TAFT DEBATE TEAM COMES HERE TODAY

JAPAN-MANCHESTER QUESTION TO BE DEBATED

One of the most bitterly contested debates of the season was scheduled to take place in J. C. 10, today, at 11 o'clock, when the Taft Junior College debaters were to meet the local team on the question: "Resolved, That the Japan-Manchurian Policy Is Justifiable."

Coach Wiley Peterson's charges have been preparing for some time on this question in the expectation of overcoming their opponents with as little difficulty as possible. The members of the local debate squad who will compose the two teams have not been selected as yet, but all the members of the squad are well prepared on this question and whatever combination Coach Peterson decides on will be sure to uphold the reputation of the entire squad and of Bakersfield Junior College.

First Conference Debate
As this is the first conference debate of the season, as many students as possible have been urged to come out and support the debaters.

Non-Conference Tilt
A non-conference debate with Visalia was held recently to determine the new members of Phi Rho Pi, national debating society. Bakersfield was victorious on both sides of the question.

On the strength of the results of this debate plus the representa- tion from last year's debate squad, Coach Peterson predicts a year of unusual success in forensic activities.

Revelers' Orchestra Entertains Students

The second student body meeting of the semester was held third period, October 27. After making a few announcements about the freshman assembly and pep rally for the Visalia game, Glenn Boltsman, president, presented Francis Hopper, who led the student body in a few yells. This was the first opportunity that Hopper had for running the entire student body through the yells.

Mr. Boltsman then introduced Mr. Jagger, who displayed one of the maroon and white football blankets which were obtained through the efforts of the Patrioteer Club, Kappa Rho Sigma, and the A. W. S.

The remainder of the program was turned over to the Revelers, who entertained the student body with a number of popular tunes.

FORMER STUDENT PHI BETA KAPPA

The following is an excerpt from a letter recently received by Miss Grace Ed Edel Cornellus H. A. Siemens, a former student in B. J. C.:

"I want to take this opportunity to inform you that I have just been elected to membership in Phi Beta Kappa, Alpha of California, here at the University of California, as well as to membership in Pi Mu Epsilon, the national mathematics honor society. I'm sure the advice from you and the training received in your school has helped me to attain these distinctions."

Mr. Siemens attended Bakersfield Junior College in 1929-1930.

During this period he was active in junior college activities. He played on the first string basketball team, making his letter; took an unofficial interest in the junior college "Y" and played a prominent part in the student body play, "The Queen's Husband."

Choral Club Meets To Elect Officers

Members of the Choral Club met last Thursday afternoon, October 27, and elected officers for the new year. This was the club's first meeting of the semester. It was decided that no dues would be charged this semester. The purpose of the choral club is to assist in social events and entertainments throughout the school year.

Officers who were elected include: Lloyd Barlow, president; Marjorie Collins, vice-president; and Florence Moore, secretary and treasurer. Miss Fullerston will serve as adviser for the group.

FORMER DRILLER ACE IS INJURED

"Jiggs" Payne, former drill ace, sustained serious injuries last Saturday while playing for Pacific at Stockton. It is reported that his legs were broken.

The Importance of Being Earnest," the scintillating social comedy by Oscar Wilde, will be presented by Delta Pi Omega, dramatics fraternity, Tuesday evening, November 15, in the high school auditorium.

Under the direction of Miss Ethel Robinson, the all-star cast, composed of leading players in former junior college productions, is busy with final rehearsals.

The play, which abounds in clever lines and amusing situations, is one of Wilde's most popular works, and affords a good amateur cast unusual opportunity for rapid-fire comedy.

What will happen when the sweet-hearts of two young men take the reins in their own hands, leave their suitors, and fall in love with the same man—a rounder? What will their young men say, and do? How will tragedy be averted? Surprises and laughs are in store for the audience on November 15.

Members of the all-star cast include: Virginia Voll, Fay Helm, Jane Bellows, Marian De Goh, Al Price, John Crawford, Leslie Buchner, Dick Bailey and Donald Ayer.

Rooting Section Planned by Frosh

At the freshman assembly held seventh period on Thursday, October 27, plans for a rooting section composed of first-year men were discussed. Glenn Oultman, president of the student body, presented some of the benefits of an organized rooting section.

The purchase of maroon and white caps for rooders was favored.

A.F.I.E.W. MEETING

Sir, in B.C. before the war, a gentleman whom I knew always said that he was a stranger and he had no acquaintances. I felt sorry for him, but I had no idea what he meant. Now I know. I have a friend who is a stranger to me, and I feel sorry for him, too. I think it's wonderful how much one can love a stranger.

VISALIA TARTARS COMPLETELY ROUTED BY RENEGADES 59-0

VISITORS OVERWHELMED BY SECOND STRIKE

Visalia went down to a crushing defeat at the hands of the Renegade second and third strings last Saturday night by a score of 59-0. The Visaliens were no match for the better trained and better equipped Bakersfield squad.

In comparison with last year’s squad, Visalia must be faced with a shortage of material. But they must be given credit for their courage. After the game, one Visalia player doubled up his fists and said, “Well, maybe we can’t play football, but we can fight.” Undoubtedly an Irishman!

“Wee Willie” was finally sent to the showers in order to save his brother’s financial standing. He gets a five-spot for every touchdown!

Eugene Ford, a star for Bakersfield, took all in, the men who played their first game against Visalia showed up remarkably well and it is to be hoped that they will see plenty more action!

The account in a weekly newspaper: “Spud’s heroes certainly showed that he is a hero.”

New Grid Machine

An altogether new type of grid machine is being used daily by “Spud’s” charges in the southwest corner of Griffith Field.

The machine first began to form two weeks before school opened when “Spud” and Herb Mcbratney were busy cutting time in the yard behind the school preparing for its erection. The principle of the new machine is to train players to the fundamentals of “submarining” and use of the hands on defense. At opposite ends of the machine are two 66-inch posts upon which are pads constructed along the order of shock absorbers. All linemen use this device to develop the defensive use of the hands and hips.

The middle section of the machine is composed of two pairs of bags suspended from cross arms. The bags are filled with approximately 100 pounds of sand and hang two feet and parallel to the ground. The purpose of this section is to develop the “submarining” tactics of the guards and tackles.

Many favorable opinions have been expressed as to the training value of Spud’s creation; steps have been taken toward patenting the machine.

FORMER ACE TO PRACTICE FOR RENEGADE TILT

A new grid team will be seen on Griffith field soon. Spud’s Renegades need some real competition, so he has requested some of his old stars to come back and show “em how it’s done! The new squad will have a couple of weeks’ practice and then pit themselves against Harder’s proteges.

Those former Renegade stars who are expected to get into the scrimmage are: “Bog” Dougherty, “Hig” Higginbotham, “Red” Mcbratney, “Hil” Stanley, “Pinhead” Mier, “Gorner” Smith, and other still unidentified men. More material is needed and questions as to grades, character, etc., will be asked if those wishing to join this outfit will just bring along their grass-knocks!

First Year Women Defeat Sophomores

The first-year women’s association defeated the sophomores after a hotly contested series of games.

The scores for the three games were: Tuesday, October 25, freshmen 9, sophomores 0; Wednesday, Oct. 26, freshmen 2, sophomores 6; and Thursday, Oct. 27, freshmen 6, sophomores 0.

Five-minute quarters were played by the teams.

Those who received points are as follows: Freshmen: Captain, Edna Dickinson, members, Evelyn Baldwin, Jean Christie, Kathryn Hawk, Anah Huime, Josephine Marek, June Olleson, Jean Shaw, Jocelyn Thomsen, Thelma Rankin, Beverly Smith, Beulah Allen, June Myers and Martha Marek.

Sophomores: Captain: Evelyn Anderson, Victoria Acliff, Margaret Bailey, Lottie Ellen Cave, Catherine Colborn, Hij Hollyman, Marie Long, Olive Sharp, Adele Thayer, Teresa Williams, Laura Zimmerman, Margaret Belit, Eleanor Mae Green, Barbara Shields and Margaret Nichols.

Corrective Class Has Novel Games

Instead of eating Grape-Nuts to keep neat, trim figures and cheerful dispositions, women of B. J. C. have adopted strenuous games of horse- playing, ping pong, and croquet.

Under the direction of Miss Law, a keen competition has been stimulated in the classes of restrictive and corrective gym activities. Already marked improvement has been made in the development of more athletic and attractive figures, and the encouraging of wider girth.

HARDCOREMEN HIT BY OLD MAN “FLU”

If you had seen Spud and Pete before the game Saturday night, you would probably have noticed quite a few of sweat dripping from their brows.

When the game time came Saturday night, a check-up revealed that seven men of the already diminished squad were ill with the flu.

Garing, Meedell, Van Osdol and Gacher, the first three of whom were supposed to start the Visalia game, were home in bed with the flu.

Hawkins, another player who had been counted on to start, was present, but he was in no condition to dress for the game. He had to satisfy himself by watching from the sidelines.

Black was also listed to start the game, but he had been ill all day Friday and was still running a temperature.

“Allen Miller” was feeling tough, the result of an attack of the flu, but because of the shortage of tackle he started the game anyway.

Besides all the sick players to worry about, the coaches also had a few in-questions to face. The three games included had only a few of the injured players was “B. B.” Sargent who suffered from an injured ankle.

C. Broadcast Pep Rally for Visalia Game

Over one hundred students attended the pep rally broadcast over station KERN last Friday afternoon. This rally, preceding the B. J. C. Visalia game, although not as boisterous as the one held two weeks ago, was equally successful.

New features added to the already spicy program of music and songs were a piano solo by Jack Mumford and a vocal selection by Dorothy Harpster with piano accompaniment by Harold Carlson.

Coach Spud Harder engaged Gribbin and Wilton, two members of the Renegade team, in interview. In conclusion, Harder made a short radio address upon recent measures taken to make football safer for the players.

BRIGHT FUTURE FOR BASKETBALL FORESEEN

Although basketball practice does not start for some time, many former junior college and high school stars, and many excellent prospects, will make up the junior college basketball team.

Of the foremost pre-season prospects are: Barrett, Balke, Benton, Hensch, Hawn, Hawkins, Gribbin, Harrel, and Robinson.

The schedule for the season has not yet been definitely arranged.

VENICE AHS DEFEATED BOTH SANTA MONICA AND SANTA MARIA

Next Saturday night, Nov. 6th, the Renegades will tangle with the Venice Pirates on the local field. In their last two games, the Pirates have emerged on the upper end of the score, defeating both Santa Monica A. C. and Santa Maria J. C., the latter by a score of 12-6.

The Pirates are an exceptionally fast squad, and reporters in their press of the local papers.

In their tussle with Santa Maria, the center of the line proved to be the Pirates’ weakest point.

Arnett and Davidson, two Pirate tackles, are stellar performers on the line, while Kalles and Cochrane are real ground-gainers from their backfield posts. Prices, Sparags and Lindsey are efficient blockers, while Reed, fullback, is a battering ram, and offensive and a sure tackler.

The starting line-up in their last game was as follows: LE, Minger; LG, Tuley; T, Arnett; C, Calder; RG, Kalles and Reed; RE, Babson and Sparagins; LI, Lindsey; RH, Kalles; F. Reed.

Harder Points For U. C. L. A. Frosh!

Coach “Spud” Harder foresees a larger star in the crown of his junior college Renegades.

The games played thus far have attracted more fans than ever before. The squad has met the best of the junior colleges and the men have given excellent accounts of themselves.

“Spud” modestly said: “I think the team is just getting started... better look out, U. C. L. A. Frosh!”

An 80-piece band, directed by Coach Arthur Schuttner, head of the Men’s Physical Education Department, will make up the band Saturday afternoon when Los Angeles Junior College and Compton meet.

The entire student body of the Sacramento Junior College spends $5,000 monthly or $51,000 each year.

NOTICE

All men wishing to compete in the Junior College Cross Country Run please report to Coach Harder immediately.

Although a definite date has not been decided upon, the meet will be held within the next two weeks.

All men planning to compete will be wise to start training now.
