Spring Picnic at Shell Park Today

Informal Dance To Be Given By Spanish Club

The secret is out and the mystery is solved. It is at last to become common knowledge—what “J. C. May 19” means. They had everybody puzzled for a while, but the secret has been revealed.

May 19 is the date set for the Spanish Club dance. It is to be informal and given in the Boy's Gym. The dance will begin at the usual 9 o'clock with Rees’ orchestra furnishing the music. A charge of fifty cents is to be made each couple attending.

Committees

The following people were appointed as a committee to complete the plans and make all arrangements: Leonard Mumford, Al Smith, Victoria Achin, John Hawkins and Kathryn Price.

The last meeting of the club held in the bungalow of Ludden Hall in the form of a depression party. Of course everyone knew how to act, but what would happen at a “boom” party?

John Hawkins was initiated with Leonard Mumford and Rodden Denninger in charge. They made it pretty hot—accusing the student body of being a little slow and some electricity, but he could take it, so he now is a full-fledged member of Los Angeles.

Boys Serve Refreshments

Another interesting feature of the party was the fact that the boys served the refreshments which consisted of sandwiches, salad, cake and coffee. (They didn’t wash the dishes, however, much to the disgust of the feminine members of the club.)

A short business meeting was held at which the members discussed plans for the dance.

Those present were: Victoria Achin, Margaret Bailey, Helen Clark, May belle Dabney, Thelma Davis, Gerald ing Graham, Kathryn Price, Margaret Belis, Miss Errol, Miss Ethel Perier, assistant; Willis Beckwith, Al lan Gardner, Rodden Denninger, William McMillan, John Hawkins, Miss Maudel, Leonard Mumford, Kelley Steele and Al Smith.

Nine boys at Oklahoma Agriculture College were fined $3 each for “filling up the air with odd noises” after police had accused warming for no other reason.

Eighty-Four To Graduate From Jaycee June 9

More than five hundred students will receive diplomas at the Commencement exercises June 9. This group will include over four hundred and fifty high school graduates and eighty-four Junior College graduates.

Several plans for the stage and its setting have been submitted, but the final selection has not been made. The Commencement speaker will be selected within the next two weeks. Glenn Bull, representative of the Junior College graduating class, and Ralph Qualls, senior president, will represent the High School.

At the meeting of graduates held on Thursday, the students’ measurements were taken for their gowns and caps. Several announcements concerning graduation were made. One announcement was made in regard to the payments for the caps and gowns.

The list of Junior College graduates

Bean Feed Planned By J. C. Men’s Club

An afternoon bean feed, accompanied by an evening of mellow music and dancing, is the present objective of J. C. Men’s Club. The Shell picnic ground has been selected as the choice spot for the eventful occasion which is to take place May 10, exactly one week after the student body affair scheduled for this afternoon.

John Hawkins, chairman of the committee in charge of the general arrangements, indicates that only a success is evident at this time.

President Ebert is making a constant reminder of the do-si-do situation, which is an important factor in making both the bean feed and a proposed string dance complete events.

At the last meeting of the club, Earl Sergeant was unanimously elected to fill the position of sergeant-at-arms, which was left vacant by “Shorty” Carroll.

It was also decided that freshmen, or one-year men, must wear a B-J-C cap as a term of initiation.

It isn’t too late, every male J. C. student still has time to join the club and become as popular with the campus “he-men.”

Semester Finals Slated To Begin Thursday, June 1

The old axiom “you may be able to drift it out, but can you take it?” has few worries for this student body, but if the above saying is reversed and made to read: “You may be able to take it, but can you drift it out?” then the worried looks on the countenance of many students these days can be understood.

All semester, students have been busy taking it in, but the day of retribution is near at hand, for on Thursday, June 4, at 9:45 a.m., the first “big gun” of the final examinations will announce that it is time for the Renegades and Renegades to get set.

The complete schedule for final examinations is posted on the bulletin board in the study hall. A brief regale of the schedule follows:

On Thursday, June 1, at 8:45 a.m. the following examinations will be held: English 1B (Gather); English 1B (Levinson); Mathematics 2B, ELEC.

Clever Art Design For 1933 Raconteur

An afternoon bean feed, accompanied by an evening of mellow music and dancing, is the present objective of J. C. Men’s Club. The Shell picnic ground has been selected as the choice spot for the eventful occasion which is to take place May 10, exactly one week after the student body affair scheduled for this afternoon.

John Hawkins, chairman of the committee in charge of the general arrangements, indicates that only a success is evident at this time.

President Ebert is making a constant reminder of the do-si-do situation, which is an important factor in making both the bean feed and a proposed string dance complete events.

At the last meeting of the club, Earl Sergeant was unanimously elected to fill the position of sergeant-at-arms, which was left vacant by “Shorty” Carroll.

It was also decided that freshmen, or one-year men, must wear a B-J-C cap as a term of initiation.

It isn’t too late, every male J. C. student still has time to join the club and become as popular with the campus “he-men.”

The apex of the college social season will be reached today, as the seniors of dear old J. C. don their hard-times clothes to take part in the spring picnic. Contrary to the Democrat-collegian predictions, the weather again becomes the sad and dominates the campus and classrooms. The picture gro- ther in front of Ludden Hall at 2:30 P. M. for the parade to Shell Park.

Swimming and Water Carnival

Although the stings of the early winter winds may still be felt, swimming and a water carnival will hold the interest of the first part of the summer. Forging away and perhaps, overlapping them will be various contests and games. In accordance with the name, “Hard Times,” the students are asked to furnish their own transportation and picnic supplies. All hardware, dishes and cups are left to individual judgment and need, while ice cream, cake and coffee is to be furnished for everyone by the student body.

Both the student body and faculty are cordially invited to attend. Those faithful, unlaunched souls, possessing no more than a few cents in their pockets, will be given food without charge, while all others will be relieved of 25c before entering. All regular meals in the residence halls will be charged, unless excused by the instructor.

Although the 4 per cent situation is now well in hand and the supply for the solution is now adequate, the probability of its finding a place on the menu is slight.

However, to accommodate those feeling the urge, river water of the same ingredients can be had in unlimited quantities.

The gale festival will be brought to its peak as the picnickers conclude the evening, dancing to the beat of “The Revelry” and “The Collegians.”

Well, I gotta go now, thanks for listenin’ in.

—DR. CDMAN—DELAULT

Doctor Frank C. O’Shaw, who was scheduled to address the combined Orientation 1B and 2B classes last Wednesday, was unable to appear due to illness. He is scheduled, however, to appear before the combined groups on Monday, May 27, at 2:30. Classes will be excused. Regular Orientation classes will be held as usual on Wednesday, May 29.
Science Fraternity
Hears Bob Russell

Holding its regular meeting, May 18, the Beta Xi Chapter of Psi Upsilon also had the opportunity to hear Bob Russell, an automotive engineer from Detroit, who recently graduated from the University of Michigan. Mr. Russell gave an interesting account of his work in the automobile industry and spoke on the various aspects of engineering involved in the design and manufacture of automobiles.

Ripping the News

Joe Blow's Notes

Well, spring is well under way and I must confess that I greatly enjoy the warmer weather. The world is brighter, and life is more enjoyable. The trees are budding, the flowers are blooming, and the birds are singing. It's a perfect time to go outside and enjoy the outdoors.

Because they proved too popular with the new students, three classes were canceled this week. The students seemed to enjoy their new class and I'm sure they will look forward to it when it resumes.

A course in marriage is being offered at the secretarial school. It is designed to teach the students how to handle difficult situations.

As for the current events, the President's speech was well received. It was informative and engaging. The students are looking forward to hearing more from him.

On Friday, June 2, 4-6 p.m., a public speaking competition will be held in the Student Union. It is open to all students and faculty members. The prizes are a $50 gift certificate to the bookstore and a certificate for perfect attendance.

On Saturday, June 3, at 7 p.m., the annual dance will be held in the gym. It is open to all students and faculty members. The theme is "Dancing Through the Decades," and it promises to be a great night.

Orchestra Presents Its Annual Concert

The Warren High School Orchestra will present its annual concert on Wednesday, June 1, at 8 p.m. in the auditorium. The concert will feature a variety of music, including classical, contemporary, and jazz compositions.

TENOR
ANNUAL TENNIS TOURNAMENT TO BE HELD ON SUNDAY MORNING

PERCY CHAMBERLAIN, SINGLES CHAMPION, FAVORED TO KEEP TITLE

DR. KELLOGG NOT COMPETING

The Bakersfield annual singles tennis tournament is slated for Sunday morning, May 14, at the Jastro Park tennis courts. The defending champion in the men's singles is Percy Chamberlain of the J. C. science department.

Percy Chamberlain won the championship last year in a marathon battle with Doctor Kellogg. This year Kellogg will not compete, and the racketeers favor Chamberlain to win.

The Junior College should be well represented, J. W. McDaniel of the faculty is expected to enter. There may be the bump that will knock the crown off Chamberlain's head.

Bob Perry and Allan Garber will probably enter and they should make a good showing. Al Price, last year's J. C. valley doubles champion, will not enter, which is a blow to J. C. hopes.

The tournament is sponsored by the Bakersfield Tennis Club and those wishing to enter may do so at Lake's Tennis Shop at Jastro Park. The entrance fee is 50 cents and three tennis balls. The winner of each match takes the new ones and the host takes the old balls. The deadline for entries is 5 p.m. Friday night.

Y. M. C. A. HAS OUTING AND OYSTER FEAST

Members of the Junior College Y. M. C. A. and their girl friends enjoyed an outing and an oyster feast at the mouth of Kern Canyon, on Thursday evening, May 4.

Games and swimming were the major distractions of the first part of the evening, and after the feed the group adjourned to a nearby hilltop, where Mr. Sagen gave a very interesting lecture on astronomy, which he illustrated by means of an electrically illuminated chart.

The Y. M. C. A. is also planning a trip to Mr. Sagen's cabin on White River in the near future. A final meeting will be held here last part of the month. Officers for next year will be elected.

Rev. Charles E. Coughlin, Detroit pastor, declares that America is the "greatest pagan nation the world has ever seen."

He—How's your companionate marriage coming on?

She—Not so good. I lost my wife's address.

Curious Old Lady—"Way you've lost your leg, haven't you?"

Cripple—"Well, darned if I haven't!"

THIRTEEN TRACK MEN WIN AWARDS

The following men have earned their letter for the first time in track:

Tom Dickey, cross country runner; Marian Morton, mile and 2-miler; Bob Barrett, high hurdler; Newt Summers, pole vaulter and quarter miler; Jim Cutshall, javelin; Jerold McCall, quarter and half miler; Hugh Gibbons, discus and quarter miler;

Three other men, veterans on our local track, and lettermen from last year, have again won the award. They are:

Herb Martin, stellar mile and 2-miler; Tony Ozanich, low hurdler, broad jumper, and relay man; Bill Yarnold, high jumper, pole vaulter, and high hurdler.

The rules formed by this institution will determine which events are run. The letter will be given to the holder upon scoring 2 points in the Valley Conference meet, or 10 points in dual meets. Five points in a dual meet are considered the equivalent of one point in the valley meet.

BICYCLE PARTY IS ENJOYED BY STUDENTS

A group of J. C. students held a bicycle party at Bellevue. 

Thursday night, May 4.

At the welcome, the students enjoyed their box lunches, which they had wrestled with on their bicycles. From all reports it seems as though most of the students needed pillows, before they reached home.

Those who attended the party were: Beatrice Allen, Lucille Jennings, Beverly Ballagh, Jean Christy, Helen Clark, Marjorie Collins, Janene Echene, Frances Echene, Esther Halter, Ferri Douglass, Lulu Johnson, June Myers, Norma Bargartner, Mary Kay Davis, and Irene Degen.

Those who did the cooking, carried the lunch, and any other sort of labor were: Laurence Elwood, Jerrell McClure, Richard Broders, Louis Diger, Lowell Ball, Bob Perry, Swalow Feland, Bud Thompson, Peter Kump, Gail Meyers, Fred Jansen, Eugene Ford, Charles Linnell, Charles Newbury, Kenneth Uren.

ALPHA GAMMA SIGMA TO GO TO YOSEMITE

Alpha Gamma Sigma will take its annual trip to Yosemite the first week in June, and four days on the mountain will leave Friday, May 19, and will return Sunday, May 21.

The International Week the organization plans to give an assembly. Their speaker for that meeting has not yet been selected.

Alpha Gamma Sigma also plans to give a moon dance this month, but the date has not been decided upon.

NINE MEN TO REPRESENT B. J. C. TOMORROW IN FRESNO RELAYS

W. A. A. GIRLS GO ON BICYCLE RIDE

Bicycling on the bluffs furnished the latest adventure for the members of the Women's Athletic Association. Many of the girls enjoyed it so much that they walked all the way up to ride down again. The ride down China Grade was reported to be extremely thrilling and well worth the walking.

The prize spurs of the meeting were taken by Virginia Achin and Helen Knight.

Refreshments were in charge of Kathleen Burnquist, chairman, Margaret Hanawalt and June Baker.

Members of the club who participated were: Helen Knight, Elizabeth McGinn, June Baker, Virginia Achin, Evelyn Baldwin, Evelyn Schmidt, Lois Zimmerman, Margaret Nicholson, Anahat Halder, Kathleen Burnquist, Margaret Hanawalt and Lottie Ellen Caves.

Guests were: Miss Isabel Rutherford, Miss Marion Nielsen, Miss Vera Galloway and Virginia DeLacey.

M.E.T. TO BE HELD AS PART OF ANNUAL RAILROAD FESTIVAL

Expect Places in Relay, High Jump

The C. C. end-burners will leave Bakersfield tomorrow morning for the Fresno Relays, to be held in that city as part of the annual Railroader Day Festival.

The team will compete in the J. C. class with nine men representing Bakersfield.

The one-mile relay squad is made up of the following men: McColl, Ozanich, Summers and either Gibbons or Barrett.

Each of the above men will run one-fourth of a mile.

The two-mile relay squad is made up of McColl, Perry, Garrett and either Ozanich or Gibbons. Each man in this race runs two laps or one-half mile.

Field events have been held back a good deal by colds, etc., but it is expected in Saturday he may run a half in the above-mentioned race. In the field events, it is expected to give lots of competition in the high jump. He will also compete in the pole vault.

Should any enter in the pole vault, Barrett will act as high timer-topper.

Coach Bliss is a little pessimistic concerning the possible results of Bakersfield's endeavors, but believes that we may place in the two-mile relay and the high jump, which won't be doing so bad considering the competition encountered.

Let's see if many B. J. C. students as possible be there to encourage our boys.

Good luck men!

We suggest that since Chase and Sashen are eating their coffee they should also date Eddie Gastro's jokes and when they're more than three years old, take them off the air.

The coming of beer is not a setback, but an aid in the fight against the repeal of the eight amendment, declares the Rev. Mrs. Alice Allen, retired.

"Are you a doctor?" the sweet young thing asked the youth at the soda counter.

"No," he replied, "I'm a fiascian."
