Four BJC Busses Will Travel To Taft Saturday
Band To Render Brahms In Brass
Bowery Boy Brigade Blows Worms To 'Rare Rat Race'

With a brace of trumpets, a wild orgy of drum beats and a clash and clang of cymbals, a group of enthusiastic trumpet technicians, after nineteen years of unceasing devotion, 1941, got together and conceived the colonial inspiration of having a dance, for which they arranged and conducted the notorious "Rat race," in the men's gym Friday night at 5 o'clock. At the tariff, none of you wondering, none, by the way, may have noticed signs to the effect that the charge is 25 cents, teachers $1.05 per head, music lovers $1.00, and true musicans will be allowed entrance.

The dance is being put on by every couple of members of the B.J.S. Swing Band, for the purpose of raising money for the tennis team. The dance is to be, as Jack "Play-off-the-Field" Shone, "This dance will be the bestest, conundrums and most enjoyable, the sweetest jam session ever to remind us of the immortal halls of old John Heter." 

C. Colenso put it in this way by saying: "There will be a gorgeous party of stars, including 'Dolly Dumplin, commonly referred to as 'The Little Brown Teacup'; thataddock Holden, in person of influence, with 'Whiffler,' 'Republice' Brown; the Bowery Quartet, including Jack Dance, Bill Stiffy, Jack, Man Loganwick, and 'Republice' Brown; and the Bestr, composed of B.J.C. incontinent musicians, whose social, meretricious, and all about swinging main local students have already had the pleasure of hearing.

With "Jaycee," John O'Keefe inhabits as its master of ceremonies, the "Serenity Line" and Swing Club promotes a clever congergetion of music and dancing, and a variety.

"The pageant of persons dressed from late-brothel surroundings," three-score members of the various departments of the school, as well as a score of the "wet," will occupy the dance floor. Band music will be furnished by the school, and the end of the dance is the end of the evening, a fat one for all.

Occidental Sponsoring "Big" Visiting Day

Athletic exhibitions, by national scholastic associations, and other types of one of the most popular and memorable events of the fall season, and sponsors, and a presentation of "Fiddler on the Roof," will give an opportunity for students attending to Occidental College, Los Angeles, February 23, for the first time, to establish themselves in the history of the institution. The school has been organized to entertain applicants for the 10 scholarships—four honor awards and six scholarships—being offered for the 1941-42 academic year, and all other students desiring to learn more about Occidental are invited to attend.

Notice To Students

The dance will be held on Friday, third period, according to an announcement by Mr. T. B. Bunch, Director of Student Activities.

Prexy Glenn Siemon

Glen Siemon, Bakersfield Junior College's president, who will travel to Taft Saturday to lead the discussion, will be at the meeting of C.C.U.A. student body presidents.

Rains May Hal Initial Track Meet

By Jim Sweeney

With one day still remaining to judge their athletes, Balboa College Founding President and Coach Peter C. Keating, who has been getting his team ready for the track meet, had a laugh yesterday when he said the rain was not going to make his team any less competitive.

"We're going to be competitive no matter the weather," said Keating.

Chris' Boys Picked To Whip Pirates

Renegade Nine To Rekindle Taft Feud

By HAROLD ROYCE

"Setting their spikes in the footsteps of their brother backfielders—raking, walking, and running for games; but winning—our conference echoes the Renegade baseball aggregation will rekindle rivalry between Bakersfield and Taft when they open the West Side Conference at 3 o'clock Friday afternoon at California Park.

Flourishing heavily in the practice tent last night, Norm Littlejohn, coach, was of the opinion that his team is on the way to another winning season in the 1915 Conference. Littlejohn, who has been a member of the West Side Conference for the last five years, said, "We've got a solid foundation for another winning season."

Reports trickling through the Bakersfield camp indicate that the team is ready to make an impression over the coin with power. With a raft of hurleys in the tent, a few weeks back, and well-balanced fielding outfit, the West Side Gators are to make a most inquisitive trip for the league.

Coach Johnnie Champion's nine were sent two weeks ago to California City for the conference championship, when they took California City by 30 to 11, and Ray Murray, very energetic and talented, a member of last season's conference champion, is back again. money in pocket; plenty of dollars for the first. Both bats show plenty of possibilities and will be counted upon.

The starting lineup will include Mike Adams, catcher; Rudy Murray, left field; John Adams, baseman, and Jim Adams, centerfield. The pitching duties will be divided up.

TINSLEY FLIES FOR JAYSEE

Jumper Bill Tinsley had his dream realized last Friday afternoon at Visalia, when he highjumped over 21 feet to break his old record of 21 feet, 3 inches. His jump was 23 feet, 3 inches and 3 inches.

Bob Lane Elected 1941 Captain

In a secret ballot election on Friday evening before the Bakersfield-Visalia dual meet, Bob Lane was elected captain of the local team.

The election took the place of selecting the manager of the team, but this year there will be no manager.

Bob Lane is a member of the varsity track team.

Coach Moffett Begins Volleyball

With plans under way for an all-enthusiastic volleyball league, junior enter men and women interested in both girls' and boys' teams are encouraged to sign up for the coming season. Coach Moffett began his tryouts Monday night at the Bakersfield high school gymnasium.

A total of 14 boys and 12 girls will be elected Monday night at 7:30.

Thirst stops here

Bakersfield Runners Travel To Porterville For Meet

Although considerably weak in the sprint events and the distance events, Bakersfield's track and field team does expect to bag their first conference win of the season when they travel to Porterville Friday afternoon to meet the Pirates.

The Porterville collegians have from the mile relay on to the 110-meter hurdles. The Pirates have met defeat at the hands of Bakersfield, from the mile relay on to the 110-meter hurdles. The Renegades expect to have an easy time of it.

Visalia Jaycee Hands Renegades First Defeat

By AI BENJAMIN

Dirk Brownlee, Visalia Junior College's nationalähed coach, proved to be an unassailable obstacle in the path of the M.C.C. track team from last Friday evening. The Visalia squad managed to steal the victory from the Renegades by 30 to 11, an unexpected result from the Renegades, who were expected to have an easy time of it.

THE FLOATING CLOUD

The Renegade "floaters" won the mile relay, the high jump, and the 440-yards run, and proved too much for the Visalia team in the hurdles, the shot put, and the javelin. The Visalia team was unable to use the long jump, but in the short jump, 120-yards, 80-yards hurdles, and the pole vault, the Renegades were victorious.

Ex-Delano Star Hurls To Win Over Coalinga

Sparkling brilliantly on the mound, Johnnie Berman, the 19-year-old high schooler, led the Bakersfield junior college team over Coalinga Friday afternoon at California City.

Bunting from the right side of the infield, Berman struck a nice piece of hitting, striking, limiting the Faucons to two runs and qualifying for 11 innings. Berman was in complete control of the game throughout, never allowing a hit to Grade or over.

The distance between Lane and the Visalia racers, 21 feet, 3 inches, is one of the highest in the league. The Renegades will be back in action next week against California City, the League's second winningest team.

WOMEN IN SPORTS

Ice skating: Bakersfield's next sport, whatever light the future of W.A.A. activities next Wednesday; as a co-ed sport it has been an invaluable asset to the athletic department. ice skating meets will be held in the high school gymnasium, and the women's team will be selected at the end of the season.

The ladies' ice skating meets will be held in the high school gymnasium, and the women's team will be selected at the end of the season.

Bakersfield Relays To Be Held April 5

With only two weeks before the Kern (Bakersfield) Relays, Bakersfield Junior College and Visalia Junior College have in the last few days been announced will be held at the Bakersfield high school on April 5.
