If the Renegades had a standard slate for the season, the potato bowl for Taft would be in the Potato bowl instead of Taft. The game at Taft Friday night ended 13 to 12 in favor of Taft. It was a close game throughout, with both teams fighting hard for the win. The Renegades, however, were able to pull ahead in the 3rd quarter and hold on for the victory.

Our City Bosses...

We love and detest the city body of BC, have been both entertained and enraged over the recent agitation in the city government. The whole thing has been a circus of charges and counter-charges to the point that we are totally unable to understand the roar of things.

To make matters even more complicated, we think the people of BC need to be made aware of recent developments. As the city body of BC has been accused of making a decision on the public airwaves that the public was not aware of, we thought we would keep them informed of the latest happenings. In short, we believe that the city body of BC has made a decision to sell the old city hall to a private developer, a decision that has been met with much opposition from the public.

Three BC Coeds to Be 'Vets'

The three BC coeds who were recently chosen to represent the city of BC in the upcoming veterans' day festivities have been selected. The selection process was rigorous, and the candidates had to pass a series of physical and mental tests. The three coeds are said to be the best of the best, and they will represent the city with pride.

Pictures and Talk on France

A talk on France was held recently at the city library, and it was well attended. The speaker, a former Goes soldier, gave a vivid account of his experiences in the war, and the audience was moved to tears by his story.

Statesmen Retired

Remember the Junior Seniors! Until this season it was a circle of students interested in political and related problems and associated with the national government. The Statesmen had its golden year in 1933. At this time it is neither active nor organized.

If you have any questions about the Statesmen or its functions, do not hesitate to bring them to your advisor. The Statesmen was one of the most popular clubs in school. They could be found on field trips, social activities, and leadership roles in student council, which is a testament to their popularity and influence.

The Statesmen served as a platform for students to express their views and contribute to the school's political discourse. Their impact on the school's culture and community was significant, and their legacy continues to resonate with students.

"Has Christmas Lost Its Significance?"

NO

By EUGENE MORDACK

To say that Christmas has lost its significance because

many people do not observe it or participate in

tradi tions associated with the holiday is

far from the truth. Christmas is a time for joy and love,

and it should be celebrated with enthusiasm by all.

YES

By CLINTON DIXON

Christmas is a very important holiday, and it deserves to be

honored and celebrated with great enthusiasm. It is not

true that Christmas has lost its significance, but rather

people have simply chosen to focus on other aspects of

the season.

BY JIM DOBBINS

Big Sport Review

With the success of the basketball program, the BC Harriers returned from Reedley last Tuesday with one more win to add to their victory column.

By a score of 62-35, the 'Gades outplayed the Reedley Tigers both on the low and high court.

The Tigers had a fast team that averaged about 6 feet 2 inches in height and fast breakers. They didn't have little fakery facing them, the local teams composed of good fast breakers and jump shooting experience, especially from a 5-10 half-court.

High Scoring Second Period

A fast and furiously second half saw the hosts win the score twice new at 44-40 at the 3:00 mark.

After that, "Bender's Boys" kept a foot throughout the remainder of the game.

The second half was also a half when the 'Gades scored 19 points, contrasted tall 14 points on seven field goals. Also observed, out of two free throws, and only 54 per cent. As expected, Gales began on their next to Reedley.

Reedley Stung by 27 Points

As a result of the defeat, the local boys were shaken and flustered. They made but 12 points on their first to Reedley.

Reedley's future bowed to the 27 points. A total of 12 points, spread over six fast and a second half, and a third half, with Reedley: two, three, and five.

Basketball Tourney

Beaver the Challenge Tournament at the Coliseum and 67-58 over the BC Harriers.

The second half was dominated by the largest margin, 62-35 in the contest for the Coliseum, where the Coliseum boys had lost a game on the field.
