Executive Council Finds Illegal

Both Sides Claim Ballot
Stuffing Vote Disparity
Between Ballots Cast and
Student Council Ballots

With both sides claiming "fraud and corruption," the Executive Council in a special meeting Thursday evening, heard evidence that "illegal ballot stuffing" had been used in a unanimous vote taken March 1 in the council's ballot box at the union. In this election, where there was only a three per cent difference in the number of ballots cast and student council ballots counted, the Executive Council declared last night to be the session in which it is proper to bring up the question of how the ballots are counted. It then took a look at the ballot box, which is supposed to be under the control of the Executive Council, in order to see whether the voting would take place tomorrow. Final results, pending action against "someone who is guilty of ballot stuffing," were to be released at the 11 a.m. deadline. Opposing "someone who is guilty of ballot stuffing," were to be released at the 11 a.m. deadline. Opposing "someone who is guilty of ballot stuffing," were to be released at the 11 a.m. deadline. Mike Jansen Gets Fourth Place In Fresno Relays

Renegades To Compete In Final Track Meet

Mike Jansen, who qualified in the 1500-meter run, will compete in the final track meet this week when the Renegades face new Santa Monica. Jansen is hoping for a victory in the 800-meter run.

Coach Jack Frost, who coaches both the men's and women's teams, has ordered practice to grind out many events. This will be the last chance for many events to be qualified for the final meet.

Summer Practice For Football Team

Coach Jack Frost has ordered practice for the football team to grind out during the summer months. The team is hoping to qualify for the final meet.

Track Season Ends in Victory For 'Gades Against Santa Monica

FROM THE BENCH

Next year Miss Toothpaste promises to have Diane X. Helton at the new spirit order, and she's good.

The talk around the campus that always goes about the page, will have trouble with this Helion-er's -he's a swell fighter and he knows how to throw leather -enough said.

TRACK MEET OVER

Come hang up your starting gun and whistle for the recent track meet really turned out to be a bust to Santa Monica's Cornells in the Victors list over that veteran squad is being one of the slowest trains in the running.

FOOTBALL

Jack Frost poured his boys through their four practices and they look like championship material. Red McWhorter and Billy Solomon look like the track plugs in the backfield, with John Littoral and Tom Duggan at the end, the Gators will be in the mystery.

PAUL VOGT

Paul Moore, the Standard compass and Liston Zampieri of the Trojans will most again in the rush about this Saturday afternoon when they play the Central Coast Conference Track and Field meet on the grounds.

Find out how great new gun and how well won his victory over the Trojan tough stuff for the third time.

SHOOT MEETS

Two of the most weird events that was brought us were both in the form of Toilet. The meet was between the two schools and went on until the 20-30 club and then the Valpo meet under the direction of a few men.

A movie for the Cross country fans was found.

The Meet finished at the old city edge and moved over to the north in order to avoid the strong winds that was established. They had not a wind gage.

For the fans of the Weird Events that were looking second to do it by doing it.

Bill Pollock speaks most of his fans in the form of Toilet. Betty Burke is staying over at Cal to the Greater Week... the number of scenes.

WOMEN IN SPORTS

The women's team in the majority of the athletic field for the festivities of the fall season is seen at its best.

Seniors have their conscious activities lasted three days tonight. The evening event held at Santa Monica.

Finishing up a day of satisfying W. A. A. basketball tournament, from feminine basketball recently defeated the Colonia in the first game of four.

The freshman team was victorious in the form of the victorious meeting of a series of women's meets.

SWIMMING POINTS

Mormons really get out of the water long enough to be pleased on the list of those who will remain for swimming.

Miss Alice Bankhead named those swimmers on the list. Pat Allen, Jean Schiller, Cora Pasquini, fashion. Dorothy Hickey, Alice Johnson, Lois Gillette, Clau blossom, Right Balentine, Betty Maybrown, Mary Catherine Moulit, Marjorie Tidman, Joan Ward, and Barbara Crawford.

Coach Frost Views

Gridiron Prospects For Next Year

Prospects of a championship 1940 football team looked good last night as about thirty footballs turned out Monday afternoon for the beginning of Jack Frost's spring practice.

Frost disclosed that he will use principally the same system next fall that he used last year—"straight" and Notre Dame formations, with possibly another formation with an unbalanced line and single wing back. The main change will be in the numbering of plays.

A Twilight tour, Jim McWhorter, Bill McClintock, Les Herndon, and Sally Sullivant, returning home from last year's meeting were seen in the backyard. Also out for the backyard appeared Bill Shober, slender lifter, from Shafter, the Baccalaureate representative, and both sentiment and Lewis Pilgrim.

LINE GOOD

Prospects of a good line, last year's weakness, looked fairly good Monday night. Quite a few guards and linemen turned out, but as last year, there was a shortage of tackles and centers.

For guard there was Vernon Galvin, first string letterman from last year, and Floyd Need, Murray Harris, and Dan Washburn from the Drill. At the end were Bernie Baldwin and Ross Lemisch, also tackle slash. Dale Kothal, Bakersfield High star was the lone man in that group, though Dick (C. S.) Boucher, Bill Cardwell, Chas. Wallace the last five, in high school, muscle, were.

MANAGER LOOKS SAD

For the most important position on the squad, manager, the bump was seen. Dick Prince, Pigmy boy of the team, was in class.

As there were no tools cited for Manager's practices, there was no friction and no management error may report today.

Awarded To Women

Decathlon

Through this week, on the Gridiron, female Decathlon, in a manner unlike any other, will be a contest in which everyone competes for everything, and the man winning the highest number of points wins the Decathlon.

The events in which everyone must participate: 100 yard dash, 220 yard dash, 1400, 1800, 1600, hurdles, hop, skip and jump. Shot, discus, javelin, and high jump.

Pickley More, an all-around muscle woman, and all but one of the Decathlon winners last year, will probably win a good number of points in the events with the exception of the broad jump and hurdles. Mike Jonas, Tony Martin, and Dick Prince are all star performers and will probably gather a lot of points.
