Collegians Rally On Campus Again September 10

New Faculty Blood Comes To "The Old Campus"

Six Teachers Here From Other Cities

Eight new instructors, recently added to the faculty, have added new blood to the old campus this semester. It was announced by Miss Bird. Two of these teachers came from the local high school, while the other six transferred from other schools, corporations, or came here fresh from universities to begin teaching careers.

Dr. Wilfred Mitchell, who received a Doctor of Philosophy degree at Yale last spring, is to be the new resident orientator and social problems director. Dr. Mitchell received a scholarship from the state, after obtaining an A.B. at Pomona in 1933. Last year, Dr. Mrs. Mitchell took a group of ten eastern boys on a tour through Europe and were themselves the first Mrs. Mitchell is the former Miss Ruth Mudge, who was a student at the Kurnt County High School several years ago.

REPRESENTS LYNX

Miss Barbara Smith, M.A.; Stan- ford, 1936, will teach public speaking and government at the local gym. Miss Smith is well known for her college production of plays and operas. Last year she produced "Pattie the Graduate" at the Yost and Gilbert and Sullivan opera, which aroused much comment. It is expected that this year will be the same. The high school senior play this year will assist Miss Robinson in all her productions.

Mr. Alfred B. Stafford, instructor in mathematics, comes from the Pennsylvania College. Although the college was a year ago in existence, Mr. Stafford has shown an interest in many other fields, having taken graduate work in the College of Technology, University of Pittsburgh, and Oxford University, from Nebraska.

TRAVELING FROM IOWA

Dr. Albert B. Bonk, teacher in English and Latin, will teach this fall, from Iowa. He has received his Master of Science degree from the University of Illinois 1936 and has done graduate study there.

Not only because he’s a good job but because of her personal charm, Miss Mudge, the new social instuctor, will make many Jaycee students wonder who is the young woman who is the newblood junior college.

RENÉGADES PREPARE FOR FIRST GAME

Sports Rialto

Without hesitation, the first effort by putting on a pair of my own equipment was a sort of a joke by the way. It was a couple of years ago when I first tried it on and since then I haven't been able to get rid of it. It was a good deal of fun, and I think I'll be wearing it to the next big game. I'm sure the team will be pleased with it, and I hope you enjoy it too.

With the attention of every Jaycian's focused on it, the Renegade-Gaucho football contest, marking the 10th-year on this season's football schedule, will undoubtedly be the highlight of the season when the Santa Barbara State football season ends. And White Friday night event, despite the Gaucho's defeat in the past, will bring the strains of high school football to the tip of Coach Fred Judd's acher for what will no doubt be a real good battle for an opener. Fred and his assistants, Don Dickinson and John Olymore have been harder, than a dozen, this year. Nate -- paper -- and Marion will be expected to round the Gaucho's up to meet the season's tough opponents.\n\nDespite the Channel City's paper's talk of a heavy drinking from those in the stands, Judd said, "How will you hear the strains if they aren't there?"
