He beat four for party... This is an extensive Ritz action photo of Play- boy Sally (I'm not the Marrian bird) Sullivan, Miss who has just been blessed by B. C. A's most facile weapon. The exotic, dazed look on his face gives her identity away. We need no say more. This dramatic episode took place while the guests at a certain house party were amusing themselves playing "Telegraph." "Telegraph" is a game just the "post office" only faster.

The party was given by Hope Carleton and Edith Harlow in the balcony of Dave Weaver's sumptuous apartment. Reportedly, Mer-win Shimerman, after empting the container, loudly complained that the punch was weak. Everybody was kind enough not to inform him that he had drained Dave's fish bowl. Frances Grahame entertained the guests with a small native South Sea Island dance interpretation. Bill Goodell and Margaret Vesty gave their special version of "Taran and His Mate" on the chandelles. The evening was made complete by two private acts each; one which was won by John Shett and June Wuth. Real winners were Florence McDermott and Tony Caesar. An act that really pushed up the pace was a madcap escapade of a sick man, ransacked the apartment. As the custom in all reputable parties, the lights were turned out promptly at 12 midnight.

"CUPID STRIKES"
PROFITS TO SEND BRAINY STUDENTS ABROAD

It was disclosed last week by "Horsefeathers," a New York firm of the needs of the bookstores (a non-profit organization) to plan to sponsor a student travel tour to send eight of R.J. C. M.'s best students into the world this summer. The eight, who are: Jim Chamberlin, Bob Nutter, George Harsin, Dwight Long, Rie, "(White Wolf)" Eppley, Wade Wilson and Glenn Siemens. Jim Chamberlin will bore "Politics and Its Methods" in Ireland and then will take a coffee from Hitler as "The Art of Voting Games." Bob Nutter plans to give an appearance with Lincoln before the King and Queen of England, while Bill "(White Wolf)" Harro will take a coffee from Hitler as "The Art of Voting Games." Glenn Siemens will teach the Swiss navy how to operate ships successfully.

Dwight D. E. Long will tour Paris noting the repulsiveness for a "bake." He is planning to take a plane on the Riviera. George Harro is expected to give lectures on dietetics in Chicago.

Upon their return, the educational corps will visit Bird, Taber, McNeliss, etc., and the "A's" will follow. A division of grades will immediately be affected; F's will take Lincoln's place as A's and C's will replace C's. Anyone with less than three grade points per semester automatically becomes a member of the Alpha Gamma Sigma and anyone with more than ten grade points will be expelled.

LETTERS TO THE EDITOR

Dear Editor:

I am a stickler with pronounce and father. I am sure that little bugs are biting me. I have looked and I have searched. I have found that I have a flower garden. I am sure that I have a flower garden. I am sure that I have a flower garden.

Dear Don [Discouraged] (Smiley): Burry the mattress.

Editor, Dear Editor:

Brian Botany professor, so naturally, I have a flower garden. But I have seen it's difficult to keep the flowers growing because of the weeds and the flowers. The ones that grow back are the weeds. Then you grow.

Editor, Dear Editor:

I attend B.J.C. When I was eight years old I was kicked in the head by a mule. I now believe everything I read in the Sunday papers and the Reno Enquirer. My dear Mr. Thomas Merson.

My dear Mr. Thomas Merson.

Here is the formula I learned in school that I have both the weeds and the flowers. The ones that grow back are the weeds. Then you grow.

Editor, Dear Editor:

I am a stickler with pronounce and father. I am sure that little bugs are biting me. I have looked and I have searched. I have found that I have a flower garden. I am sure that I have a flower garden. I am sure that I have a flower garden.

Dear Fred (Anonymous) (Conley): None whatever.

Editor, To Whom It May Concern, Dear To Whom.

Sometimes I am never late to class. I never talk in the J. C. class. I have seen both the weeds and the flowers. I have used my telephone number.

Drillers, 'Cages Favored

BY GUS PAPPAS
-Bakersfield Junior College, a team that has easily earned an automatic berth in the third straight year in the national championship meet of the College Relays, will open the 43rd annual event here Saturday.

The meet begins at 9 a.m. on Saturday and will continue through Monday, with 40 schools from across the country in attendance.

Bakersfield, which finished third in last year's meet, is led by Coach Larry Smith and will be looking to improve on its third-place finish two years ago.

The meet will feature a variety of events, including sprints, hurdles, relays, and field events.

Local J. C. Nine Takes Mile

Local conditions prevail this weekend, as the Jaysees, with nine wins in the C. C. M. League, are scheduled to compete in the meet.

Board Takes Up F Street Fight

Censors Council For Favorable Ruling

Sacking that old F Street Council of the School Board for attempting to gag hundreds of students on Nov. 19, the School and Junior College Board of Trustees yesterday ordered that the council be dissolved.

"We cannot sympathize with the extreme measures of the Censors Council," stated Mayor James R. Johnson, Jr., vice president of the School and Junior College Board of Trustees. "When this council was organized, its members were told that they would have to go to court to get an injunction to shut down the council, because it was a private organization."}
