Letters to bowl group may prove vital for 'Gades

Continued from Page One

The Los Angeles Daily News and Melanie Pinto's sports department, Press-Telegram, are the group that announced Friday that the western representatives would be chosen Tuesday, December 30.

Mr. Pinto suggests that Renegade names who have submitted the following information through the proper channels:

1) Bakersfield College, has an established football team.

"If the people of this community know that the Renegades have earned the recognition of the Little Rose Bowl for the year 1942, it is important that we make sure they are chosen."

2) That the Renegades' play is being reviewed in the national press.

"We intend to be among the 10,000 Renegades fans that will be present at Pasadena on December 1 if the Renegades are selected."

Renegades to Receive letters for first time

For the first time in Bakersfield College's football history, the junior varsity, Renegades, will be awarded athletic letters and certificates for outstanding performance. The awards will be given during the annual Banquet of the Varsity Club.

The awards will be presented at the Award Assembly, December 8, when the Varsity Club will present its annual banquets.
