Peterson Sees Big Year Ahead For Forensics

The Central California Junior College Forensic Association met on Saturday, October 24, in conjunction with the regular Junior College fall meeting. Their purpose was to effect various changes in the Constitution governing the various activities of the association. Also, to determine the year’s schedule and questions for debate.

Representatives from Bakersfield, Taft, Visalia, and Porterville were present at the meeting. Representatives present from the various schools were: Mr. Lehman and Mr. McGinnis; Taft, Mr. Everett; Porterville, Mr. George and Miss Todd; Bakersfield, Isabelle Hanawalt, John Young, Florence Moore and Wiley K. Peterson, coach.

The year’s debate schedule begins December 4 when Bakersfield will meet Visalia in a dual debate. That is, each school will have both an affirmative and a negative team. The question for this debate is: Resolved that the several states should adopt uniform marriage and divorce laws.

After this debate, Bakersfield’s schedule for the year is as follows: Jan. 8, Porterville; Feb. 12, Fresno; March 4, Taft; and April 1, Redlands.

Bakersfield’s varsity debate squad this year are: Jack Bethune, John Young, Harry Miller, Martinis and Isabelle Hanawalt.

There are only five people on the squad now, but Mr. Peterson expects that the number will increase to eight before the end of the year. On or about Nov. 10, the entire debate squad will begin practice on the question for the first round.

In addition to competition in the “Central California Forensic Association,” Bakersfield Junior College expects to enter various competitions of Pi Rho Phi, national junior college forensic fraternity, at Glendale in February. We will also enter the Phi Rho Phi championship at Pasadena. In addition, Bakersfield will enter the Central California and University of Redlands oratorical contests.

Mr. Wiley K. Peterson, Bakersfield debate coach, believes that forensic competition will be unusually strong this year, especially down south. The junior college debate squad was hard hit by the graduation of three of its best debaters—Billy Rowland, Jimmie Moon and Floyd Cook.

The annual spring social and business conference of the central section of the Junior College Association will be held in Bakersfield on March 12.

Arrangements for the event were made at the full executive session which was held in Porterville on Saturday, October 24. Plans for a valley track meet and tennis tournament were also made, but no definite date was set.

The election of officers for the central section also took place at the Porterville conference. L. J. Williams of Visalia, was selected as president; J. G. Howes of Taft, vice-president; and Visalia Junior College was given the right to select a secretary-treasurer. Miss Grace Bird was named commissioner of athletics, Miss Harlow of Porterville, commissioner of women’s affairs, and Mrs. McGinnis of Taft, commissioner of forensics. A commissioner at large will be selected by Roddley Junior College.

Although athletic eligibility rules were discussed extensively at the conference, they remained almost unchanged. Other junior college problems were brought up for discussion.

Our representatives at the meeting were Miss Bird, dean of the junior college, Glenwood Rogers, student body president, Orval James, business manager, Mr. Peterson, debate coach, and Mrs. Peterson, assistant coach.

Annual Editor Announces Theme For Year Book

According to Isabelle Hanawalt, editor of the school annual, the name “Renegade Rendezvous” will be inter- pancreatic in the theme of the book. Rendezvous is a French word meaning storyteller.

The book will be larger this year and will contain many new ideas. Isabelle will choose her staff in the near future. Bids on printing, engraving, typography and covers will also be received soon.

The first draft on art work for divisions have been completed and are very new and attractive.

The year’s business conference will be held in Bakersfield on March 12. The annual spring social and business conference of the central section of the Junior College Association will be held in Bakersfield on March 12.
Bakersfield vs. Taft

Every time that anyone sees the above headline, he immediately thinks of bloody, noisy, and football. The old rivalries that...
RENAGADE RIP

SAN BERNARDINO TILT DUE HERE TOMORROW NIGHT

WHARTON SPEAKS

Again the Amateur Statistician takes up his much abused pencil, to attempt some conclusions concerning the coming Taft-Bakersfield encounter.

Out of much argument on the long-distance telephone wire, we obtained the following results of Taft's past performances:

Taft J. C. O, San Bernardino 0
Taft J. C. 14, Visalia J. C. 0
Taft J. C. 12, Santa Maria Junior College 0
Taft J. C. 6, California Christian College 0
Taft J. C. 0, Porterville Junior College 0

From these statistics we readily see that Taft's record to date has not been an impressive one, two wins, two ties, and one loss. Strange to note the loss was one touchdown victory over a team which Bakersfield gained a supremacy of one touchdown on the other hand Bakersfield 13-6 victory over Santa Maria consists of one touchdown less than Taft's 12-0 victory over the same team. Thus the two teams seem to be about equal in strength.

This weekend Taft tries conclusions with the Cal Poly team that Bakersfield defeated by so many points.

Bakersfield, this weekend, will encounter the “swinging” San Bernardino team that Taft held 0-0 in their first game. However, the slope is either overtaken by actual performances and only actual fact can determine the respective strength of the two rival teams.

Of passes by Cal Poly for their long range and the substitution of all of the players for Bakersfield, Al Smith and Herb McBryant, who were out because of injuries received in practice say “football is a contact sport.”

Thanking you one and all for your kind attention (if you’ve read this far), I remain—oh well, what the hell.

Of course your neighbor has her faults. How else could she keep pace with you?

A grammatical point to remember: Whereas he tens and you; but in the other direction he tens and you.
