Frostmen Meet Fresno State Tonight

SID'S CORNER

Let's hope that the Fresno State Frostmen won't show up with the strong full-back tonight. At the beginning of the year I felt that our Frostmen wouldn't have done well against the Metro Clash. Our four games but now 11 others. However, the Coach's predictions might turn out to be correct. We're looking forward to tonight's game, and we hope to win.

Meet the Unsung Football Heroes

While the starters might get all the credit, the Unsung Heroes are just as important. They work hard behind the scenes, and their efforts are just as valuable as those of their more visible counterparts. Let's give them a round of applause.

BC Not So Bad?

Throughout the years—probably since the inception of BC—some students have always asked one question which has directly affected the market and publicity of BC.

The question: Just what's the matter with BC? The answer: there's nothing wrong with BC. The school is doing fine, the students are happy and the administration, staff and faculty are doing a swell job. The question is probably asked because BC is one of the top 10 institutions in the country. To the administrators, the questions are not appreciated, but the truth is that the school is on a steady climb. BC is a place where a man can get a good education and gain a solid foundation for future success.

It's Up to You

"It's up to you" is the slogan that has been adopted by BC. The slogan is not only a reflection of the school's philosophy but also a reflection of the students' attitude. The slogan is a call to action, an encouragement to the students to take control of their education and make the most of their time at BC.

Just One More Chance to Pass

Many a student has passed a class only to discover that they did not pass because they were not prepared. The slogan "Just One More Chance to Pass" encourages students to take advantage of their second chance to pass a class.

The slogan also reflects the school's commitment to providing students with the resources they need to succeed. The school offers a variety of resources, including tutoring, counseling, and academic support services. The slogan is a reminder to students to take advantage of these resources to ensure they are prepared for success.

Although it hardly seems possible that the football season is now half over—Unless the second half of the season is even more exciting and bigger than the first, it looks like a bad year for our Grids. On paper, the last five opponents appear to be much tougher than the first five.

But with our team in last week, they must get in the running. They could be the East Los Angeles team, and they are the home team. They have the strongest squad in the South in a Renegade victory there would be a major upset. UCLA is supposed to have its best team since before the war, and Sacramento is expected to be tough.

Both Tuft and Muir gave an unusual show of sportsmanship in their game last week. Tuft told Muir officially that they could not use any player that they considered ineligible. Meaning Ed Demerjian, Muir, however, did not use him and lost the game.

Basketball invades the sports scene this week with the opening of practice under the new head man, Don Dunbar. We wish the new head man a full of luck but extra luck with him here Bill Brown decided to quit school last week. In the opinion of the former coach Bill was far the lead player on the squad last year.

Last week was much softer in the predicting department as we hit 7 for 10. This week we give you more in those same things. Don't laugh because we did hit the Stanford Oregon State score on the nose. Sacramento 20, BI 19, Stanford 27, Santa Clara 28, California 28, UCLA 14, Washington State 30, Oregon State 19, USC 27, Washington 7; USF 27; Nevada 7; Loyola 20, San Diego 14, San Jose 28, Texas 26; Ohio State 20, Northwestern 13; and Notre Dame 13. 

Glad to see Don Johnson win the player of the week award for his play at San Diego last week. I didn't see the game but I heard a lot of good reports about that Joe Melton and some of the other bright freshmen were hanging on his neck every time he tried to pass. His point total unbelievable for a freshman. He is one of the finest spots in the solid football picture this year.

FROSTMEN TRAVEL TO SACRAMENTO;
PLAY PANTHERS THERE TONIGHT

BY ERIC BERNARD

Boarding a train at 11:20 this morning, the BC Renegades will head for Sacramento to meet the Sacramento JC Panthers tonight at Hughes Stadium. - Junior time is slated for p.m.

Having recuperated (?) from a 29-19 defeat handed them by Cali & Co. last weekend, mentor Jack Frost and his boys are not eager to see the Vikings anymore. "I blame the turnover rush, the big times and basketed punt return playing attack." A boy for BC to take notice of is the fact that the Porky is on the game. It was Maps JC last week. With a nose that hangs over the Panthers, anything could come true and really self-height for reach over from vans Panthers on Friday night.

Said Coach of the Porker: "We have the Most Selected Don Johnson, basketball center, with the fifth weekly player of the year award for his outstanding reading play in the game with the U. of San Diego last week. Johnson was selected for his great play even when he was being rather held back.

Johnson has attracted the attention of the writers in every game that he has played this year. Because of his game, Johnson can play even when the opposing team is looking to tackle him better.

The Porker coach to the Kansas said his Porker was doing a fine job in the main effective threat of the Kansas in all of his games. From what he saw of the Porker coach to the Pig nay and the Porker are taking off the Porker to the Big Ten.

No Lineup Available

Said Coach: "We have the Most Selected Don Johnson, center, to be used once we have been concluded to have been for the forthcoming game. For a man is the front line spots in the solid football picture this year.

Back in the States with his English wife he carried on his regular schooling. Then he returned to New York City to begin his F.C. college training program, receiving his LL.B. degree in 1949.
