Good plays depend on realistic props

The set of a two-act play, which opened this week at College's K-Mar Theatre, was completed Tuesday. More than 300 sheets of stage properties, ranging from a wooden floor to a window with a curtain, were used in the production of the play, "Murder." The theater guild, which is located in the college, is one of the few in the nation that are open to the public.

Record dance

The "Record Dance" at the college this week is the first all-campus dance. The dance was held in the gymnasium on Tuesday night. All students were invited to participate in the event.

Spikesters in five-way meet here Saturday

Inter-class meet off 'til Tuesday

Former Bakersfield College track squad will be associated in the public for the first time in three years. Definitively scheduled to compete are Thames, Banta, Dinger, Bledsoe, and Thompson. Although a few individuals have been thrown off the track squad throughout the year was always hard and foreign. Probably only seven of the 15 seniors earned their way to this meet. It was subsequently determined that if more than five points were scored, that the mark of ten was given to those individuals who had won the meet. Last official was the running of Bill Dinger and the entry of the first 16 individuals. Thompson has been the director of the track meet this year. The director's position, particularly under the guidance of Thompson, has been most appreciated.

Coach Leon Sikes of the track meet was the second starter of the meet. The track squad is composed of the following: Thompson, Thomsen, Smith, Bledsoe, and Thompson. Thompson was the third starter of the meet, and the first line of second-class players.

Accepts Campbell position

J. Robinson, Bakersfield College head basketball coach and assistant football coach, recently informed the college authorities that he accepts the Campbell High School position, which has opened up. He will leave the college immediately after completing the present basketball season. Mr. Robinson has been associated with the athletic department of the college for the last six years, having served in the position of assistant football coach, assistant basketball coach, and assistant track coach. He has also served as an instructor in physical education. His resignation will be effective immediately, and he will be available to the new school for the scheduled. He has been a valued member of the college faculty and has made significant contributions to the athletic program. His leadership and guidance will be greatly missed.
