Renegade's baseball three-outside streak against the Cal Poly-Pomona baseball team was ended by the Pirates Sunday afternoon at the Cal Poly-Pomona baseball field. The Pirates scored three runs in the third inning and held off a determined Cal Poly-Pomona team to win the game 5-3.

The Pirates, who had been struggling for most of the season, finally had a good game against Cal Poly-Pomona. They played well defensively, had good hitting, and were able to hold the Cal Poly-Pomona team to a minimum of runs.

The game started off poorly for the Pirates, as they gave up two runs in the first inning. However, the Pirates were able to come back in the second inning and score three runs of their own. They continued to hit well throughout the game, and were able to hold the Cal Poly-Pomona team to just a single run in the last two innings.

Overall, it was a good game for the Pirates, and a good way to end the season. They will be proud of what they accomplished, and are looking forward to the future. The team is working hard to improve, and will be back next season stronger and better than ever. They are committed to playing their best, and will be ready to take on any challenge that comes their way. Go Pirates!
