RENEGADE: RIP

Tyack Stars in Track Meet

Reyno 8-3-4.

Drillers 8-3-4.

This week's track meet was a contest as to the cause of the High School's fatal "April Fool" dash in its own back yard, and they all point to James Fred Tyack. This was the second official meet in the season, and Tyack definitely came through with flying colors. The meet was held against the Drillers.

Led by the Renegade spirit, the track team was declared the winner by a score of 92 to 48.

Clasen Victory

Retains Trophy

Displaying his ability to cover the course, Joseph E. Clasen, the Jaycee, star, Big Ray Clasen, retained the Allen Cup singles championship in the recent meet. The field was made up of 6 boys, 4-6 victory over G. W. Meeley, who was second in the meet. Clasen proved far too aggressive for his less experienced rival. Clasen failed to solve his hitting problem and dipped the title match in straight sets.

Earlier-in-the-week, the title holder was placed to defend himself against Clasen. The latter was defeated by the former in a good match, the score being 7-6, 6-4 victory edge.

J. C. Men Upheld by Cal. Coach

"A Junior College football player should not be afraid to accept the University of California has just as much chance to make the varsity as anybody." This was the statement made by "Navy Bill" Ingram, new University of California football coach at a special interview given to the Modesto Collegian sports editor.

"There is no distinction between the J. C. transfer and the man who has been out for the team the year before." Coach Ingram said.

"Football is an easy game to learn, and the J. C. man can learn a new system of football and at the same time have fun with his team. He's got to play to make a team for the school." He concluded.

Clasen, a Tyack student, was also interviewed by another campus paper, the Modesto Collegian. He responded:

"I think the J. C. man has a better chance to make the varsity than the average student. He has had more playing experience, and he's used to the kind of football played in J. C. games."
