Teen Age Draft

Well, men, most of you probably won’t be with us after June 1948, the 18- and 19-year-old draft, bill by Congress, is now before the President and needs only his signature to have you drafted into the Armed Forces. Many young men are already doing service: the Navy, the Marine Corps, and the Air Forces have taken their numbers. And now, many more of you will

Men, because you are young and vigorous, you are the fighting men of the nation. You realize, don’t you, that the country you are about to be sent to will naturally resent having to see you go? They will resent it, and you will be welcome.

But the President will welcome you. Remember, you are in a true and noble sacrifice for the future of your country.

A grateful America and young men themselves will make the time that inspires you to go to war, and the sacrifices that you make, a real gain for the country that you belong to. That’s the Editor’s Side.

The Editor’s Side... .

Once again we find the campus awakening with people. Even though things have returned to normal this week, the students of Bakersfield College will long remember seven pleasant days when every corner of the campus was filled with color, and there was life. Indeed it was great. Everyone is still feeling it hard to believe that you could go to the college and actually get your lunch within five minutes. Remarkable! That’s the Editor’s Side.

Baxters Drive In

The facade of the old campus... to show you some of their recent additions: the aluminum trim, the new sign, the addition of a new feature, and the interior changes. The service has been improved, and the atmosphere is much better.

Baxters Drive In has been a favorite spot for students, faculty, and visitors for many years. The new front adds a modern touch to this classic diner.

Minute Women Sell Stamps This Week

National Minute Women at War Week was initiated at Beejaycee last Sunday, when over one hundred co-eds sold stamps and bonds at the Minter Field-Gade game.

Between halves Colonel C.W. Pyle was introduced and Lieut. Hall spoke. Vernon Johnson of the Bakersfield Chamber of Commerce auctioned off Johnny Rossetto's helmet for $2500 worth of bonds to Louis Banducci. The football used during the game was auctioned for $7500 worth of bonds to Gene Goodfriend.

The football was autographed by Colonel Carl Pyle, Coach Jack Frost and Captain Lee Frankovich. The Minter Field Band under the direction of Patsy Dvarnick marched on the field.

Sixty Junior College women sold stamps during the third quarter.

Captains were: Ruby Baldwin, Gay Breitinger, Graemeeny Dart, Ruth Duncan, Ruth Evans, Shirley Kiewarth, Lois Knight, Nanna Ledbetter, Toni Marino, Mary Elta Martin, Lois McCaw, and Gladys Russell. One hundred sixty-eight dollars worth of stamps was sold.

Sylvia Fanuccci headed the committee whose members were Betty Jo Avery, Ruby Baldwin, Helen Burt, Ruth Evans and Anna Sturgeon. Miss Florence McKinley, Miss Adelaide Schafer and Mr. Leonard Mcraig were faculty advisors.

Keep Them Warm

Twenty-seven 25-cent War Stamps will pay for one blanket. The blanket you pay for may go to Iceland, Alaska or elsewhere—using sleeping comfort for an American soldier somewhere.

Meet Jack Frost

"The Renegade football team has played good ball. It has come through when the going's been tough. This year, more than before, the team has taken the lead and kept scoring, which I think has been the keynote of this whole season," said Coach Jack Frost.

Playing halfback for three years at U. C. L. A., one of them his freshman year, Jack Frost, Renegade football coach, had Bill Lore for his backfield, and, as Bill is still climbing for his coach, Coach Frost believes in good blocking and a good background of fundamentals. Recently he has developed the team a more varied passing attack. Rather than advancing the ball by running, it is now advanced by passing. This is a more spectacular and open game. The basic attack of the team now is passing.

Commenting on the game with Minter Field, Coach Frost was not too optimistic. Minter Field has too much weight and experience for us, and many of their players have college football experience behind them. However, he believes that the chances of R. J. C.'s winning are good, as the team realizes the strength of the Minter Field team, and is willing to fight.

The reason the Renegades didn't look so well during the Visalia game was that Bill Lore, our best blocking back, who calls plays on the offense, was unable to play because of an injury. Joe Doll, played a good game in his place, however.

On the whole, it was Coach Frost's opinion that the team has stood up well. They have lost quite a few fellows, making changes in the lineup necessary. For example, Hylton, Kite, and Larry Smith, all of whom played the same position of right guard, have been lost. Lee Haney, a good center, is no longer with the team.

Coach Frost concluded, "The season has been good, the men have played well, and we're looking forward now to victory over Minter Field and Long Beach."

line. The Renegade conversion attempt failed. Score at the half-time, Flyers, 7; Renegades, 6.

Bakersfield tucked away the victory in the third period, going ahead for the first time on Rossetto's one-yard buck which was spearheaded by a series of power-drives and flat passes. Harold Platzek's toe fired the conversion.

Rossetto's brilliance through the center of the Minter Field line and his off-tackle smashes completely overshadowed the maturity and experience of the Army Base backs. The pile-driving Renegade tailback carried the mail twenty times for a total of 86 yards.

Oh, Mabel, the doctors going to let Joe play today? See him out there when he comes on the field? Dr. Stovey says it won't be a thrill or a game. It is going to be a marvelous game. When Joe's knee told or will come near his knee back to the bench in agility?

Do you know the situation and what's going on? Everybody hating for Joe! Oh, The Kickstarter! The Renegades are in a bad pickle; their playing is magnificent; they've never looked better. I can't believe she's not beautiful. She had her last glimpse specially
