a camping trip which lasted over the weekend. Those going were Orville Martin, Arthur Brown, Chris Freeman, George Newbery, Scotty Guns, Ziggy Stanley, Walker Daily and Bob Myers.

LITTLE WOMEN

Are we downhearted? Oh my dear, no! Now that our ex's are over we've started work on "Little Women," the J. C. play which is to be given in March. "The play is a thing but we've also the talent. These qualities combined should bring out a large and appreciative audience.

"Little Women," written by Louisa M. Alcott, is one of the most well-known and best-loved stories that has ever been written. The play, taken from the book by Norrin De Forst, retains the well-known atmosphere of kindness, love, humor and pathos. But-that's not all. The Junior College is fortunate in having Miss Ethel Robinson as its director.

How is here the cast. Look it over and see if you like it! Mr. March...Walter Daily Mrs. March...Helen Grubb Mrs. Bower...Emily Anderson Mrs. Novello...Evelyn Derby Beth...Barnes Platt Meg...Harriet Colman Jo...Evelyn Hunsicker Mr. Lawrence...Paul Hickie Laurie...Whit Marinus Professor Breeze...John Brooks Miss Bower...Hannah Mallett Vera Gibson "Hall, hill, the gang's all here"-come and see us. Thank you.
