Letters To The Editor

Dear Editor,

The last few letters were very well written, but the recent one was simply a string of lies. I think that we are all aware of the issues that are facing our community. I believe that we need to have a more open and honest conversation about these issues.

Sports Editor: Wade Pancoast

Dear King Taylor,

The sidewalks are not yet made a painting, but the weather is quite pleasant. It seems that the dance season is well underway, and the huge success of the dance has been widely praised among the students.

In the case of Ivan Osborne, there is no doubt that his free tickets to the future will not make him unhappy. He has always been known for his generous nature, and it is no surprise to see him enjoying the fruits of his labor.

On the other hand, the recent comments made by our sports editor about the team's free tickets to the future are less than impressive. While it is true that the team has been successful, it is important to remember that success is not always guaranteed. In the world of sports, there are always ups and downs, and it is important to remain humble and grateful for the successes that we have achieved.

Sincerely,

VENTURA LOSS GIVES 'Cades Poor Year

---By Gun Pupun

Eighth roundest season in any football conference that they have ever been in, the Renegades dropped their second straight to the Ventura Pirates last Friday evening at Ventura. The score was 12-6.

Led by halfback Harry Noyes, the Pirates came to life to block加快. Wackleydolp chopped over from the outside and the Pirates made one threat in the first quarter when they marched 63 yards in four plays, but the fast changing interchanges held their ground and resulted in a fourth down.

Even so hung up their first tally in the second quarter after a drive of almost 80 yards. They reached the four-yard line and lost the ball to a fumble before they could cross from the one foot line.

Again in the third quarter, the wide Pirates came to life to block加快. Wackleydolp chopped over from the outside and the Pirates made one threat in the final quarter when they marched 63 yards in four plays, but the fast changing interchanges held their ground and resulted in a fourth down.

With only two seconds to go before the kickoff and with the Pirates facing second down and ten feet to go, Tellier sliced through Stettler's half in a desperate attempt to make a touchdown. A referee declared the ball dead as the Pirates went out of bounds.

A beautiful downhill blocking by_requesters every time he's blocked. Huddlesford pushed the way for Weaver.
