by the Babcock Cover Co., but the
design will not be revealed until May 19. Other work has been done by the
Commercial Arts and Engraving Co.

At French Club Party

Bridge and other card games were
played at the party of the French
Club Thursday evening at the bunga-
lof Lucien Hall. Refreshments
were served by Misses Pat Weson
and Geraldine Weston. A novel end-
ing was attained by having the mus-
ical part of the gathering do the
kitchen work.
Those attending were: Miss Franz,
Miss Pat Weson, Gerry Hesten,
Louraine Spradlin, Annette Buck-
land, Alice Bradford, Beverly Jen-
nings, Dorothy Byers, and Homer
Stutzman.

Brother Leo
Of St. Mary's,
To Talk Here

Climaxing the series of outstanding
speakers which have appeared at Bak-
erfield junior college during 1939-40,
Brother Leo, "the Pacific Coast's most
popular lecturer," will be presented to
the student body, fifth period on
Thursday, May 21.
Brother Leo, former chancellor of
St. Mary's, is credited with having
developed oratory to an art which has
never been surpassed. As a speaker for the University of Califor-
nia extension service his services have
always been in such demand that he
has been unable to accept many speak-
ing engagements.
Because of his exceptional abil-
ities as an orator, Brother Leo has
been made head of St. Mary's public
relation council.
"Brother Leo's subject will be either
"Living Upstairs" or "Ideal of Com-
plete Living."

One Act Play
On Program For Friday

Candidates Will Be Presented
After Dramatists Show

"Sham," a one-act play now in re-
hearsal, will be presented to the stu-
dent body at the May 15 assembly.
Business of the meeting includes the
presentation of candidates for student
body offices.
The play, a social satire, deals with
the problems which a very discrimi-
nate thief encounters when robbing
some of the fashionable suburbs of a
city. The part of the thief, gentle-
man of rare taste, is played by Jack
Smith. The occupants of the home in
which the thief can find nothing worth stealing, are
Charles and his wife Clara, played by
Daly Goldberg and Patricia Fenton.
Jim Stutzman, the reporter, com-
municates the cast.
The play will be directed by Dr.
Viola Evans, Dramatists Club advis-
er, with the assistance of Betty
O'Brien.

Candidates for student body of-
ficers will make their introductory
speeches before the assembly imme-
diately following the play. All can-
didates with full petitions are re-
quested to be back stage at 10:40
Friday, according to the program
committee.

MAY 22 DATE
FOR PICNIC AND
TRI-CLUB DANCE

Picnic Will Be Held at Jastro
Park; Dance at Gym

As one of the year's concluding
activities the executive council an-
nounces the annual picnic day, to be
staged Friday afternoon, May 22, at
Jastro Park. In addition to evening
the "Tri-Club" dance will be staged
in the boys' gym.
The picnic, which has become tra-
ditional, is staged for the student body and therefore, fee charged to
attend as the expenses will be met by
student body funds.
Ronald Clark has been put in
charge of the affair, and Jess Jones,
Ed Moer and Harold Shefer have
been named assistants in planning
and supervising the various games and
activities of the afternoon. Of course
the food will be plentiful.
That evening three of the campus
dramatic clubs unite in a "Tri-Club"
dance. Those clubs assuming this
responsibility are the Camera Club,
Alpha Gamma Sigma, and the French
Club. Preparations for the dance are
under way and are under the direc-
tion of the presidents of the
three clubs, Marie Nichols, Jim
Stutzman and Patricia Weson. It is
understood that 50c per couple will
be charged for the dance.
It is believed that by holding the
picnic at Jastro Park more persons
will be able to attend, including bus
students who would otherwise have
no way of traveling. The picnic will be
held further from the junior college.

Bliss Enters Relay
Team in Fresno;
Hopes To Place

Four speedy relay men will be the sole representatives of Bakersfield Junior College at the eighth annual Fresno Relays to be held this Saturday in the state college stadium.

The four selected, Poulogianis, Walker, Mohr and Avilez, along with six other Renegade "spikesters" who are going "merely for the ride" are entered in the mile school college relay but are given scant hope of placing.

They should, however, hold up their heads if they do well enough to place.

Spring Football Practice for 1936
Is Concluded

Spring football practice for 1936 is over, but the 21 pigskin aspirants that reported those nights weekly to Coach Frost bring loud hopes that Bakersfield Junior College will successfully defend its 1935 football championship.

No special maneuvers were given the team that, unfortunately, were strenuously stressed. Coach Frost has always been a strong advocate of sound football, rather than the flashy type of play some teams employ.

During the recent sessions "Jack" experienced with the Warner systems of play. Henceforth, the Notre Dame formations have been used by Frost-coached teams.

Practice this spring "fitted only three weeks, but during that period Frost believes he has built a good nucleus for next year's Renegade eleven.

Steady Losers

A summary of the 1936 track season for Bakersfield Junior College reveals that the Renegades team never came out on top during the entire season. The men's team, coached by Percy Bliss, managed by Charles Kliewes and captained by Max Shaffrath.

Meet one night saw the Renegades traveling to Taft on March 14 to meet defeat at the hands of the strong Teammen. The Taft men, fortified by two previous meets and boasting the finest talent in the valley, run up an imposing total of 100 points.

Twelve bus drivers carried at a tea given for them last Friday, May 8, on the river Kern. The affair, in charge of Al Maloff, went off with a bang, in fact, five bangs, for that is the number of ships Bill Davis had while on route and home.

Kenneth Wheeler and Ragan Harrell assisted Al Maloff with the arrangements.

This picnic is an annual affair at which the movers of human cargo are treated to the songs, "Let ThemSELVES Go."
