A. W. S. Beckons Students To Football Theme Dance

Local Students Welcome Gaucho's at Friday Frolic

The entire Santa Barbara State College student body and football teams have been invited to attend the Associated Women Students Dance to be given in the Roxy Gym immedi-
ately following the Santa Barbara Fresh game here Friday, October 2, according to Jean Reynolds, A. W. S. pre-
president.

Decorations, entertainment, and the like, are now being prepared to do honor to the Little Gaucho. However, in order that local students won't feel slighted, the color scheme includes the traditional white and blue of R. C. S. as well as the green and white of the Gaucho.

A popular union orchestra will pro-
vide the music for dances, while our own Color Guard will be sold to exhausted step-
ners.

The admission price is unusually -low-twenty-five cents per person, anybody who wants a new experience or who feels cheated.

Cafeteria furnished by Barbara Jelinek, proprietress; Maxine Miller, chaperone; and Jean Reynolds, general chaperone, has been recommended by the main girls during the dry work of decoration. However, don't feel surprised.

Doesn't that sound interesting? And it is, because many of the big, strong, students, who'll be there, will need support the women--they're giv-
ing the show. In fact, if you haven't a date, just think of it as being a hundred steps forward, and dig up that treasure marauder and come along. It'll be worth it.

Skit, Talks, at S. B. Meeting

A business skill, featuring a rep-
resentation of the student body, students--officers football players, pictures, and financial figures was presented in the annual meeting of the S. B. Student Association, held Thursday evening, September 29th, at the student body assembly of the year.

The productivity level pledged as high by leaders specifics by Miss Bird, Mr. Whitten, and Mr. Bee lead the assembly in the new year. Dances, to which the Rocky, (ball leader candidates), proved up the audience with a few riffs.

The officers were introduced by Miss Bird, and stood up so that they could be given the once over by prospective vot-
ers.

Nichols was in charge of the meet-
ing.

Camera Contest Offers Prizes

The Junior College Camera Club has been in existence for some years and has announced that it is sponsoring a big contest. The contest is open to all, and will continue until near Frontier Days.

The only thing that must be met is that the photograph must be taken up to the day of the contest.

The prizes offered are the first place winner will receive $1, and second place will receive $5. The third place will be a high speed camera, the fourth place will receive a Rolleiflex camera, the fifth place will receive a Rolleiflex camera, the sixth place will receive a high speed camera, the seventh place will receive a high speed camera, the eighth place will receive a high speed camera, the ninth place will receive a high speed camera, the tenth place will receive a high speed camera.

Dean Challenges 1936 Ideals

Calling the executive council to the point of order, student body President Jess Jones conducted early meeting held on September 19th.

As its first move, the council decid-
ed, at the request of Mr. Kerr and Mr. Zittel, head of the music department, to buy new sweaters for the Junior College band boys. The cal-
card for the full assembly was set.

An unusual bit of legislation, that fines of ten and twenty-five dollars will be added to the total, and for making or neglecting to send in the minutes of the faculty meeting, is under consideration.

At a second meeting, held on Sep-
tember 20th, the most important item was the passing of the budget for the school year 1936-37. The total amount distributed to the various departments in the following manner:

Athletics

800

Student or Various

900

Neglect or Unfair

200

Total

1,900

The $1,900 has been allocated to the A. M. S. and the A. W. S. as necessary and will be used toward the fulfillment of the budget.

By the A. M. S., it is necessary to function independently. The amount noted in the budget is as a special award for the national Phi Delta Pi debate tournament to be held at Long Beach in the latter part of the year.

Plans were made for the placing of a special box in the Administration Building for the benefit of the Bakersfield Californian.

Radio Rally Friday Features Santa Barbara Game

Executives Urge All To Join Campus Clubs

Join a club! It's the men's of the executive council. Their aim is to make every student of the College, participating in extra-curricular ac-

Hickey is not going to be held until the second half of the game, when the play will be more fast.

If you are interested in joining the club, or in learning more about the club, you are encouraged to come to the meeting, which will be held in the Roxy Gym on September 30th.

The meeting will be open to all students, and it is hoped that many of them will take part in the activities of the club.

Under the capable leadership of Hanski Goldberg, Vice-President of the College, the campaign to have every member of the faculty in some club is already in full swing.

With questionnaires already filled out by nearly everyone in school, the club is doing a great job. It seems that if they are interested, the Vice President and his assistants have been hard at work filling the names of as many people under the club he is interested in becoming members.

After this is done, the list of names will be mailed to all the clubs who will then call a meeting, and send each member a letter informing him of the name he has received.

An election of officers will be called at the first meeting. After officers are elected the clubs can immediately begin their activities for the year.

The present executive council has passed a ruling which will make every club in the campus worth a chart before they are officially recognized by the executive council.

When someone is new in a club that club must show that it is serving some legitimate good purpose and that it is an organized program for the year.

The executive council can never be the Junior College, through a Student Advisory Board Council, which is composed of all the club's officers and the Vice-President of the College, who acts as its chairman. This will make it possible for these clubs to the chairman, who names the representatives and who is the authority of the executive council, to be represented by the chairman, who names the representatives and who is the authority of the executive council.

We have an outstanding year, which for the past year has been under the guidance of the student council, and has been active member of the club.

The latest idea for dances comes from three freshmen, who plan their first dance this year was a Bad Taste Dancer. Everything from clothes to dances has been held by the club, and a prize was given for the best dressed girl.

The Gaucho, the official organ of the junior college, wrote Mrs. Victory Goldberg, requesting everyone gives his support by joining and becoming an active member of the club.

The future of the Gaucho is in the hands of the student council, and the club is working toward the same end as the council.

Plan Active Year For Women

My dear friends, read the announcements of the coming year. There is news of interest for you. You will find a list of meetings, classes, and other activities. The purpose of this is to give you opportunities to engage in volunteer work, to learn new skills, and to meet new people.

Welcome Dance Attracts Frosh

Welcome Dance has attracted many frosh and other students. The dance was held in the Student Union, and the decorations were very attractive. The music was provided by the Student Band, and the dances were led by Mr. and Mrs. Smith.

Library Installs New Equipment

The library has installed new equipment, including new computers and a new catalogue system. These improvements will help students to access information more easily.

TENNIS

The tennis season is in full swing. The team has been practicing hard and is ready to compete. The matches will be held on the courts at the university. Come and support the team.
