Trackmen write finish to record-breaking season

By SID BOSWORTH, Big Sports Reporter

Only the national championships remain as a conclusion to a very successful track season for the Renegades. These outstanding performances of this year's squad will complete the season as the best junior college track team in the nation at the Los Angeles City College meet this weekend.

The Chico State and Collins coaches' crews composed four track records and tied one during the course of the season. Frady, While, Thompson, and Bishop are the men who entered their names in the record book.

At San Mateo, the record-breaking treatment set the new 440-yard mark at 56.0 and set the 100-yard dash mark of 10.30 seconds flat. The biggest surprise was Tyack's 229 mark by three-tenths of a second.

Bob Benson established a new mark in the 440 as he ran the two laps in 1:03.8 in the meet with Santa Monica and ELA. He also set a new record in the intercity meet of 2:04.8. The school record was three times in the half-mile, run by Donald Jones.

In field events, John White threw the javelin 184 feet 13½ inches to equal the mark set by Ray Ayer last year, and Bill Priddy improved his toss school record to a height of 13 feet 6½ inches on the pole vault. Priddy's attempt at a new school record in the high jump was the best of the season in Santa Monica.

Another outstanding performance was the victory over the strong Fresno State squad in the Keiko relay. Fresno was a heavy favorite to win the college division event, but the Renegades outdistanced their rivals with second place behind the BC aggregations.
