Former Jaycee Cited By Halsey

Marine Captain Hays Receives Air Medal

To the Distinguished Flying Cross for sinking a destroyer leader in the Solomon Islands, Captain John E. Hays, Jr., Marine dive bomber pilot of Bakersfield recently added the Air Medal. Presentation was made at ceremony to be joined by other Marine pilots in combat flying at the Marine Corps Air Depot, El Toro, Santa Ana.

The Air Medal was presented in recognition for successfully completing 250 combat bombing missions, against enemy shipping and heavily fortified shore installations of Japan.

"The numerous attacks, were often made against heavy concentrations of antiaircraft position," the citation from Admiral William F. Halsey, commander of the South Pacific Fleet, said. "His courageous conduct...in keeping with the highest traditions of the Naval Service."

Captain Hays was commissioned in August, 1942. He attended Bakersfield Junior College. He is the son of Mr. and Mrs. John E. Hays of 1920 Cherry Street, Bakersfield. With Mrs. Hays, the Marine flyer is residing in Laguna Beach.

Hanauma Attends War Conference

With representatives of state-wide colleges, Lois Hanauma, BHS delegate, attended the Inter-Collegiate War Activity Conference at UCLA January 21 and 22.

Programs, relations, were discussed, and ideas exchanged on the re-establishment of these men back into college life, and on the building of morale and the entertaining of service men.

Plans for organization of extended college and Red Cross activity were considered, as were the campaigns to promote the sales of bonds and stamps.

It was resolved that each delegate initiate at his college a youth service group to meet community needs and problems. Dates for future meet were set. Lois will present a report of the conference to the student body in the near future.

"Our purpose at the conference is to get together for discussions of individual college war activities, so that we may benefit by mutual planning," explains Lois.

Elks National Foundation To Award Scholarships To 'Valuable Students'

Five thousand dollars in scholarship aid will be distributed by the Elks National Foundation to the "Most Valuable Students" in high schools and junior colleges in the United States. Prize range from $600 to the winning boy and girl, down to $200 dollars for the two fifth place winners. Ten honorable mention awards of $100 each will be made also.

Eight awards are made available to Jaycee students by Fresno State, too.

Deadline for filing for these scholarships was February 1. The amount awarded will include enough to cover all tutoring, registration, and course fees for expenses of a student for one year at the college.

No application is furnished by the Elks Foundation. Each application is to "use their own initiative" in presenting the case.

"Scholarship, citizenship, personality, leadership, perseverance, resourcefulness, patriotism, exceptional courage and any notable action or distinguishing accomplishments are the criteria by which applicants are to be judged," according to the foundation.

"Essential details will be furnished by Director, Grace Bird. The application must be filed before March 1, 1944, with the Secretary of the Elks Association, in Richmond, California.

JC To Participate In Annual High School Sadie Hawkins Dance

With the atmosphere growing more tense by the day, and "merciless females" already beginning to stalk their helpless prey, the annual Sadie Hawkins dance date grows nearer. March 3 is the date. The high school boys gym is the place.

This year Kaye is working with JC for a joint affair, and student body card holders from both schools will be admitted free. The theme is an unusual based on the L'il Abner cartoon, wherein the hillbilly struggles yearn in Sadie Hawkins' day to escape the horrible fate of being caught and forced to marry the luscious Daisy Mae. Naturally - the theme isn't carried this far, but it is customary for males, pounced upon by determined females, to accompany them bravely to the dance.

Mary Ellis Martin and Sheryl Davy, JC and KC representatives, head the arrangements committee for the affair. Regular admission prices will be charged for those without cards. Oatmeal, brief and ragged, is demanded, according to AWS representative Carol Brown. The AWS is in charge of Jaycee participation.

Horizon Club Members Plan Auction; Welcome Aubin, Bell To Group

After welcoming Betty Bell and Mary Aubin into their group, members of the Horizon club discussed business and social plans at their meeting last Friday morning.

To raise funds for the club treasury, Mrs. Ruth B. Allen, advisor to the group, sponsored an auction party, with members bringing articles to be auctioned off to the highest bidder. Date for the event is still uncertain.

Final preparations for Hospital Aid work, which members will participate in, were discussed.

As a war aid activity, members planned to meet semi-monthly at the local Red Cross center for bandage rolling.

Working students should save while they may.

No morning sun lasts a whole day.
Birthday Advice

As strange as it seem, it is generally considered not proper to wear clothes at your birthday party unless you are a Butler, Narragansett or other wealthy lupine. Of course, you may do this if you are a Butler, but it is considered bad form to draw the line immediately in the breast pocket, and then immediately.except.

It's a good idea, for a woman, to bring along her best old condition, and if you are a Butler, bring along some of your best old clothes. This will ensure that you are not seen as being "too rich". If you are a Butler, bring along some of your best old clothes and some of your best old money. This will ensure that your guests are not seen as being "too poor".

Modern Dance Class

Pine Ridge High School has set up a modern dance class for students. The class will meet on Tuesday and Thursday evenings from 7-9 PM in the school gym. The class is open to all students and will be taught by internationally renowned dancer, Madame Violette. Students will learn the latest techniques in modern dance, including contemporary, jazz, and hip-hop. The class will culminate in a performance at the end of the semester.

MILITARY MALARKY

Six hundred men and women have been stranded on the island of Madagascar, with nothing to eat and nowhere to go. The island is surrounded by a thick jungle and a coral reef, making it difficult to reach by boat or plane. The government of Madagascar has asked for international assistance to help evacuate the stranded troops.

Two Gold Stars

The navy has awarded Gold Stars to two sailors, John Smith and Jane Doe. Smith was awarded the Gold Star for rescuing a child from a burning building. Doe was awarded the Gold Star for saving a fellow sailor from drowning in the ocean.

Jungle Gus' Pappas Reports On Olympic Games

Greek Olympians have been doing well in the Olympic Games. One Greek athlete, Maria Dimitriou, won a gold medal in the women's 100-meter sprint. Another Greek, John Papadopoulos, won silver in the men's 100-meter sprint.

Lt. Wayne Morrison Visits JC Campus

Lt. Wayne Morrison, a graduate of the Armed Forces, visited JC Campus last week. He gave a lecture on the history of the military and the role of the soldier today. He also discussed his experiences in the military and how he became a military leader.

Lt. Wayne Morrison visited JC Campus.

Wayne was a graduate of the Armed Forces and had served in the military for over 10 years. He was known for his leadership skills and his ability to inspire his troops.

Pursuit Of Educational Vital

"Get one; get one on the road to victory.

Many women and men from BJC have joined the war along the road to victory by enlisting in the United States service. We present to you, colleagues, to be particularly watching others as they place freedom and peace before their own traditions, prosperity and honor and a seat. But do we appreciate our dagostious position? Do we realize we are among the most fortunate people living during this mad moment? How many of us are fortunate to have had life's victories we could handle? Our fares are to become a soldier. We are now fighting in the Army. William Hiney had been selected as the best soldier in the Bakersfield region. He was now chosen as the University of California and could even find many young men who are watching their techniques for life work complete.

We appreciate your work, our friends and those in the BJC and its days that we will continue to work, to make the best of the situation we face.

Have a Coca-Cola You're on the beam

...from Natal to New Orleans

In both North and South America the growing New Orleans market is served by local and national salesmen who find a wide variety of products in the Coca-Cola Co. system. In all of these places, as well as in the markets of the world, Coca-Cola is a natural for the hard-working man and woman who wants to relax and enjoy life.

Somewhere We've Missed A Cue!

In the past five and a half months of the school year 1943-44 we have made some subtle, some not so subtle hints to the students about student body participation in school activities.

In recent talks with members of the faculty, the fact was impressed upon us that the enthusiasm for what activities we do have is very low. Our attention was called to the point that many students have dropped their courses because Jaycee life has not lived up to expectations. And we can't blame the limitations...just on the war-as we have no control of war...

In an effort to enliven school spirit, enthusiasm, patriotism, or what have you, two activities were sponsored by the executive committee of the Jay ride and the Christmas Formal. The Jay ride was not a hey-hey success and we lost money on the Christmas Formal. Why?

As a result of our failure to register any enthusiasm, the faculty is losing faith in us and in our ability to "put something over." The War Finance Committee, ready, willing, and able, jumped in with a wonderful idea of presenting a Victory Varieties show. The show, featuring county talent, was designed to raise money for the Fourth War Loan. The okay was given and the committee went to work. The only discord was that a couple days before, the matter began to wonder about student backing.

Because of the lack of cooperation in past events, the suggestion was made that the plan be dropped as "There is doubt in the minds that the students would sell enough tickets to secure a near capacity crowd." We are asking you, you of the student body, would the plan have failed?

Since this time, another activity was shelved. That one was the play and it was shelved because the boys didn't turn out to fill the few male parts.

In order to regain our standing of cooperation we have to make the forthcoming events successful. One of the main events is the annual dance, "Dugout". Dugout is not only up-to-the-girls to make a success, but you boys must follow in with the connecting events. Besides this celebration of that famous "Dogpatch" holiday there is the AWS mother's tea and the tea. The success or failure of each of these depends upon each of you. What are you going to do?

Strictly Feminine

They are fighting for us; they are dying for us; they are even rolling their own bandages. So we peacefully relax on a lovely Sunday afternoon with a good book, or a game of bridge, or a chat with an old friend. That's all fine, but when you hear the call of the Red Cross, you will answer that call.

Mrs. Hunter is open first through eighth periods Monday, Wednesday and Friday. Wash those grimy little paws and start making with the gauze.
