Student body picnic to be held May 14

With an afternoon of eating, participating in a dance festival, and bowling and tennis tournaments, members of the Bak- enfield basketball team will hold an annual picnic at Zuley Park this Saturday.

School may be dismissed early, attended in good weather, and students will take their own lunch. From 1 to 2 p.m. a 25-cent luncheon will be furnished.

Who will attend partake of the food and drink will be determined in the afternoon.

Bowling and tennis tournaments will be held as usual.

In charge of the event are Gene Cleaves, John Keen, George Nielson, and Jack Devitt, radio station WBNK announcers.

Rip to nominate

Members of the Rip staff will meet next week during the period to nominate candidates for the university of the year next year.

'See My Lawyer' production draws audience response spuriously

No, I didn’t say the play was busy. I didn’t say anything at all.

But I will mention here that the story of "See My Lawyer," presented before the annual fall Bonfire by the Williston Orphans, was good and made a big splash. The acting, on the large, was just up to the standard of performance of the average college group. It is excellently casted. It is a good show. Staff members said it was a good show. And the acting, on the large, was just up to the standard of performance of the average college group.

PC committee to elect student to get trophy

Prestigious recognition, now trademarked by the Bak enfield College committee in the selection of the "outstanding student," is worth the trip to the town. The winner will be the student attending the Bak enfield College-High School Bethel.

The committee consists of the following members:

Frank Blaisdell, senior; Wayne W. DeStefano, junior; Janine Jolicoeur, junior; Emily A. McLaughlin, junior; and Paul O’Sullivan, junior.

The committee is selected by the senior class committee. The committee is the starting point for the selection of the "outstanding student." The committee is the decision-making body for the selection of the "outstanding student.

In the balloting for the "College President's Trophy" each member of the committee nominates five students. The names will be counted, and the committee of the five students selected by the committee of the five students will be the final decision of the committee.
