SPUD HARDER'S MEN DISPLAY
FINE OFFENSE AGAINST
HEAVIER TEAM

Displaying a wonderful offensive, whizzing, darting and plunging through the line, Coach "Spud" Harder's fighting Renegades walked away from the U.C.L.A. freshmen "Babes" on Griffin Field Saturday evening by a margin of 20 to 6. The Bruins were unable to check the charging Bakersfield team when they had once started on a drive. However, they exhibited a wonderful-offensive team in the form of a backfield made up of Spaulding, Harson and Williams.

Morelli Stars

Several of the Renegade men were outstanding throughout the game. Morelli displayed exceptional running power and accounted for a great portion of the yardage. Nate O'Brien got away some nicely placed kicks. Lewis and Ford accounted for all the Renegade touchdowns. Both were consistent ground gainers. Thornton and Schroeder, the latter not yet well known, were always "where the team needed them." They were through the Bruin line like bullets smearing the "Babes" for losses.

Former Renegades
Star on New-Teams

Like John Brown's soul, many ex-members of Renegade teams are continuing to make a name for themselves in the pigskin world. Take "Wes Willie" Willson for instance. This human dynamo, who was a star on last year's eleven here, is now outstanding as a left halfback on the U.C.L.A. varsity. He played a fine game in the Bruin vs. Loyola contest, and in fact, has done consistent playing in every UCLA game this season.

His name is legendary in being "R.C. L.A.'s" Warburton.

O'CONNOR

Bob O'Connor of Bakersfield has been in every Indian game this season. In the recent game with Northwestern, he held down the left guard position for 87 minutes. Reports from the Farm say that he has been playing a wonderful game as indeed he must have to hold that tough post on the Redskin squad.

GRID STARS

MORELLI

Another flashy backfield man is Morelli, shifty, fast, and long on headwork. Playing a left halfback position, he has galloped for many a yard for this jumbled college. On defense, this elusive half handles the safety position to the extent that he presents a definite factor to be reckoned with when an opposing team starts an aerial attack via the boot. He is well-known to the fans of Bakersfield, having been the "ghost" of the Driller backfield for some years before his advent into the Renegade backfield.

LEWIS

Some of the best material on the 1933 Renegades is from out-of-town schools, according to some of the records that have been hung up this season. For instance, Lewis, the fullback who smashed down those short thrusts of the Long Beach Vikings, was the big shot of that game as far as running up yards was concerned. Inference has been given this season, his line-bucking has been a strong feature of our offense this year. He is a Hanford product, having seen about four seasons' active service with the Bulldogs.

BETTENCOURT

Betterknown, who is a Hanford star, is the flank bulwark, playing right end. He has been a team that seems to be born in a man to not only where a ball is thrown but also to hold onto it and then keep moving. Like Lewis, he is an all-valley player. Both are products of Coach, Henry, "Andy" Anderson. He is a steady, consistent end, and a tough one, for anybody's opposition to handle. The performance which he demonstrated in the Bruin game is not exceptional, just part of the day's, or night's work.

THORNTON

Speaking of consistency reminds us of Ross Thornton, fighting 165-pound center. Despite his comparatively small stature, Thornton is holding down what is considered one of the most difficult positions on the team. It takes a man of fine co-ordination plus an unbeatable gait to act as a pivot. This is especially true in the offense used here. Thornton's demon defense ability is remembered from the Taft game of last year. Who can forget that it was he who broke through the Taft well-seven times to stop a Wildcat series of drives?

City College Chosen for New Yell Leader

Fred Clayton was elected president of the engineering club at a meeting last week in Mr. Taber's room. Other officers elected were: Jim McDonald, vice-president, and Carl Fayermuth, secretary-treasurer. A trip to the power house in Kern River Canyon was planned as a social tour. Secretary-treasurer, Ray Biddle, was taken to decide the supreme leader. George obtained the greatest number of votes, making him head cheer instillator.

Officers Elected By Engineering Club

George Meyers was elected yell leader, to fill the vacancy left by Red Norton, last Wednesday in a special student body meeting.

After tryouts by the three candidates, Dave Hollis, Leonard Moon, and H. B. Satter, a standing vote was taken to decide the supreme leader. George obtained the greatest number of votes, making him head cheer instillator.

WE HAVE A FOOTBALL TEAM

After the showing just Saturday night by the Renegades, the student body can point with pride to Coach "Hidden" Harder's aggregation and say: "We have a football team!"

...No one who has seen that game can deny that the 1933 Renegades are going south on November 19 and give the Los Angeles, C.C., Bulls the toughest battle of their career. Not satisfied with the 26 to 6 home streak scored from the "Ridiculous B" (LU C.C.), the "boys from the desert" are out for more meat, and, who can tell they may bring home a nice Cuck steak.

The squad will trace in all the remaining games of the season, with the exception of the Taft game on November 19, when the Cougars come here to crown the annual struggle with the Renegades.

Since most of the remaining games will be away from home, it is urged that anyone going to the games and having room for the trip ride in the Renegade Club car as many as possible.

We incidentally would like to see full cooperation between the Renegade Club and the Student Council. The trip will cost $5 per person, which we think is a fair price.
ASSOCIATED MEN STUDENTS TO HOLD STAG PARTY TOMORROW

EXHIBITION BOUT WILL BE FEATURE OF "SMOKERS' SMOKER"

Professional wrestlers will stage an exciting wrestling-entertainment program for men students tomorrow at the A. M. E. smokers' smoker in the boys' gymnasium. The program will be held at 7:30 and opens with the Super Bowl. This event will be the only scheduled event for the boys' gymnasium.

The program will feature a series of wrestling matches, including a match between the A. M. E. smokers' smoker and the College of the Pacific's smokers' smoker. The matches will be held in the boys' gymnasium and will be open to the public. The program will also feature a variety of wrestling-related activities, including a wrestling exhibition and a wrestling tournament.

RENEGADES TO MEET TARTARS ON HOME FIELD NEXT SATURDAY

GAME IS CHANGED TO HOME ENCOUNTER AT LAST MINUTE

The Bakersfield Renegades intend to make it easy this time for their visitors. As a result, they meet Oakley Morris’ Tartars from Visalia J. C. on Gridiron Field this Saturday evening. This is the Renegades’ second conference game of the season, but is expected to be a good contest between two strong teams.

According to the Renegades, the game will be a hard-fought battle, with both teams playing at their best. The Renegades have been training hard for this game, and the Tartars have also been working hard to prepare for the match. Both teams are expected to put up a good fight, and the game is sure to be a thrilling one.

REPAD HARDER is Renegade Coach

For Five Years

Spud Harder is the head coach of the Bakersfield Renegades. He has been with the team for five years and has led them to many victories. He is known for his aggressive style of play and his ability to motivate his players. His team has been consistently ranked among the top teams in the country.

Gridironies

There’s one football team where the starting lineup is picked by the players themselves. This is the case at the Renegades, where the starting lineup is decided by a vote of the players. This year’s starting lineup was chosen after a vote of the players, and the team is confident that they have a strong lineup for the season.

SMITH

Another former star of the Renegades who is doing great things is West Point head football coach, Charlie Smith. Smith was a star player for the Renegades in the late 1920s and early 1930s. He was a key member of the team that won the 1930 state championship. Smith is now the head football coach at West Point, and is currently ranked as one of the top coaches in the country.
OPTIMISTIC NOTE IS SOUNDED BY PRESIDENT HART

"L.A.J.C. Is a team of enlarged Goliaths," Harold Hart, President of the A.J.C., said the other day, "This group of gentle Samsonse." he continued, "Didn't get too tough reading fatman stories. The smallest man on the team 8.75, in, and they have to hold him up to hear signals, as a tough game may be expected. They are tougher than a fifteen cent steak. These lads generally hit so hard they break their horses.

"Don't be discouraged by the size of the L.A. Team, though, our team isn't made up of grammar school children. You know the bigger they are the harder -- I'll fill that in after the game!"

RENEGADES VS. CUBS FRIDAY

(Continued From Page 1) McSheffrey, right tackle, is another sixfooter weighing 195 pounds. "No" he being booked by L.A. metropolitan sports writers for all conference selections.

"Chet Berry, right halfback, is an intrepid blocker and accurate long-range passer and should see plenty of action tomorrow. He is six feet tall and weighs 174 pounds. Earl Kraft, left halfback, is also a blocking back. Kraft stands 5 ft. 11 in. and weighs 165 pounds.

"Tom Hexom, diminutive quarterback, is a newcomer to the Cubs this year, and is good at running back points. He is the Morelli type, stands 5 ft 5 in, and weighs 140 pounds. Kyle Young, offensive end, is a constant menace on offense as well as defense. He is another six footer and weighs 185 pounds.

Although batting odds in Los Angeles at the present favor Spud Harder's Renegades it will take a charging line capable of absorbing punishment to score on the experienced Cub forward well.

"Located a number of the following men will start the game: Thornton, Center, Sargent, Guard, Denmon, Tackles, Foro, Guard, and halfback. The outstanding player for the Cubs, scoring their only touchdown, and accounting for most of their yardage gained. Both teams will share honors as state champions.

"Clifford, Lewis and O'Brien were the so-called "iron men" of the Renegade squad, playing the entire game. The entire Renegade squad made the trip to the southern metropolis.

RENEGADES RATTLE CUBS 7 TO 7 TIE

Morrell Races 70 Yards For Renegades Only Score

With Morelli's 70-yard run for a touchdown as the highlight of the game, Coach Spud Harder's fighting band of Renegades battled to a 7-7 tie with the Los Angeles J.C. Cubs on the Southern field Friday afternoon. The game developed into one of the hardest fought junior college games ever witnessed in this state. Ed "Bucky" Bostwick, fullback, was the outstanding player for the Cubs, scoring their only touchdown, and accounting for most of their yardage gained. Both teams will share honors as state champions.

STUDENTS URGE TO FOLLOW TEAM

(Continued From Page 1) "As this is the Renegades' first game away from home, they will not have the comfortable feel that they have on their own field. But the students can make the team feel some of that comfort if they will follow them south tomorrow."

RENEGADES TO TANGLE WITH TAFT COUGARS

Help defeat the West-Siders.

TAFT MUST BE BEATEN... HELD THURSDAY

Passing attack planned for Saturday evening.

Air lanes above Griffith Field, it is planned, will be crowded 4th daylight if the Renegades make their usual offensive drive against the Taft Cougars Saturday evening. "Although we are concentrating on fundamentals such as tackling and blocking, we are now working on a passing attack something we have little exploited thus far in this season," says Spud Harder.

"The Renegades are hungry, and Spud Harder is a stable figure among the visiting teams. "As long as we can keep our defense sound, we should be able to beat them," he continued, "but a great deal more practice will have to be put into the work if we want to win the game.""

Our professionals are going into the Renegade reper- toire, and the old ones are undergoing nightly furnishing. Passers of Bakersfield and Taft are scheduled to see both teams at the height..."
ARTY ROBINSON WINS CUBS 4-2

The Taft J. G. H. A. workers have emerged victorious in the fourth game of this season and a real battle is anticipated when they meet the Renegades at Gridley Field Saturday evening.

It is said that scores have fluctuated very little during the first four games, and that the same interesting scores will be repeated by the Cub team. The Cub team, which is winning in all the major categories, has a score of 50 to 60 while the Renegades defeated them by a score of 70 to 80.

Taft suffered its only defeat by the University of California Froshmen team. The northern squad scored 14 touchdowns in the last 2 minutes of play against a cinder block in the final score of 50 to 6.

The Fresh defeated E., J. G. 15 to 10.

The Los Angeles team in Bakersfield, fought to a tie with the Renegades last week. The taft team was lost by the Fresh boys of Taft, 10 to 0. The squad was defeated by a score of 5 to 0.

The Thanksgiving season is here again, bringing with it a renewed spirit of gratitude and a sense of good fellowship. A new wave of Optimism has been swept through the land. Young America has been won over to a philosophy of hope and progress.

The pessimists had been defeated. The Guardians of the past had fallen before the storm of change. The old ideas and ways were giving way to a new and nobler ideal in the world of thought. It was a day of triumph for the forces of progress.

In Washington, the President delivered his annual message to Congress, and the nation rejoiced. For the first time in many years, the nation seemed to be moving forward, with a sense of purpose and hope.

The students of the Baskerville Junior College were, of course, deeply interested in the news of the day. They gathered in the library to read the latest reports and to discuss the implications of the President's message. It was a night of excitement and hope for the future.

The news of the day was not all good, however. There were reports of a new and dangerous disease that was sweeping the land, and the students were warned to take precautions to prevent its spread.

Despite the challenges, the students of Baskerville Junior College were determined to move forward, to see the world with a reason to be hopeful, and to make a better tomorrow for all.

Roger Dennen, one of the unsung heroes in the Renegade line, is playing, weighs about 180 pounds and is one of the most consistent players on the squad. He is tall, dark and handsome beside being something of an electrician. "Hack" Dennen is now completing his second year on the team, is a veteran from the high school teams, and comes from a family of football talent. His brother, Vernon, his father, and an uncle have all stamped their names on the gridiron sport.

**Newcomers To Conference Boast Powerful Passing Attack**

Coach Spud Harder's Renegades will travel to Reedley next Saturday, November 25, to battle Coach Moorhead's Reedley junior college football team. Reedley's team is a newcomer to the Central California Conference this year. Despite the fact that this is their first football team, they boast of some powerful material.

The northern aggregation has a wonderful passing attack and performs a great deal of open field playing. In a game with Taft J. C. they scored two touchdowns on passes and will probably use just as much attack against Bakersfield. The final score in the Taft game was 42 to 12 in favor of the west-siders.

...Ogami, flashy halfback of the Mor-eli type, accounts for a great deal of open field running and will no doubt present plenty of action in Saturday's game. Hammerstein, right half, and a member of the California frosh team last year, is the back of the team. Wall, fallback, is another heavy man, and is a strong ball-carrier.

Providing the Renegades carry out their excellent defense and offense work as in the Taft game Saturday evening, they should defeat the northern team.
