Student Body Election Slated May 16

Plans Being Made for Annual Picnic

Eleven Positions Open

Petitions are being circulated this week for candidates for 11 student offices including president, vice-president, treasurer, business manager, discipline, reporter, athletics, publicity and student activities, and a chief justice and two assistant judges of the student court.

Signatures of 36 students are required to run for the positions, which are due in the office of the college Tuesday, May 12. The candidates for the position of chief justice of the student body should take their petitions to the registrar's office before noon on Tuesday, May 12, in the basement of Commerce Hall.

Also on the ballot will be amendments to the associated student constitution, a proposal to change the program of the election, and a resolution to change the student body name, "BC" to "student body" in the associated student body by-laws. Another amendment, which takes the place of a resolution that was not acceptable by the executive committee of the student body, is to add an organization calendar of activities to the student body constitution. Another resolution, which was not acceptable by the executive committee, is to add the name of each candidate on the ballot.

The candidates for the position of chief justice of the student body will be elected by a two-thirds majority of the student body. The only requirements for a candidate are that they be a member of the student body and have a good academic standing.
