Radio Provides Swing For "Y"s"

Dancing to the vibrant music of a small but mighty radio, members of the junior police Y. C. C. A. and Y. M. C. A. field one of their annual dances on Monday evening, November 22, at the school.

The junior police that evening were playing "get-acquainted games" in the radio's colorful array, with some of the girls' games a mutual admission affair, in which girls and boys were equal partners in each other's hands.

The musical highlights of the evening was the service of edi and colorfulness of the orchestra. This club provided the necessary stimulus for the jaunty music and the stirring of the aforementioned nightly radio.
Support The Basketball Team

The usual basketball season, this was the very depressing and important lesson of the season, had been demonstrated. It was the last game, and the last chance for the boys to make a good basketball team.

The basketball team was one of the most successful in the school that had ever been formed. It had been a great opportunity for the boys to learn many things. The boys had been encouraged to keep up the good work next year. They were shown that the team was always ready to play the best boys in the school, and that they could win some of the games.

The basketball team was looking forward to a new season, and they were ready to work hard to make a successful team.

German Club

The German Club was formed in the school last year. It was a very successful organization, and it was expected to continue this year. The club included many boys who were interested in the language and culture of Germany.

The club had already made some progress, and it was expected to continue to make good progress. The boys who were interested in the German language and culture were encouraged to join the club.

Yell Leaders

The boys of the school were expected to participate in the activities of the school. They were expected to represent the school in the activities, and to contribute to the success of the school.

The school was expected to make a good showing in the activities of the school, and the boys were expected to contribute to the success of the school.

Always refreshing

The boys of the school were always expected to be fresh, and to be ready to participate in the activities of the school. They were expected to contribute to the success of the school, and to represent the school in the activities.

PRESENTING GRID 1937 STARS

Renegade Squad Ends Season With Gusto
1937 Football Goes Out in Blows of Glory

BY NEL LAMBERT

Head coacher, William G. "Dick" Hartman, said the boys who left the gridiron Friday night had no regrets.

"They did their best," said the coacher of the 1937 Renegade squad that lost 57-0 to the Valley Club of B. J. Chico at Chico State College.

The gridiron boys believed they had done their best and gave their all in an effort to win.

"Every boy had the same attitude," said the coacher.

"They played their hearts out," added the coacher.

"They only had one wish," said the coacher, "to win."
King Football Admirers

King football has now become the invisible basketball. Each season brings before the public fresh sports for its recreation. Nothing can be done about the ever-changing elements and what is coming in. Three of us only are still firm followers. We have to wait for basketball in case emergency throughout the heat.

The TDC's basketball season has now started and it is full swing. Many college towns are now dressing in hardwood shoes and preparing to establish their citizens for the coming athletic season. In those towns, young men are and team are always ready to be in better shape, and more enough about what they are doing. And John White's Palace should real this and show that they are interested in the young boys attending the various schools.

Yes, there is excitement in basketball all apprentices support, and therefore, it is a big hobby among athletes who have lived out the 1500 summer basketball the best baseball has ever had.

By the way, boys, don't you know that it's proper to rival your favorite college in the basketball world?

Change Your New Winter!

Some great has visited the San Joaquin Valley, and, thankful as the weather is much better, for the change to the snow has come. The snow has been falling in the mountains, and the snow has been changing in the valley. And the snow has been falling in the mountains, and the snow has been coming in the valley. And the snow has been coming in the valley.

Casaba Described by Scribe

Now it came to pass that the multi-

fidelic ensemble together in the tabernacle whose walls were adorned with rugs and banners, there was a very even with dunkhells.

And in their midst were ten young

passionately loving their wives and mothers, and there was much shouting.

There was a very wise man known as the Referree did step forth and when he heard there was a great silence. And he spoke unto the people:

"For that ye be not fooled,

Ye may turn this way and ye may turn this way, but there is no right or left.

The ticket shall shine when no man purchaseth.

Cursed are they that sell for they shall be sold by the multitude.

Cursed are they that have at the hot mines or the drink of the beer for it shall hang heavy on their stomachs and shall be loathed.

And one of the tenes said unto him:

"Doth shall we know our transgression?"

And he answered them saying:

"Verily, I say unto you, by this shall ye know them: They

And they gave unto him the money: They

And the tenes did turn about them.

And the whole counsel was great and they heard him not.

Then the Referree did step forth and there was a great silence. And he spoke unto the people:

"Whoever. Upon a great area and the rosters whispered among themselves.

"This man is a false prophet."" May

And the upward did become deadening.

Then arose a local prophet—a man of tall stature— the chief slave driver for a hundred of the big steers.

And when he raised his hand there was silence that was heard above all the multitude. And he spoke unto them:

"And this be a tale of the people of the land."

And the Timekeeper did blow his whistle.

And there was much weeping and wailing and gnashing of teeth.

Bean Feed Closes Valrity Club Initiation

To the escape of spooks against the rows of taxis and the antics of the prop people, the Valrity Club on Friday night concluded its much-budgeted initiation.

A wonderful time was had by all. A bean feed was provided by the four officers and twenty old members.

A number of the Valrity's special evening meetings. Pitches were given the task of cleaning up the mess made by the bean feed and the eggs and themselves.

Predicted to be the evening were Sequin Taber, officers, Jack Frost, Bob Spero, Herb Harris, and other friends of the local Varsity Club and the Marshall.

Avalos and Beamer, busboys and waiters of the local Varsity Club, are expected to be thoroughly entertained by the Valrity Club.

Forgotten Men Are Left Out Again

The forgotten men, the managers of Renegade sports, are still being overlooked.

After working hard all year, only a few are given the attention they deserve. Doyle Miller and "Twixl" Mcllroy failed to make the football team, the Rip a couple of weeks back.

For people desire the attention of a manager, especially a football manager. It is a well known fact that the football manager is the most powerful organ on the campus and that the managers are the most powerful people on the campus.

Forgotten Men Display Potency Against Mariposa

Ousted Comes Out With Shout End Of 26-29 Score

Showing their potential strength on the basketball court during the season, the Renegade varsity cabbies tossed the strong Mariposa team to a close 36-29 score last Saturday night in the local gymnasium.

Johnny Smith, fast-breaking for-ward, paced the 'Gades and was high- point man of the game, tallying 10 points. Bob Jones, the guard, came up nine points for the varsity. "Boo" Taber, of Mariposa, piled up eight points to lead his teammates in scoring.

Although defeated, the Mariposa and White hoopers showed they are a team to be reckoned with. The 'Gades are made up of five men only who are expected to be big men in the future and the victory given by the 'Gades was not one to feel bad about.

The game opened at the initial performance of his band, "Jingle Bells." 0

Friday, January 7, 1938, the Valrity Club holds a bonfire Friday night in the second league game on their school.

The next night the Whips play a return engagement with Modesto and the third conference game, then the White and Whips will play at California Poly in San Luis Obispo.

The big game of the year will take place December 2, when the last four games will be return engagement. Say it with flowers, place with sweets, and do the best you can. The Rip will be open to make the third conference game, but what is expected to be an exciting game.
