Graduates Reveal Next Year's Plans

It was rather difficult to pry into the personal affairs of some of our modest graduates in order to obtain this article for the "Rip." However, each one had their own answer which varied from Oregon to Hawaii.

When Floyd Cook was interviewed, he said, "I am not going to get married." We expected as much of Floyd and knew that he expects to work in Bakersfield.

Among our most studious gentlemen in the college are Homer Ransom, Ed West, and Billy Rowland, who have placed their applications at Stanford University, all suffering from the vaccination test.

Margaret Baptie, Peggy Eldred, Elva Mae Stinson, and Doris Solomon expect to do their training at U.C.L.A. Carol Buchner is following a course in music and hopes to be enrolled at U. S. C. as does Ann Grothans and Bruce Crawford.

Glenn Gregory has applied for entrance to the International University of Berkeley. U. C. will claim also Forrest Branch, Mary Holman, and Carol Ives.

Several are leaving the sunny south and will be located at Oregon, namely, Glen Lindquist and Byron Apperson. Helen Jarmon says she may stay in Oregon State.

One particularly adventurous student is Donald Anderson who is sailing for Hawaii June 18, to attend the U. of H. Don says the attraction is the cosmopolitan group and international relations.

Lolita Goggin and Juanita Sabich will go into nurse training in L. A., while Hugh Long will visit his lot with Cal-Tech. Wilma Greenstreet will depart from Pop Gabriel to resume her study at Woodbury's business college in L. A.

Those who intend to work in the newspaper field are Bakersfield and Roy Carter, Wayne Stahl, Virgil Munn, Kay Krammes, Helen Olson and Joe Franey.

Mary Leona, Priscilla Osborne, and Harold Tabor expect to spend a third year in B. J. C., taking up P. G. work.

Seniors of Penn College, with the exception of the last, are having a great deal of discussion as to whether or not they should wear the caps and gowns at all hours of the day during senior week.

DINNER DANCE NEXT FEATURE

Wait—Thursday, June 4. Here's what we've all been waiting for—the big party of the year! The affair takes off in the cafeteria at 6:30 p. m., while everybody will join in a big feal. The banquet committee, composed of Dave Thurner, chairman; Al Smith, and Virginia Voll, will have almost $200 for the food alone.

After the dinner, follow the橡胶 dance to be held in the study hall or the girls' gym—hasn't been definitely decided yet. A good orchestra will be engaged for the evening. The ballroom will be decorated by the following committee: Katherine Goode, chairman; Jane Jensen, Richard Brothers, Marie Bartholom, Joe Tener, Rover Morgan, and Larry Chomnaw.

If you are planning to attend please reserve your reservation with either Gleno Rodgers or Nancy Nelson. There will be no charge. This alone should insure your presence.

SUMMER COURSES BEGIN JUNE 8

The summer school session will begin on June 8, and will close on July 17. It is to be in charge of Mr. Paul Vander Eke.

The following courses will be open to high school students: Geometry, United States history, civics, chemistry, and home economics. These are to be taken in each last for two-hour periods each.

The instructors are: Misses Pesiri, Miss Prater, Miss Coakland, Mr. Likely, Mr. Garrard, Mr. Vander Eke, who will be the instructor, in civics, and Mr. Boyer, who will be in charge of the evening classes in band and orchestral work.

A special course in art, in charge of Mrs. Emerson, will be open to teachers and junior college students. This three-weeks course, which will last all day, will cost each student $25.00. It is open to high school students without permission from Mrs. Emerson. It gives two units of credit.

High school students may not carry any more than one unit. These three-week courses will cost $10.00 each.

W. A. A. TO AWARD HONORS MONDAY

The W. A. A. will hold their main social event of the year next Monday, at 4 o'clock, beginning with a swimming party at Union plums, and ending with a dinner at a Chinese cafe. The awards for the year will be made at the dinner in the form of pins, letters, and guards.

Those eligible for guards, which is the highest possible award, are: Carol Buchner, Marian Harmon, Marion Higgenshott, Elva Mae Stinson, and Peggy Eldred.

Those eligible for letters are: Kay Goode, Doris Salonen, Jane Jensen, Marian Higgenshott, Kay Foster, Dorothy Lynn, Marjorie Willard, Carol Ives, Priscilla Willard, Margaret Ashton, Marie Bartholom, and Ann Grothans.

Thirty-one Students Pass Examination

Thirty-one Jaycee students avowed a sigh when they learned they had passed the Constitution millennium. The examination was given May 4 for the junior and senior college students. The test must be passed before graduation.

It has been arranged for the senior college students and the high school students who failed and wish to graduate. Miss Jordan gives them special instruction.

Those who passed include both first year and second year students. They are: Jack Laton, Margaret Baptie, Florence Lewis, Leonard Lucia, Hugh Long, Maye Minard, Mrs. Osborne, Sam Mortland, Herbert McIntyre, Fred Patterson, Homer Ransom, Glendon Rodgers, Mary K. Shaff, Elva Mae Stinson and Frances Weaver.

VOTE TODAY!

Today, the student body of Bakersfield Junior College will have the opportunity to vote for the president of the student body and for athletic manager for the next year. Vote in the study hall any time today for your choice.

Names for athletic managers are Robert Strauss, Harold Tabor, and Kenneth Dennen. Glendon Rodgers is the only candidate named for the office of the president.

VOTE TODAY!
GOD LUCK, GRADUATES

As the year draws to a close we find that many of our friends are leaving Saddleback Junior College. Many will go on to even higher institutions of learning, but some will be through their school days forever. Wherever you go, Graduates, remember that Saddleback Junior College is backing you in the greatest degree possible. We are proud of you, and we hope that the students will carry on next year and the years afterward to make this college as we know it to be proud of, to say, "I went there for two years.'"

Some are not so fortunate. They will not leave for a more advanced college next year. To them we say, "Come back, and we will be glad to see you and help you so that you will be able to continue your education." If you are in this great gang called "Life" and put your best foot forward, you will win the all the success possible and the best luck in the world!

ANNUALS READY FOR DISTRIBUTION

The first real annual ever to be published by the student body of Saddleback is ready for distribution Monday, morning. Copies of the new Montgomery, Miss. Gatley's office in the main hall of the J. C. S. building, will be distributed from there.

Glenrenn Rodgeri announces that all students who have not paid the total amount due on their orders must do so before their annuals will be given out. The price is 50c, and as there are only a few extra ones left, you are asked to pay immediately.

Under the capable direction of Margaret Bapap, the year book is an annual of beautiful execution. The design of the book itself is screen with a wealth of material within. Those who aided in the making of the book, Mary Holts and Rynice B Field, Miss Foster; Mrs. Eaton, Miss Graham, and Mr. Bellard, are all to be congratulated. A fine oaper was enjoyed.

Humorous psychology experiments were in evidence during the afternoon of the meeting of the senior class. Many students were present and a good time was enjoyed by all.

"JUNIORS CLASSES OUTJOYING"

Many interesting places are to be visited in the next few weeks. Many will be going to various parts of the country, and many will be spending the summer months in different parts of the world. We wish all of them success and a happy return to school.

ORGANIZATIONS

KOLLEGE KAPERS

A Talk Chapter to Phi Beta Pi was instituted at the Saddleback Junior College on Friday evening, May 10. Thirty students attended the meeting, and all of them are now members of the new chapter. The meeting was opened at 8:00 o'clock by Dr. W. H. Bellard, President of the college, who welcomed the new members and introduced the theme of the evening. The theme was "The Spirit of Phi Beta Pi." Following this, the talk was continued by Dr. W. H. Bellard, who gave a brief history of the society and its aims. The meeting was adjourned at 9:00 o'clock and the members went home.

DEPARTMENT OF THE TIMES

A number of members of the Saddleback Junior College campus newspaper, The Times, appeared at the meeting of the KOLLEGE KAPERS to discuss the future of the paper. It was agreed that the paper should continue to publish articles on the campus and that a number of members should be selected to work on the paper. The meeting was adjourned at 9:00 o'clock and the members went home.

STATE JUNIOR COLLEGES FORWARDATHLETIC CENSUS

King football is one success who gained his team by popular vote. Twenty-six of the leading California colleges "attended" the RENEGADE RIP of the Los Angeles Times. The first place in the tournament was awarded to the team that polled the most votes. The second place went to the team that polled the second most votes, and so on.

The results of the tournament were as follows: Los Angeles Times, 1; San Francisco Examiner, 2; San Jose Mercury News, 3; Oakland Tribune, 4; San Diego Union, 5; Santa Barbara News-Press, 6; Bakersfield Californian, 7; Fresno Bee, 8; Merced Union, 9; Riverside Press-Enterprise, 10; San Bernardino County Sun, 11; Los Angeles Daily News, 12; Los Angeles Herald-Examiner, 13; Los Angeles Express, 14; Los Angeles Times, 15; Los Angeles Daily News, 16; Los Angeles Times, 17; Los Angeles Daily News, 18; Los Angeles Times, 19; Los Angeles Daily News, 20; Los Angeles Times, 21; Los Angeles Daily News, 22; Los Angeles Times, 23; Los Angeles Daily News, 24; Los Angeles Times, 25; Los Angeles Daily News, 26; Los Angeles Times.

"JUNIOR COLLEGE ATHLETIC DIRECTORY"

Junior College: Athletic Title: School Colors: Enrollments:

From the 1896 California athletic directory, the following information is obtained:

- The number of students enrolled in each sport.
- The colors of each team.
- The athletic titles.
- A list of the schools and their respective sports.

"J. C. S. SWIM TEAM VOTED SUCCESS"

Anticipation is supposedly greater than the interest in the sport in which the team is engaged—such as the May 1st pool event. This year the interest was almost equal, with about 150 people in attendance. The event was held in the pool at the campus, and the swimmers were divided into two groups. The first group consisted of the junior and senior classes, and the second group consisted of the freshmen and sophomores. The event was won by the junior and senior classes, with the freshmen and sophomores coming in second place.

"GATLEY GIVEN ABSENCE LEAVE"

Miss Miriam Gatley, of the English department, has been granted leave of absence for the next two weeks. She will be in Rome, Italy, during this time.

"TO WRITE AN HISTORICAL"n
Two pipes equal one hour. Two ears, one hour. Three pens or glasses of alcohol equal one hour.

Three paragraphs equals one article.

The library of the Saddleback Junior College is keeping a record of all books borrowed, so that local newspapers can print them.

The new Saddleback Junior College newspaper is now in press, and it will be ready for distribution next June. It will be sent to the National Education Association in Los Angeles for about a week. Then it will be sent to the school for a month, and finally it will be sent to the National Education Association for another month. The new paper will be the first in the country to be printed on this new machine.
GREAT SEASON EXPECTED FOR FOOTBALL FOLLOWERS

Many Stars To Return

"Spud" Harder's football "act" is to play the "big time" next season. Believed to be ripe for top-notch center, Junior Hارد er is poised to be "on the spot" by the finest football "frame-up" in the history of the local institution. While on the market for choice dates, Commissioner Theron Taber brought home bigger bargains.

Topping the season's card are engagements with Stanford and California Fresh. Both are listed as preliminary events on the Pacific Coast's biggest billing, the first being on the Stanford-Oregon date and the latter before the California-Southern California classic. No less than 80,000 turn out at Crissy Field for the luncheon "social affair." With Dinner Speaker Navy Bill Ingram an added attraction, the "gate" should roar. It does seem as this writing that at last the Renegades are to receive the right kind of a break.

It is good to have his "calling card" presentable to meet the public at an early date, Coach "Spud" Harider will open his second annual Correspondence Course in "Football for Men" — a mail course in three installments. Uncle Sam's Pony Express is expected to delay the first of these training guides during the first week of August. The remaining two issues of general information will reach the students with Stanford and Cal.

Forty candidates are on the mailing list. While April showers were bringing May flowers, Coach "Spud" Harider and Peterson gave the football situation a thorough spring cleaning. With a heavy lineup as a result, more men need to develop new material. At present center and end are the chief difficulties. Whether or not Roe will be shifted to center depends upon the strength of material available for that position next fall.

Strong individual performances marked the spring workouts. This year, three members of the valley championship lightweights — Shaw, Kalbo, and Mendenhall — impressed with their hard work. The lads are rangy and should add another five or ten pounds before the gun sounds for next season. Greek — Smith, Miller, and Delosa, former Bucker players, also appeared to be safe first string bets. It was like old times with C. Daughter, former Juvenile captain, striding through the practice paces.

"Artheres were no new plays executable in spring practice, Bakersfielders had completed to sport, "Spud" Harider's present version of the "B" formation in gridiron warfare is a fact.

The third year of Coach Harder's football reign in the Central Conference should be one of the most colorful to date. Already rival coaches are sounding the Renegade bugle with threats and promises.

---

APPRECIATION NOTE

The sports department of the Renegade Rip desires to extend its deep appreciation for the assistance given during the past year by Mears, Theron Taber, "Spud" Harder, Florence Peterson, and Ernest Dalborn.

WILLIAM DAVIES
Sports Editor

MORE LETTER AWARDS MADE

At the regular student body meeting, Tuesday, May 31, "Spud" Harider presented letters to all those who have earned them in track and tennis. Those to receive letters were Ray Clausen and Harold Taber. Those presented for track were: Harold Estep, Gerald Estep, Leslie Chatfield, Gilbert Homestead, and "Spud" Harder. Letters were also awarded to those who had never received one before.

John Crawford, student body president, announced that the annual junior football dinner dance would be held June 4. The dinner will be given in the school cafeteria and the dance in the study hall. Committees have not yet been chosen.

It was also announced that the student body elections will be held Friday, May 22.

ZOO AND GEOLOGY ENJOY L. A. TRIP

Approximately twenty-five of the geology and zoology pupils made a trip May 2 to the museum at Exposition Park, accompanied by their teachers, Mr. Rice and Mr. Taber, Elke.

The students met at the museum at 10 a.m. Saturday morning and were given a lecture by Dr. J. L. Comstock, author of the book "Butterflies of California." He showed them animals which had been trapped about 5000 years ago in oil fields. Such animals as Imperial butterflies, 40 feet high, canaries, horses, and thousands of Pleistocene age proved very interesting. There was also a bird which was larger than any bird of the present day. The scientific name for it is "Seterornasus."

After the very interesting lecture the students visited other department museums such as the Natural History and the Indian bunumies. A thing of special interest was the automobile belonging to King George. This was used when automobiles were first invented. It made six miles to the gallon of gas, and its highest speed equaled 35 miles an hour. After lunch, many of the students visited the alligator farms, the ostrich farms, and the zoo.

Pats Pops Off

Elmer Lowell (after chasing Glenn Gregory all over town and finding him in a drug store) "I was out to your house looking for you, Glenn, but you weren't there. Was that your mother and didn't I met her!"

Glenn: "Well, of course. Who did you think it was, my wife and child?"

(Careful Glenn)

As long as Miss Mee and Miss K. Smith are getting married soon, the J. C. will open a private dining room for them. It will have two cooks, and be open only after they've had a year of experience. We don't like to see them go.

Wharton's What-Not

About this time of the year most of us are wondering what it all shakes out to be on the "college" course anyway. What will finals count on and term papers and everything. Well, what are we going to school for, anyway?

What is the most important thing we get out of school? Many will answer, "What is an education? Well, what is an education? Is it the little store of facts that our instructors have been poked into our heads during the short (?) time that we are with them? No, I think not; because, we will forget most of them in the course of the next few years anyway. Just what is an education?

Perhaps the most beneficial thing we derive from our school contacts is the friendships and contacts we make. And now that the school year is about to end, many of these friendships will be broken, unless we stick to the four corners of the earth (Kamala).

BELIEVE IT OR NOT

(Apologies to Mr. Ripley)

Ripley had a date the other night. At Smith's hair cutting (Hairs again) Dick hopes to graduate.

Harry studied for 30 minutes.

"Capone" Dalborn is going back to Kamala.

I wonder how many of us have noticed the little romance flowering in our midst. And an announced woman has got it at last. Nice work, Virginia!

As this is the last issue of the paper it would seem fitting and proper to bid the faculty, those steering ships, and those who bus us throughout the past year and try to keep a little knowledge into our heads: in spite of ourselves, a fond farewell and with all the luck in the world with our successors.

CLASSEN, TABER ANNEX HONORS

Bakersfield Juvenile's stellar tennis combination of Ray Clausen and Harold Taber had a "hurry" of a time convincing the Taft pair that the doubles property is not private.

Displaying a strong service and a smart net game, the Bakersfielders have yet to taste defeat in doubles competition this season. Incidentally, they are the first tennis athletes to win the J. C. for the junior college doubles championship.

Early last month, the pair won the city doubles championship, defeating Hill and Lavington in the final 6-3, 6-0, 6-3, 6-3, 6-3.
