FIFTH PLACE IN STATE MEET

By placing in three events the Drillers tied for fifth place in the State meet last Saturday. Selby and Freear scored seven points.
The meet started at 1:30 with ideal weather conditions and was one of the most successful state meets ever held.

flags so that each athlete could judge his distance or heave.
Past times were made in all the track events, and the national record in the high hurdle race was broken by Nichols of Huntington Beach who ran the distance in 15 3-10 seconds.

Baron of Hollywood set a new state record in the pole vault event with a winning vault of 12 ft. 1½ inches. This event was hotly contested with Smith of San Diego going neck and neck until the cross bar went to the 13. th mark.
The state record in the high jump was also bettered when Coggeshall of Los Angeles Poly went over the bar at 6 ft. 1½ inches.

The locals drew first blood when Freear took third in the discus with a heave of 117 ft. 10½ inches. Freear also went

GRUMPY

The Seniors are certainly to be congratulated on the splendid cast and direction of Grumpy. It was enthusiastically received and enjoyed by good houses both nights.
The cast did fine consistent work all thru the play and the plot was well sustained until the last curtain. The action of the play was centered around the arrival of a large diamond from Africa, its theft, and recovery. Grumpy, a retired detective of repute brings everything to a satisfactory close and recovers the diamond.

Al did some really fine work, his action all thru the play in the role of Grumpy, was splendid. He combined humor and sympathy in his efforts and the success of the play was largely due to him. Congratulations, Al, it was a pleasure to watch you.

Don gave a nice finished performance and we all agree that he is one of the most convincing straight leads this school has seen. Anyone watching him after school in the rehearsals would not need to be told that it takes good steady work to arrive where he did. Siliva as the young girl was very good and gave an interesting performance.

In the heavy role Frank was a surprise. He made a good deal of a rather stock type; he made his part very real and likeable.

Mary Jane and Norman had a good deal to do with the success of various scenes by supplying realistic roles which they

DONT Gossip
"Did you hear--well, she told me that her that"-and so the story gets bigger each time it's told. You all know of cases when a person has unconsciously dropped a remark and like wildfire a story started, and before you knew it you had a mountain out of a molehill. If you hear "gossip" don't hurry as fast as you can and tell it to your neighbor. If it is unkind, don't repeat it, if you can't forget it, keep it to yourself. It will make story no better to tell it a hundred times.

NO ONE HAS EVER BEEN SORRY

1. For doing good to all.
2. For hearing before judging.
3. For holding an angry tongue.
4. For speaking evil of none.
5. For thinking before speaking.
6. For asking pardon for all wrongs.
7. For being kind to the distressed.
8. For being patient toward everybody.
9. For stopping the care of a talebearer.
10. For disobeying most of the ill reports.

OF COURSE NOT

Can't you wait on me? "asked the impatient customer" Two pounds of liver I'm in a hurry.

Sorry, sir, said the butcher "but two or three are ahead of you. You surely don't want your liver of order.

THREE GATES OF GOLD

If you are tempted to reveal a tale someone has told--
To you a bit another--
First let it pass--

Through gates of gold,
First is it needful,
Then is it true,
and the next is last and closest,
Is it kind?
And if to reach your lips at last
It passes through these
Gateways then:
You may tell the tale
Now fear what the result
Of speech may be.
The next time you go to reveal a tale someone has told--
you, thinking of these lines. You may not realize the tears and heartaches you are causing someone by just "keeping still," or else put in a good word for the fellow that is down. You're not infallible; you too may some day need a kind word and helping hand.

HEARD OVER THE TELEPHONE

A Virginia gentleman of color
tells us that he doesn't hit his wife any more since he got fined.
The reason he went to confine
is because he has no of your gas motors which I intend to use to kick her golden den she don't show it to do justice.

A young man with a pretty but flirtatious fiancee wrote to a
civilian. I hear that you have been kissing my girl. Come to my office at eleven on Saturday. I want to have this out.

His reply was: I have received your circular letter and will be at the meeting--

Dick--"What are kisses good
for anyway?"

Missouri--"Just thin face value."

Mother--(to caller)--What do you think of my daughter?

Gent Caller--I am sorry but I am no judge of paintings.

Mother--"Willie if you eat any more you'll bust.

Willie--Well, ma, pass me the cakes and get out of the way.

She was more than passing fair,
A wing, a smile, a half closed eye,
And the peach became a pair.

In a game replayed with forcible the-faculty-downed our base ball at the home of the Drillers last Friday. The final score after seven innings errorful ball was faculty 9 -- J.C. 3.

Handsome Holmes pitched fine ball for the faculty, it being chiefly his heady hurling that won. "Lucky" Luckensmeyer aroused the stands by knocking out a four-bagger with the bases loaded. Williams continually delighted the spectators with his clever chatter while cartoring around first base.

For the Jaysee Martin and Adams did the best work. Newberry played flawlessly ball at second. Chris Freeman's aesthetic dancing out in left field was the really delightful feature of the game. It was a good thing Potter was absent. Chris and Potter beat by miles.

The teams lined up as follows. Faculty: Sagen, c; Holmes, p; Williams, 1b; Stutzman, 2b; Luckensmeyer, ss; Peterson, 3b; Rich, cf; Vivian, cf; Junior College: Dickey, c; Martin, p; Brown, 1b; Newberry, 2b; Adams, ss; Riggs, 2b; Pike, rf; Stanly, cf; Freeman, cf.

The Waco men never showed much but the game was interesting to watch because of the good stanch work of the locals.

Aft cinched the county title on Friday by defeating Maricopa only a little less worse than did the Drillers.

CAN YOU IMAGINE

Lucille Morris quietly listening to someone talk?

Potter in a base ball suit?

George Newberry bringing flowers to his first period teacher?

Erwin Owen arrested for assault?

Dorothy Cure with black hair?

John White with a cigar in his mouth?

Tom Weems as a dancing instructor?

Dennie's hair not hanging on to a doll or monkey or something?

Chris Freeman not stuck on himself?

Sagen with a mouth full of gold teeth?

Norman Spindt never peeking into Robesky's?

And finally our Dean--can you imagine her always with a grouch?

Final race he had last finished broad-jumping and was very fatigued. Spencer also took second in the broad jump losing by only an inch.

Chris stockton landed fourth place in the javelin, throwing the spear over 146 ft. This event was exhibition so his point did not count. The record in this event is held by Denmon a former Driller. It stood the test Saturday.
