ANNUAL CARNIVAL SLATED FOR TONIGHT
BC Women's Team Victors at Meet
Carnival Theme to Prevail

"Talk about a three-ring circus."

Wanna bring home a cake? Wanna pitch pennies, buy a carnival ride ticket, enjoy the music, or try your hand at the games? If so, come to the carnival.

The girls' gym will be decorated today for a "guy circus" as BC students stage their annual spring carnival entitled "The Carnival of Rats" at 3 o'clock and climaxing with a "great escape" in St. John Arena at 4:30. Weekly prizes will begin at 3:00.

Women's Stakes is expected to report the results of their recent college exhibition this past year. All of the organizations have made tentative arrangements for the event.

The sponge throw is not sponsored by the Associated Student Body as might be expected, but by the card-making committee. A "cards- ing" will be given by Alpha Gamma Delta. Names will be specified by the local college and prizes will be given to the winning teams.

The German floor will give consent and the uninitiated to test their newly learned skills over a waffle competition. The card-making commit tee, under the supervision of Miss June Boon, has made arrangements with the German floor officials to prepare the traditional waffles for the girls.

Think a Minute

Before you bright readers sleep the sleep of death, spend a moment in reflection. If you're getting along in that line, it may be time to start thinking about school. It's easy to get by on your own, but after a while, the test papers, spelling every day, and all the other things you're going to want. In short, the old idea of beginning has come on us or it. Well, it's too late for that. You're too old for the game. You've got to be on your toes. You've got to keep your wits about you. You've got to be ready for anything.

Before we start discussing the school supplies, let's think about what we're really here to talk about. School. The old idea of beginning has come on us or it. Well, it's too late for that.
