Bonfire Rally on Friday, the "13th"

Peterson Sees Big Year Ahead For Forensics

The Central California Junior College Forensic Association met on Saturday, October 24, in conjunction with the regular Junior College fall meeting. Their purpose was to effect various changes in the Constitution governing the various activities of the Association and to determine the year's schedule and questions for debate.

Representatives from Bakersfield, Taft, Visalia, and Porterville were present at the meeting. Representatives present from the various schools were as follows: Visalia, Mr. Lehman and Mr. McGinnis, coach; Taft, Mr. Everett; Porterville, Mr. George and Miss Todd, coach; Bakersfield, Isabelle Hanawalt, John Young, Florence Moore and Wiley K. Peterson, coach.

The year's debate schedule begins December 4, when Bakersfield will meet Visalia in a dual debate. That is, each school will have both an affirmative and a negative team. The question for this debate is: Resolved that the several states should adopt uniform marriage and divorce laws.

After this debate, Bakersfield's schedule for the year is as follows: Jan. 8, Porterville; Feb. 12, Fresno; March 4, Taft, and April 1, Reedley.

Members of the Bakersfield varsity debate squad this year are: Jack Bethune, John Young, Harry Miller, Mary Martinus and Isabelle Hanawalt. There are only five people on the squad now, but Mr. Peterson expects that the number will increase to eight before the end of the year. On or about Nov. 10, the entire debate squad will begin practice on the question for the first round.

In addition to competition in the Central California Forensic Association, Bakersfield Junior College expects to enter sessional competition of Pi Rho Phi, national junior college forensic fraternity, at Glendale in February. We will also enter the Pi Rho Phi competition at Pasadena. In addition Bakersfield will enter the Central California and University of Redlands oratorical contests. Mr. Wiley K. Peterson, Bakersfield debate coach, believes that forensic competition will be unusually strong this year, especially down south.

The junior college debate squad was hard hit by the graduation of three of its best debaters—Billy Rowland, Jimmy Moon and Floyl Cook.

B. J. C. To Have Big Conference On March 12

The annual spring social and business conference of the central section of the Junior College Association will be held in Bakersfield on March 12. Arrangements for the event were made at the fall executive session, which was held in Porterville on Saturday, October 24. Plans for a valley track meet and tennis tournament were also made, but no definite date was set.

The election of officers for the central section also took place at the Porterville conference. L. J. Williams of Visalia J. C. was selected as president, J. G. Howes of Taft, vice-president, and Visalia Junior College was given the right to select a secretary-treasurer. Miss Grace Bird was named commissioner of athletics, Miss Harlowe of Porterville, commissioner of women's affairs, and Mrs. McGinnis of Taft, commissioner of forensics. A commissioner at large will be selected by Reedley Junior College.

Although athletic eligibility rules were discussed extensively at the conference, they remained almost unchanged. Other junior college problems were brought up for discussion.

Our representatives at the meeting were Miss Bird, dean of the junior college, Glendon Rodgers, student body president, Orval James, business manager, Mr. Peterson, debate coach, and John Young, Florence Moore, and Isabelle Hanawalt, members of the forensics group.

Annual Editor Announces Theme For Year Book

According to Isabelle Hanawalt, editor of the school annual, the name "Renegade Raconteur," will be interpreted in the theme of the book. Raconteur is a French word meaning storyteller.

The book will be larger this year and will contain many new ideas.

Isabelle will choose her staff in the near future. Bids on printing, engraving, photography and covers will also be received soon.

The first draft on art work for divisions have been completed and are very new and attractive.

Press Conclave In South Proves Huge Success

Gathering from all parts of the state approximately 175 junior college men and women met for the semi-annual California Junior College Press Association given in Los Angeles J. C. last Friday and Saturday. Besides enjoying the well organized social functions, the delegates decided upon important business matters of the association.

At the business session it was voted that Sacramento be the spring host. The constitution, which was formed two years ago was officially adopted and copies are to be sent out to all the junior colleges by Santa Rosa, custodian. In order to give more time to the actual business affairs, hereafter all the conventions will convene for two days.

STUDENT CONFERENCES

At the round table conferences on different phases of the student newspapers and annuals, problems were informally discussed by the presiding officer and the students. In his talk on "News Gathering and the Copy Desk" Mr. Long, general manager of California Publishers' Association, emphasized the fact that the newspaper is without exception the most important thing in the school.

In giving advice to aspiring journalists he further stated that getting the news is the secret of success. Almost anyone can write copy but it takes hard work to get it.

SOCIAL FUNCTIONS

The entertainment for the delegates was thoroughly planned by the various committees at L. A. J. C. An informal dinner, luncheon, football game, and Halloween dinner dance comprised the social functions. At the last mentioned prizes were awarded for the best annual, front page make-up, sport story, editorial, feature and sport page make-up. Compton junior college carried off the two main awards, the annual and front page make-up.

One of the most interesting items on the program for the delegates was the installation of the new Goss Cox-O-Type web perfecting press in the publications department of L. A. J. C. Special copies of the Junior Collegian were run off in demonstration of the new press.

Eleanor Champion, associate editor of the Rip, and Miss Margaret Levinson, faculty adviser, represented the local J. C.

Burn Taft Dummy On Renegade Pile Near Jastro Park

YELLS AND ENTHUSIASM WILL FEATURE STUDENT RALLY

Friday the thirteenth will be an unlucky day for Taft! The Renegades will meet en masse at 7:30 a week from tomorrow night for the parade which will lead to the old bonfire spot near Jastro Park.

Yells and more yells will be lead by Leslie Buchner, who is in charge of the rally. The main feature of the evening will be the burning of the old Taft dummy while Renegades and Renegadettes watch the great pillar of boxes, posts, fences and other combustible material go up in smoke.

The rally of last year helped B. J. C. to defeat the Taft Cougars to the tune of 13-6. Coach Kienholtz and his boys will find even more spirit behind the Renegades this year.

"Les" announces the need of all the wood that anyone can produce. He guarantees to furnish trucks if all persons who can help get wood will tel the proctor in the study hall. The freshmen will be delegated to haul the loads, but that means cuts from class, so—who cares?

See Leslie Buchner at once and volunteer your services to help in making the biggest and best bonfire rally ever!

Prize Offered In Big Contest

With the appearance of the new Renegade stickers, President Rodgers announces the tire-cover contest, open to everyone, that will close the night of the big Taft rally.

The plans for the contest were proposed by Spud Harder, and the coach will probably serve as one of the judges.

Any tire cover that carries out the idea of Bakersfield Junior College or the Renegades will be eligible for the contest. Stickers, paint, or other means of showing the colors may be used.

Remember the date—November 13. Get your cars ready, and the best one will receive a suitable award such as an annual or free tickets to Taft-Bakersfield game.

BAKERSFIELD VS. TAFT

Every time that anyone sees the above headline, he immediately thinks of bonfires, noise and football. The old rivals are to meet again—this time in the home port for another grand old battle on the gridiron.

The purpose of this editorial is not to remind you of past conflicts, but to urge you to stand up for B. J. C. qualities of sportsmanship. Respect the Taft supporters and their colors. Above all, respect their team.

In recent years, the spirit between the two schools has been more friendly than ever before. Let's keep it that way and try to make them feel welcome to Griffith Field, Friday night, November 13.

Letter Box

To the Editor of the Renegade Rip:
 Before I begin my tirade, let me state that I have no quarrel with any individual or group of individuals. It is only with the attitude of the student body as a whole. Also remember that there are exceptions.

In the past I have continually heard the complaint, not from one but from many, that this student body is divided in cliques. A clique, defined by Webster, is "a narrow circle of persons associated by common interests or for the accomplishment of a common purpose; a small and exclusive set; generally used in a bad sense."

Socially speaking, a clique has its very definite value. However, when the narrow-mindedness and favoritism of a clique extends from the social life of the individual into the social activities of the student body, then the last sentence of Webster's definition is applicable.

We, as a student body, cannot accomplish much without the cooperation of every student. The executive committee can only advise that we do certain things, and then the students as a group should carry out their plans.

Why not use Webster's definition, but change that word "narrow" to "wide." Make it read "a wide circle of persons associated by interests or for the accomplishment of a common purpose."

When someone announces a dance, a rally, or a meeting, a certain amount of work is necessary to make a success of any one of the three. The more people concerned in the preparation, the greater the feeling of satisfaction throughout the whole student body.

Students Enjoy Hallowe'en Frolic

Cornstalks, pumpkins, black and orange streamers, and whole gallons of cider gave the A. W. S. dance last Friday night a true Hallowe'en spirit.

Given in the boys' gym after the Cal. Poly game, the frolic was shared by the boys from San Luis Obispo, who were invited as special guests. One of the basketball standards was decorated with maroon and white, and the other showed the orange and green of the visitors.

After paying for the disappearing pumpkins, decorations and refreshments the A. W. S. was over six dollars richer than before, according to Marion Higginbotham, president of the organization.

Chairman of the various committees that made the dance possible were: Jane Jensen, decorations; Nona Louise Cripps, refreshments; Teresa Lacasella, lighting system; and Kay Goode in charge of the floor.

The lighting system was particularly effective—the various soft-colored lights giving the room a weird changing glow. A regular Hallowe'en moon was not forgotten and appeared in one corner.

Bob Sisson's orchestra furnished the music for the evening.

Plans were made for an initiation party to be held at the home of Theresa Lacasella tonight, Thursday evening, Nov. 5. There are thirteen new members in the club.

For our common interests and for the accomplishment of a common purpose, to wit: The upbuilding of the Bakersfield Junior College. I ask for cooperation in student body affairs.
 Leslie Buchner.

Full Season For String Quartette

A busy year lies ahead for the Junior College string quartet composed of Leslie Chatfield, viola, Beverly Stancliff, cello, Mary Alice Emery, second violin, and A. B. Parker, instructor, first violin.

Contracts have been secured for performances at the University of Redlands on January 17, Occidental College, January 18, and Pomona College, February 13. The annual concert will be given here next spring in addition to other appearances.

The quartet is working on a selection taken by Mr. Parker direct from the Russian Print. It is one which no other quartet in California has ever played.

MEN ORGANIZE AMERICAN CLUB

A "Young America's Club" has been organized by ten members from Junior College and senior and junior classes of the high school. John Young will head the group as president with other officers elected as follows: Harry Miller, vice-president; Harold Haight, secretary and Alton Kuhn, corresponding secretary.

Having for its purpose the promoting of the welfare of mankind through better government, the group will meet every Wednesday and discuss certain governmental problems. A discussion of the control and organization of the police department took place at the first big meeting held yesterday in the form of an open forum to which everyone was invited.

The membership is limited to ten who are from J. C. and the two upper years of high school. Sophomores and freshmen may be associate members, but five is the limit. Others who belong besides the officers are Jack Eethune and Glen Bultman from Jaysee and Bill Baldwin, Henry Morgan and Jack Usher, from high school.

The city Mayor is greatly interested in the project which is the only one of its kind in the state, although plans are being advanced at Fresno for a similar group. The club will have his hearty support.

FRENCH CLUB MEETING TONIGHT

Frances Weaver was elected president of the Les Hibox Francais, J. C. French club, at the last meeting, and Richard Brothers was elected treasurer. A secretary will be chosen at a later date.

Plans were made for an initiation party to be held at the home of Theresa Lacasella tonight, Thursday evening, Nov. 5. There are thirteen new members in the club. According to Miss Mentzer, club advisor, only those in advanced classes or those getting 'A' grades in elementary classes, may join the club.

Turn In Your Letters To Us

The following letter, expressing the feelings of a student concerning the lack of vocal support at our games, is an example of similar letters which might be turned in to J. C. 112 every month for publication in the Rip. Let us have your opinions. It may help to have your pet aversions corrected. To the Renegade Rip:

Come on J. C.'s, how about a little more vocal support at the games. The Renegades did beat Cal. Poly but through no effort of the grandstand.

Everyone seemed to be content to sit back and lazily watch the game. What is the matter? We have a peach of a yell leader, a mighty good team and some pretty good yells. What more do you want?

It looks like a case of "overconfidence" on the part of the rooting section. The only time that they awake from their reverie is when it looks like we might lose.

You won't have to look very far to see a school that supports its team win or lose. I should think it would get under your skins to see the contrast in the way the Kern County High School students support their teams.

Anyway our next home game is with San Bernardino and we're going to want some support. So let's oil our vocal chords with Coca-Cola, or what have you, and come out and yell!

F. D.

EXCHANGES

Ventura Jaysee recently sponsored a "No Shave Week." The deprivation of the use of the razor culminated in a grand prize presented to the man with the longest beard.

The new women's dormitory at U. C. L. A. was recently dedicated while 6,000 students paid tribute to its donor, Mira Hershey, for whom the hall is named.

Pomona College will soon build a new women's gymnasium at the cost of \$140,000. The plans have already been drawn by the architects according to the Citrus Junior College paper.

"On the Spot" is a column featured in the Pirate Press of Ventura Jaysee. The column serves as a warning to students who do not cooperate with the regulations of the school.

Chaffey J. C. is to present "Captain Applejack" on November 20. This will be the initial production of the year.

Dick Brothers has had only one eye on his lessons this last week. He came to school last Wednesday boasting of the most interesting shiner of the year. He says he ran into a door. Oh, yeah?

Dean Receives Report of Meet

The report of the eleventh annual convention for the California's Junior College Presidents' Association, which was held in Berkeley, October 16, has just come to the dean's office. Glen Rodgers and Harry Tibbetts were the two delegates from Bakersfield.

One of the most interesting points mentioned was the fact that the next convention will be held in Visalia in the spring.

Round table discussions included the questions on privileges extended by various junior colleges on the student body card and on the amount that should be paid for such cards. Most of the schools have the customary fee of five dollars, a few have increased the amount to ten dollars, and only one or two reduced the fee to the small amount of three dollars "because of the depression."

Restrictive and non-restrictive clubs in junior colleges were widely discussed. The number and kind vary extensively with the location of the school and the wealth of the students who attend.

ALDRICH PICKS WOMEN'S TEAMS

Tryouts for association were held last week with a good turn-out. The following teams were chosen by Mrs. Aldrich: Freshman—Victoria Achin, Margaret Bailey, Genevieve Borel, Geneva Bickers, Lottie Ellen Cane, Kathryn Colburn, Holly Howsman, Elva James, Felishe Sarioberry, Evelyn Schmidt, and Adele Thayer. Substitutes include Shirley Mae Andress, Margaret Nicholson, Bernice Nich and Ruth Mary Westfall.

Sophomore team: Laura Coats, Frances Doyle, Audrey Gill, Katherine Goode, Jane Jensen, Dorothy Johnson, Audrey Neate, Virginia Voll, Frances Weaver, Marjorie Willard, Laura Zimmerman and substitutes, Verral Allen, Juanita Dalton, Marian Thu and Una Walters.

NEW EXECUTIVE OFFICE IN COMMERCIAL BLDG.

The executive committee is the proud owner of a new office, located in the third floor of the Commercial building. Through the efforts of the members, some furniture has already been moved in and plans for decorations are being formed.

Last year the office was located in the basement of the Commercial building; states Glen Rogers, prexy, and it was also used as the "Rip" offices. "We were too crowded due to the small size of the room. Our new place is much larger and better lighted." He also stated that the committee was very pleased with their new location.

The score of forty-something seems to be the Renegades' fate—whether it is for or against them.

NEW STICKERS ON SALE NOW

Have you bought your Renegade stickers yet?

The maroon and white emblems are on sale in the study hall and may be obtained for a penny apiece from the proctor.

The sticky surface has been changed to the side of the printing which makes them ideal for windshields. A little glue will fix them up for use on tire-covers, binders, etc.

Get your stickers now and be ready before the Taft game!

SPANISH DINNER ON NEXT MEETING

Los Argonautas, local Spanish Club, is planning an initiation party for its next meeting on Tuesday, November 10. Features of the entertainment will be a dinner at Frager's, followed by cards and dancing in the junior college study hall. An initiation program, details of which were not complete at this writing, and a short business meeting are also to be held.

Only students enrolled in Spanish C are eligible to become new members of Los Argonautas. About fifteen Spanish C students are expected to become members of the club, according to Leonard Lucio, president.

All old members of Los Argonautas are urged to pay dues, of 25 cents, to Margaret Ashton, secretary and treasurer, as soon as possible.

The club held an election on October 15, in which the following officers were elected: President, Leonard Lucio; secretary and treasurer, Margaret Ashton. The following committee chairmen were appointed: Kathleen Cassady, chairman of social committee; Kay Faber, chairman of correspondence committee, and Joe Franey, publicity manager.

The decoration committee of the A. W. S. Hallowe'en dance is bemoaning the fate of eleven pumpkins which disappeared immediately after the dance. They had been lent by a market for decorative purposes in the gym.

NOTHING TO BE THANKFUL FOR?

Nothing to be thankful for,
 No great cause for glee?
 Nothing but the sunshine,
 Bird and flower and tree?

Nothing but the crimson leaves,
 On November days,
 With the dog and gun I go,
 Through the forest's maze?

Nothing to be thankful for—
 'Cept Thanksgiving's here?
 That's enough to make a man
 Be thankful all the year!

—Frank D. Hopely.

Jaysees Speak At P.T.A. Meeting

Students of the junior college were the speakers at the November meeting of the high school and junior college Parent-Teacher Association held yesterday in the music building.

Armistice day and its idea of peace was the topic for the day. Isabelle Hanawalt spoke upon the subject "The League and Peace." "The Open Door and Peace" was chosen as a topic by Harry Miller, and John Young spoke upon "The Monroe Doctrine and Peace."

Earlier in the afternoon music was enjoyed by the group. Community singing, the mothers' chorus, a saxophone solo, and the boys' quartette made up the musical program. The social science teachers of both the high school and junior college were special guests for the afternoon.

Later in the year a special junior college program will be presented by the organization.

BAD NEWS FOR ECON MAJORS

In a letter recently received from Billy Roland, former student here, and who is now at Stanford University, he spoke of a new regulation concerning economic majors.

Anyone who goes to Stanford for the purpose of doing extensive work in economics must first pass a comprehensive examination on the elements of economics. The ruling has come through the desire of the university to improve its standing in the field of economics.

In another part of his letter, Mr. Roland said that he was glad that he had such excellent training in the general principles of economics here at Bakersfield Junior College, because other students left the room after one glance at the questions.

After this and other warnings from the University of California, Miss Grace Bird, dean, states that it would be wise for all students to keep up with the requirements the university in which each one is interested.

CHORAL CLUB STARTS WORK

The Choral Club of J. C. has started its work for this year. It is composed of 27 students of fine musical ability.

A business meeting was held and the following officers were elected: Jane Jensen, president; Elmer Lowell, vice-president, and Kathleen Cassady, secretary and treasurer. Miss Iva Fullerton is advisor.

The members have planned to buy their own music with the dues of thirty cents. The secretary and treasurer is collecting the money and Miss Fullerton will order the music in a group. The club is to make several public appearances this year.

Students See Play Given by Delta Psi

"Thank You, Doctor," a clever one-act play, was presented by members of the Dramatics Classes last Thursday at the regular meeting of the Junior College Associated Student Body. The play, directed by Miss Ethel Robinson, had the following cast: Harold Brown, as Dr. Guernsey; Vivian Smoot as the nurse; Virginia Voll as Mrs. Lester; Bill Wharton as Denny Court; and Max Cameron as the patient.

Glendon Rodgers presided at a short business session of the play. Minutes of the previous meeting were read by Kay Goode, secretary.

Orval James, who was nominated by the members of the executive committee to replace Granville Schoonmaker as business manager, was elected to the position by standing vote.

After the announcement concerning the new Renegade stickers, which may be purchased for a cent apiece, Leslie Buckner, yell leader, told of the bon fire rally to be held soon, and asked the boys to be ready to go after material for the fire.

JAYSEE STUDENT IN RECENT PLAY

Al Price, who has taken part in many junior college productions, had one of the important junior roles in the Community Theatre play, "Mrs. Bumpstead-Leigh," given last Monday night.

Playing his part with exceptional ability, Al made a hit as the elder son of Justin Rawson, played by Harry Dillon. A moustache, very correct clothes, and a natural manner made his performance in the part of a successful young financier one to add to his list of dramatic achievements.

Mrs. Paul Vander Eike, the wife of our geology professor, was excellent in her part as the mother of the ambitious Mrs. Bumpstead-Leigh.

P. T. A. BENEFIT SHOW ADDS TO CHARITY FUND

Over eleven hundred tickets had been turned in at the Fox Theatre just before the seven o'clock show Tuesday night for the P. T. A. benefit show, "Devotion."

The high school and junior college Parent-Teacher Association are to receive fifteen per cent of all sales. The above figure shows that almost two hundred dollars will be added to the benefit fund of the association.

Shoes, glasses, clothes, dental work and lunches are purchased for needy students in both the junior college and the high school from this fund.

All students who desire to receive aid during the year should see Miss Grace Bird, dean, or Mrs. Christy, president of the association.

RENEGADES BEAT CAL.-POLY IN ONE-SIDED CONTEST

SAN LUIS LADS PUT UP GAME FIGHT

In a game replete with thrills, chills and spills, the Bakersfield Junior College took California Polytechnic to the tune of 45-6. Completely outclassed and outplayed in every department of the game, Cal. Poly put up a game fight, scoring in the last quarter with the score 39-0 against them.

In a game where every man did his part well, it would be unfair to pick out any individual stars from the Bakersfield team. The one exception to this is possibly Jim Tyack, who showed that he is a better man on a leg and a half than most men on two legs. Breaking away again and again he outdistanced the field to score four touchdowns.

Delfino and Camp demonstrated that they are on a par with the first string backs and are capable of taking over their jobs in an effective manner should it be necessary.

The line was working particularly well with the defensive work of Mier, Shaw, Roe and Beauchamp outstanding. Mier was particularly effective at spilling the Cal. Poly interference.

Spud's "trick" plays were working particularly well, one double lateral pass working for 38 yards and the first touchdown of the game.

For the visitors the outstanding work was done by Carter and Kremer, Kremer being on the business end of those passes Cal. Poly completed in the last quarter.

The Renegades spent the first quarter by scoring on the first six plays in spite of a 25-yard penalty for clipping. The scoring play was a double lateral to Tyack, who gained 38 yards on the play. Roe kicked off to Carter, who returned the fall 18 yards after two exchanges of punts. Tyack got loose on a reverse for 35 yards. Six plays put the ball over for another touchdown with Delfino, Camp and Tyack carrying the ball.

Tyack went over for the score, Delfino converting.

Score, Renegades 14, Cal. Poly 0.

Roe kicked off. Cal. Poly returned the ball to midfield on four plays. The quarter ended after an exchange of punts.

Bakersfield's ball, first and ten. Cal. Poly intercepted Delfino's lateral.

After two incomplete forward passes Bakersfield recovered Poly's fumble. On the next play Jim Tyack galloped 75 yards for a touchdown. Delfino failed to convert.

Score: Renegades 20, Cal. Poly 0.

The rest of the quarter was spent in futile passing, a few line bucks and no scoring.

The third quarter saw many penalties, incomplete passes and one score by Mr. Tyack.

The fourth quarter was by far the most eventful. Touchdowns by Higginbotham (2) and Delfino, a series

WHARTON SPEAKS

Again the Amateur Statistician takes up his much abused pencil, to attempt some conclusions concerning the coming Taft-Bakersfield encounter.

After much burning of the long-distance telephone wire, we obtained the following results of Taft's past performances:

- Taft J. C. 0, San Bernardino 0.
- Taft J. C. 14, Visalia J. C. 0.
- Taft J. C. 12, Santa Maria Junior College 0.
- Taft J. C. 0, California Christian College 0.
- Taft J. C. 0, Porterville Junior College 6.

From these statistics we readily see that Taft's record to date has not been an impressive one, two wins, two ties, and one loss. Strange to note the loss was one touchdown victory over a team over which Bakersfield gained a supremacy of one touchdown.

On the other hand Bakersfield's 13-6 victory over Santa Maria constitutes one touchdown less than Taft's 12-0 victory over the same team. Thus the two teams seem to be about equal strength.

This week-end Taft tries conclusions with the Cal. Poly team that Bakersfield defeated by so many points.

Bakersfield, this week-end, will encounter the strong San Bernardino team that Taft held 0-0 in their first

However, the dope bucket is often overturned by actual performances, and only actual conflict can determine the respective strength of the two rival teams.

Of passes by Cal. Poly for their lone score and the substitution of all of the Bakersfield men in uniform except Al Smith and Herb McBratney, who were out because of injuries received in recent encounters.

Bakersfield (45)	Pos.	Cal. Poly (6)
Shaw	le	Vervais
Packard (C.)	lt	Van Whye
Miller	lg	Sergi
Roe	c	Hopkins
Dougherty	rg	Jaxovitch
Mitchell	rt	Sargasis
Mier	rt	Hansen
Stanley	q	McLean
Delfino	rh	Kremer
Camp	lh	Carter
Tyack	f	Norton

SAN BERNARDINO TILT DUE HERE TOMORROW NIGHT

GRID GOSSIP

After much rumination, cogitation, hair pulling and burning of the midnight oil, we have compiled a few statistics on last Friday's game. We don't expect anyone to read them but we must use something to fill space.

The Renegades covered 594 yards with the ball in their possession, while Cal. Poly had to be content with 317. While the local boys were making 19 first downs, the invaders managed to grab off 8.

Cal. Poly punted six times for a total distance of 210 yards, while Bakersfield kicked four times for 125 yards. Unless our arithmetic is worse than our grammar school teacher said it was, this spells an average of 35 yards per boot for the visitors and 31.25 yards for the locals.

To become air-minded, the Cal. Poly boys attempted 15 passes, six of which were completed for a total distance of 104 yards, while the Renegades attempted eight and completed three for a gain of 49½ yards.

These alleged statistics would seem to indicate that the score should have been somewhere around 12 or 14 to 6 instead of the lopsided affair that it was. However, the worthy officials seem to consider the number of times that the ball crosses the goal line or flies between the goal posts vastly more important in reckoning the score than the laborious efforts of an amateur statistician.

We now diverge slightly from our statistical remarks to state that the team as a whole performed very creditably, even the third string showing that they were well grounded in the gentle art of, as my Filipino friends say "feetballing."

Thanking you one and all for your kind attention (if you've read this far), I remain—oh well, what's the use?

Of course your neighbor has her faults. How else could she keep pace with you?

A grammatical point to remember is: Hens set and lay; people sit and lie.

NEW SHIFT FORMATION USED BY SOUTHERNERS

The Renegades are scheduled to meet with some tough opposition in the San Bernardino J. C. team this Friday evening. The San Bernardino squad is much the same as it was last year with the exception of a new shift formation. The Notre Dame shift is being used in this offensive work along with a number of plays run from the old T formation, which was used last season.

San Bernardino's outstanding threats are to be found in Spears, who plays quarterback, and who punts on an average of 55 yards; Coleman, left halfback, who is plenty shifty; and Varsilino, fullback, who figures prominently in their aerial attack with his accurate passing. Del George and Beeler are also marked men.

The San Bernardino line-up will probably be as follows:

L. E.—Lindsay	No. 2
L. T.—Cheek	No. 30
L. G.—Beeler	No. 29
C.—Swanson	No. 19
R. G.—Downing	No. 21
R. T.—Johnson	No. 24
R. E.—Del George	No. 5
Q.—Spears	No. 3
L. H.—Coleman	No. 7
R. H.—Kivett	No. 6
F.—Varsilino	No. 10

VARSITY MEMBERS ELECT OFFICERS

A meeting of the Varsity Club was held on October 29, for the purpose of electing officers for the coming semester. Candidates were nominated at a previous meeting held on October 21. Those nominated for offices were: Thornley Roe, Hiram Stanley and James Higginbotham for president; for vice-president, Joe Tener and Marion Mitchell; for secretary-treasurer, Herbert McBratney; for serg. at arms, James Tyack.

Results of the election were: President, James Higginbotham; vice-president, Joe Tener; secretary-treasurer, Herbert McBratney, and sergeant at arms, James Tyack.

The club is planning an assembly which will be held sometime in December. Football letters will be awarded at this meeting. New members will be taken into the club and will receive their initiation at a later date.

Melba: "I've been getting threatening letters through the mail. Isn't there a law against that?"

Lucille: "Certainly there is. Who is writing them?"

Melba: "The lady I bought this dress from."

And there is Wiley K. Peterson, the public speaking teacher, caught saying "The team don't" when announcing at the game Friday night.
