ABOUT TIME
Finally we can truthfully say, "Rom-
ying California." We've waited a long
time for this. But now the pleasant
skies and warm days are upon us.
Grass is green and trees are in
bloom and legs are truthfully
here to announce summer. Lawn 50
and the lounge will no doubt enjoy
but will classes?

FASHION NOTE
Did you notice all the party fer-
ness that is now evident at the

function gave all the girls a chance
to show the high spot in their new
spring wardrobe.

BONDS BUY BOMBS
Have you reminded your folks of
Bea's bond drive with bonds named
in honor of servicemen, former
student veterans? If not, the time
has come to start your own private
campaign working to bring success
to your group: MASON, DUNCAN, and
KAUFMANN. Announce the round up
plans for this drive, so come on and
give them some help!

T A K E  P A R T
Once again the time has come to
think about your PETITION for an
office. Every semester you have a
chance to get into your student gov-
ernment and if you don't run for an
office, you're not to blame to complain
about the way the school is being
governed. Get your signature and
help run the plans—then you'll know
if you were right or wrong. That's the
only way you prove you're not just an
"armchair politician."

RAISE YOUR VOICE
If you see a student who doesn't
like about the RIF, if you have some ideas
for betterment, if you just want to
suggest some items for the next issue,
brave a solo addressed to the editor in
the RIF box in the Joyce office. If
you're going to object to some-
thing, please be constructive and give
us a chance to look into it or write
about it; don't just whisper those ob-
jections! Please!

MORE PLEASE
If you have a brilliant idea, or even
one that is a bit practical, or a
mount of display for the TROPHY CASE, why
don't you let Wally know? The show
case is the only one on campus of
more of extracurricular activities during
about 25 different clubs, and even during
the few weeks, and if you would like to take your
turn, just inform your proxy. Any
help will certainly be appreciated.
