COACH HARDER GOES TO SANTA BARBARA

By MURRAY ARNOLD

It is with a great deal of regret that we find we are going to lose Coach Spud Harder, the man who put the Renegades on the high grid pedestal they now occupy. For four seasons straight, the Renegades have won the championship. Some of the toughest competition in the state has been met by the local grid machine: Santa Clara Fresh, Stanford Fresh, L. A. J. C., Long Beach-C, Modesto J. C., U. C. L. A. Fresh and many other high caliber teams.

And when Spud came here, he found a team almost afraid of its own shadow. With a small amount of material each year, he has built football eleven that were apparently willing to take on the best. Each year he has kept the pigskin machine here, Bakersfield saw increasingly brilliant work.

WARNER SYSTEM NATURAL

The Warner system was the natural thing for Spud to teach his men. Under the "grand old man" of Stanford, he had become an All-American, Coach Spud Harder, the man who put the Renegades on the high grid pedestal. A semi-formal dance will be held here Thursday, and Friday, with the Bakersfield Junior College's farewell to Spud Harder and its welcome to Jack Frost.

"This is the opportunity to show our appreciation for all that Spud has done for us and to wish him the best of success at Santa Barbara," said Eugene Ford, president of the A. M. S., and Earl Sargent, Varsity Club head, who are in charge of arrangements.

ENTERTAINMENT

Details of the program for the banquet are not yet complete, but it is assured by those in charge that the entertainment will be varied and interesting.

Miss Grace Bird, dean of the junior college, will act as mistress of ceremonies.

Music for the dance will be furnished by Jack Rees and his Gentleman.

PLAN BANQUET HONORING SPUD HARDER, FROST

DINNER, DANCE WILL MARK FAREWELL TO SPUD AND WELCOME TO FROST

Honoring Coach Spud Harder, who leaves sometime during May to take over the reins at Santa Barbara State, and Jack Frost, who will succeed him for the Renegades, a dinner and dance will be given by the A. M. S. and the Varsity Club on Thursday, May 10.

The banquets will take place in the Elks' Club and will be followed by a semi-formal dance which will take place in the university's club.

PRICES

Prices for the dinner will be $1.00 per person. No extra charge will be made for the dance which follows.

The affair will mark Bakersfield Junior College's farewell to Spud Harder and its welcome to Jack Frost. "This is the opportunity to show our appreciation for all that Spud has done for us and to wish him the best of success at Santa Barbara," said Eugene Ford, president of the A. M. S., and Earl Sargent, Varsity Club head, who are in charge of arrangements.

Varsity Club Hop

Set for April 20

The annual Varsity club spring dance will be held in the boys' gym, with Jack Frost and Jack Rees and his Seincilliating Rascalas providing music for dancing. Plans for the affair were made at a meeting of the Varsity club last Friday, with Earl Sargent in charge. Sarge has promised that this year's Varsity club dance will be the social event of the season.

McDaniel Speaks

For Woman's Club

J. W. McDaniel, psychology instructor, spoke before the Bakersfield Women's Club last Monday afternoon. The topic of his talk was "Types of Men."

The program included solos by Kathleen Cassidy and a one-act play, "The Gift," presented by the high school honor dramatics society under the direction of Miss Ethel Robinson.
Student Council Begins Research

A series of questionnaires has been distributed among Pomona College students to help the Research Council. The purpose of the questionnaire is to discover the possible value of a social and scientific trends in the college with the hope of increasing the social and scientific knowledge of the student body and improving the welfare of the students in the individual and collective attainments.

The research council is headed by Laura Amos and includes Robert Ely, Barbara Mangles, Fredrick Ballewshor, Charlotte Patti and George Hefley. Any student interested may join the study.

The results of the questionnaires important to be published at the end of the year.

LIVING IN THE PRESENT

(Below is an editorial, written by Janet Baysley of Conquest Junior College, which caused quite a stir at the California Jaycees Teen Convention.)

Did you ever find yourself walking alone while you were perhaps brought up with a round turn by running into something and hearing somebody say: "What are you going for?"

Many of us, in fact, let's face it, are doing this all the time. We are apparently neglecting ourselves about the work of the day, but the duties we have made, the hash that has pursued us, the hard work we have put in, even as we so far as to focus on a single question, which so we could mistake our place that some constituency unappreciately believe that they had been sent in, in the interest of the people, and that if we had taken up another occupation, they would be today successful and—

The double, of course, is the problem of a wholehearted problem.

Coping with the fact that even if we could the people we should have saved to the need, and figuring the fact that the backward glee only puts us in the way of stumbling over ourselves, to it seems pertinent when we find ourselves eating more than an occasional glance into the paid, in bringing ourselves up with the shoe. "Look where you're going!"

RENEGADE RIP
B. J. C., Taft Tie For Second,
Santa Barbara St. Cops Meet

Well-balanced meet competition is keen

With Bakersfield and Taft Junior Colleges tying for second place, Santa Barbara State College won the track and field meet held in the bowl Field Saturday evening before a fairly large crowd. Santa Barbara tallied a total of 144 points; Bakersfield and Taft, 41, and Visalia, the other competing junior college, followed closely with 36½ points. As the scores indicate, the meet was well balanced and competition was keen between teams.

The Renegades were somewhat weakened without Triguro, who did not enter the meet. Had he participated, a number of points might have been added in the pole vault and high jump.

Bob Young, star broad-jumper and runner, was the high point man of the Renegades, placing first in the high jump, 220-yard run, and the 440-yard run. Young is only a freshman, and track fans will no doubt look forward to his action next season.

The Bakersfield relay team, made up of Morton, Bailey, McCollough, and Young, nosed out the Taft relay team to take first place. Morton, giant Renegade hurdler, came in a few strides ahead of Rioridan of Taft, to win first-place in the low hurdles. Morton and McCollough, mile and half-miler, respectively, made a fine showing in the meet. Morton took first place and McCollough a second place.

SPORT SPURTS

By RENO ZANOTTO

Well, well. We're all looking forward to the next Saturday, with much impatience. It's hard to tell just whether Bakersfield has a chance against Taft or not. Bakersfield looks better. But in the meets so far, Taft has had better results. Wait till Saturday.

Had Triguro attended last week's meet, he would have tallied enough points to win the meet. He has proved quite outstanding in meets this season, but wait till next season.

Bob Young is winning a name for himself in the broad jump event. As a matter of fact, he has been doing well for several years. His records are as high as many of the large universities have recorded.

Fresno State College freshmen didn't appear so easy taking as was expected several weeks ago. They had a team—and what a team. Imagine a freshman vaulting 13 feet 7/8 inches. Young, themen didn't.

Somehow or other, spring practices have come and gone. Little was said. We know there's a football team however.

high jump. Throp of Taft, or Morton of Bakersfield should break the record in about 4:36. Young of Bakersfield has run the 440 yard dash in 55.3 this season and should break the record. McCollough of Bakersfield will not doubt win the 440-yard run. Throp of Taft will probably make a new record in the two mile. Unofficially he has already broken the previous record in about 3:30. Young of Bakersfield has broad-jumped this season about 23 feet, 8 inches, setting a record for the conference.

Fresno Frosh In
Win Over B. J. C.

Defeating the Renegades 23 to 57 Saturday afternoon, April 14, proved to be a man's task for the Fresno State Frosh track team. The small turnout of fans hardly justified the high class performances of the members of the frosh team, as was felt. For instance, Bob Young bettered his own mark, and any that has ever been made here in Jayaee competition, by leaping 22 feet 13 inches, bettering three inches than anything he has done before. These performances were equalled by Bill Benton, who won over the 120-yard hurdles in 15.2.

Perhaps the most thrilling dash was the 880-yard duel between McCollough and Graziano of Taft, during most of the race, both men were neck and neck until within a few feet of the finish line. Graziano, in a heart-tearing burst, finished first to be clocked 2:03.5.

In the afernoon a high hurdle classic between Bob Benton and Boller of the Frosh, both were crossing the bar abreast till the last hurdle was topped. Bill, with a couple of husky strides, pulled into a slim lead to nose over for first place.

Triguro, Renegade high point man and Jennings, the Tulare Express' man, tied for second in the 440 yard dash.

The Renegades were somewhat weakened without Triguro, who dominated both the hurdles and the 100 yard dash.

Bob Young set the pace for the frosh class performances this season and should break the old record. McCollough of Bakersfield will not doubt win the 440-yard run. Throp of Taft will probably make a new record in the two mile. Unofficially he has already broken the previous record in about 3:30. Young of Bakersfield has broad-jumped this season about 23 feet, 8 inches, setting a record for the conference.

SPRING PRACTICE OVER

Although Coach Jack Frost is reported to have made some mighty efforts to prevent it, the 1515 spring training has drawn to a close, in a sort of natural death.

Lack of men turning out was given as the reason. The majority of the men on the team were either in the armed services or away at college. The annual spring working over—Jack did not feel that the men were getting enough out of the nightly sessions. Perhaps a large crowd should turn out for the meet.
