COACH BLISS LEAVING TO SERVE UNCLE SAM

Will Train Battalions At California

His footsteps will be missed among those of teammates; he will tread the soil of the Great State this spring, but the personality print of this tall, quiet, easy-going "Peeke" M. Bliss will always be found in the heart and soul of B.C. men. Yes, with his "call to the colors" in his pocket, the great track team will have most work for B.C. from whence he would have returned to Bakersfield ready for a new season.

For Uncle Sam, the lean one has promised to serv for only one year (although he has been told definitely that he will probably be back), but what he will have in thirty-three of these service years in charge of troopers is as much a mystery as his to everybody else.

"That's all," he says. "The nighttime's too tough, so I won't get any sleep." He was discharged in 1919.

In 1928, "Peeke" Bliss came to the University of California for a season in P.E. and Military with an A.B. from U.C. (1930) and a commission of 2nd lieutenant in the Air Corps Reserve. In 1932 he returned to the Infantry and in 1935 was an instructor in CMC.

Fresh off a Cal track team, the then unaccustomed, Blissett, in 1929, to match Bongdale twenty-one that All-Cal off-campus track director, he would rather track and watch a spring meet than be on the field. Reason: It was a fresh start for himself at the university, the manager, and the club.

Assistant Dean of Boys at the high school, with his interest very narrow in anything but his schoolwork since his years at the prep school, came the past year as his "most thrilling" time there. But, he says...

Interclass Track Meet Postponed Till March 14

Due to a muddy track, the annual interclass track and field meet, formerly scheduled for this Friday, has been postponed to two weeks from now, March 14. As a result Coach Chri
tensen's track team sent Billie Moniz, J.C., without the batonbearers because of having tested themselves. The meet, a dual affair, will be staged on the U.C.L.A. athletic field, Saturday, March 8.

The strength of the Santa Monica track is its unknown; but last year's opinion is that the southern school will put a well balanced squad of athletes on the field. Little can be said about the Renegades' power, since the bulk of their material have not yet tested themselves. A decision of the meet will be interesting to Coach Christensen, things being on the building.

Led by Bob Lane, veteran half
toller, and Bill Tolino, halfback star, the old tidier has a team of the following: John Rusk, nose, William, Shalhammer, yard horse; Bob Del for; Eddie Homer, end; Steve, end; Don Hetherington, guard; Bruce Del for; Don Hetherington, guard; Bruce Del for; and Martin, center.
