After-Game Dance
Will Honor Football

Following the Renegade-LA Harbor football game, the doors of the gym will swing wide for the annual Associated Women Students' dance honoring BC football players. This year's dance is titled "The Re-motion Review." According to Loreta Carlson, president of the organization, the AWS girls are all out to make the occasion reflect the football spirit. Large drawings of the football players will be handed from the dance floor and a goal post will be set up decorated with the colors of the colleges.

President Miller is in charge of publicity for the dance, and Lalita Hindman is responsible for refreshments. Admission is 60 cents stag, 80 cents a couple, or by student card.

Seven Arts, Will Present
Science Film Showing

Seven Arts will present two for the first time, at 11:30 a.m. in the Little Theater of the Hayward auditorium.

The first film, "Reformation" (Italian), will star Anna Magnani, one of Italy's greatest actresses. "Mom of Asia," the second feature, was presented in its first showing at the University, and was mastered at the University.

New Deferment Tests To Be Given

On December 13 and April 24, qualification test will be offered to students who did not take the tests given in May 26 and June 30. The test is given to determine their eligibility for the draft.

Those who have not already taken the test are urged to fill out their applications as soon as possible. Future deferrals as a college student will depend on a. large extent upon the score made on the test.

Poul Fred, Berns Finnilson, and Edward Simonsen, who serve in BC's Selective Service committee, stand ready to answer any questions which may arise about the test. Their offices are located in SC 122, the Records office, and SC 120.

Deed For China Grade Bluffs Campus Site In Escrow
Architectural Firm At Work To Finish Master Plan

Bakersfield College now owns the land on which its new campus will be built. By action of the board of trustees Monday night, Sept. 22, the college purchased for $55,000 the land on the China Grade Bluffs.

The property is being purchased from the Kern County Land company, which has already begun to clear the land for use. The board authorized the county superintendent Theodore St. Telker, Jr., to sign escrow in Lomita and also authorized the filing of a Notice of Acceptance of the deed.

The new campus will be located on the China Grade Bluffs.

The architectural firm of Wright, Metcalfe & Parson was retained several months ago to draw plans for the new campus, and since then, this firm has been studying various possible utilization plans, together with the officials of the college and the state department of education. A final plan has not yet been submitted.

The principal

Described as having a commanding view of the surrounding area, the exact location of the new campus site is bounded on the north by Haley Street and on the south by Mt. Vernon Avenue.

Director of the campus, C. A. James, was submitted to the board of trustees on September 9, 1951. Following extensive study of conditions at the site, the new campus site is 15 miles from the present campus.

A site study by the architects and planning consultant, C. A. James, was submitted to the board of trustees on September 9, 1951. Following extensive study of conditions at the site, the new campus site is 15 miles from the present campus.

Student Body Card Sales 20 Per Cent Short Of Perfect

"As the end of the three weeks of registration nears, it has been learned that the student body has not purchased its share of BC's 1952-53 future. As of this past week, the majority of student body card sales have been made at a total of $4,000, which is short of the $5,000 which would have been expected. The reason for this decrease is not known, but students are urged to purchase their student body card before the end of the week to ensure that the BC and committee."
Classical Throws Beep Out Of Line
Popular and Western Still Tops

Music is wonderful, especially if you're sitting in a cold, dark room and just thinking about all the good music to help you relax.

Here are some of the hits bringing out the mellowing of good music. In the old days, school would be_dir your brink. The whole world was on your side, thinking only of your happy future. But today, the music is not as good. It seems like there are too many different styles, and it's hard to find anything that really moves you.

Mobs Are Running Wild in Halls

By Margaret O'Connor

The "mob" is loose at Bakersfield College. The student body has come in for a bit of action, and in some cases, a lot of action. The "mob" is a term used to describe student unrest, and in this case, it is a term used to describe the activity that is taking place on campus.

Columbus Could Easily Find Job In Modern World

By Vonnie Jones

If Columbus could come back to modern society, he would find it easy to find a job. The vast network of businesses and organizations that exist today would make it possible for him to find employment. In fact, if he were to walk into a modern office building, he would be surrounded by people who are doing what he did centuries ago.

Streetcar Named Desire

By WalterForward

The story of a streetcar named Desire is a classic tale of love and passion. The streetcar is a symbol of the characters' desires and the conflicts that arise from them. The novel is a moving exploration of the human condition and the power of love.

Present Enrollment Indicates Engineer Shortage Coming

Future enrollment projections indicate a possible shortage of engineers in the future. The current trend of decreasing enrollment in engineering programs is expected to continue, leading to a potential shortage of engineers in the years to come.

Khaki and Blue Executive Board

By Howard Hays

The executive board of the Khaki and Blue organization is dedicated to supporting the needs of the student community. They are committed to providing opportunities for growth and development.

Gades To Star On TV at El Camino

offs the cuff

Between 11:30 and 11:45, Gades fans will be able to watch South Florida's favorite football team play with the Bayscale University at 11:30 AM. The game is expected to last approximately 55 minutes, with a possible overtime period if necessary.

SPORTS

Gades Sock Seahawks For First Metro-Loop Win Of Season

Before a very poor attendance, Gades fans were flocking to the stadium to watch their team take on the Seahawks. The game started off with a bang, with Gades scoring a touchdown in the first quarter. The team continued to dominate throughout the game, ending with a final score of 21-7. The fans were thrilled with the win, and the team received a standing ovation as they left the field.

Leathernecks Overcome Bad Start

The Leathernecks had a tough start to the game, as they fell behind early. However, they managed to come back in the second half and even take the lead for a short time. In the end, they fell short, with a final score of 14-17.

Bakersfield Host For Regional Confab

Bakersfield College is hosting a regional conference event this week. The conference will bring together representatives from local colleges and universities to discuss issues related to higher education. Attendees will have the opportunity to network and share ideas.

Gades To Star On TV at El Camino

For the first time in the history of Gades' football season, the team will be featured on TV. The game will be broadcast live, with fans able to watch from the comfort of their own homes. This is a historic event for the team and its fans, and it's sure to be a night to remember.

Renegades To Battle A Powerful Long Beach Grid Team At Griffith Stadium Friday Night

If you want to see a real football game, you should definitely attend the Griffith Stadium showdown this Friday night. The Renegades are playing against the mighty Long Beach Vikings in a match that promises to be one of the most hotly-contested games in the Metropolitan Conference (M.C.C.).

Long Beach City College was the M.C.C. championship last year, and now they're coming to Griffith Stadium to defend their title. The Renegades, on the other hand, have had a tumultuous season, but they're determined to prove themselves.

Despite their past success, the Vikings aren't taking the Renegades lightly. They know that given the right conditions, the Renegades can be dangerous opponents.

Last year the Long Beach Vikings were unseated in the conference championship tournament. They needed a last-minute touchdown to save them from a potential loss. The Renegades, led by Coach Edward, are determined to make sure that doesn't happen again.

The game is critical for both teams. A win against Long Beach would be the pinnacle of the Renegades' season, while the Vikings will be looking to solidify their position as the conference's dominant team.

Players to Watch: The Renegades' quarterback, John Smith, is expected to have a strong game. He has a knack for finding gaps in the defense and delivering accurate passes. On defense, watch out for Jack Johnson, the team's star defensive end.

The Long Beach Vikings have a solid defense led by linebacker, Mike Thompson. Their quarterback, Bob Johnson, will be crucial in determining the outcome of the game.

Don't miss this exciting match. It's shaping up to be one of the most memorable games in the 1950 Metropolitan Conference season.

Long Beach Has Nothing But Praise For The Gades After Last Week

By Eddie Wright

Grant, coach of the Renegades, quoted on the game Friday night, "The Renegades are the toughest team that we've played in three years." Later he went on to say he hadn't underestimated the Bakersfield team and knew that they were going to take the game. He also quoted, "If Bakersfield played and I had all the money in the world for the team and the ball packing of Jamison, Fanning and Thompson. He also said he thought his team played one of their best games of the season and it was never seen spirit displayed before as he took them into overtime.

Players' Comments

I think that the rest of us will all give Frank an opportunity to do his best. The team gets out of trouble..." was Adams' point about the game. George Timmerlake, Long Beach's fullback, said, "I don't think we missed a step in this game. We had a very good game as a team as well as individually. You had a bunch of players as well as one of the best teams that we've played in three years."

Renezandes Almost Upset Dope

As Long Beach Wins 32 to 28

Buck Andrenson's Long Beach team had its hands full, as the players "scared off" every last Friday night as they barely edged out victory over the powerful Remington Renegades. The Renegades kept the "Pirates" on the ropes for three quarters and a half and quarter with the Vikings scoring barely anything, until the Renegades' late run made the difference.

The game went down in the books as probably one of the most exciting games in the city's history. The Vikings, on the other hand, would never win until the final gun sounded.

Coke Score

Bill Fanning made the first score of the game, in the first quarter, scoring from the 24-yard line which ended a long Renegades' drive. Fanning missed the first of his four extra points. Shortly after the Viking, Fanning scored on a 60-yard run with fullback Terry, powering their way back up the field for the first Viking score. 3 to 0.

Then the Renegades came back again to score on a well planned play when they passed it to J.S. Wise a screen pass...Wise behind four men filed it in to Stu. fullback and ran 30 yards for a touchdown. Again the Gades score. Jamison, on one of the best runs of the night, put the Renegades ahead in the second quarter with a 14-yard score. The Vikings were still at the end as the Renegades attempted to score in the third quarter, but the Renegades turned the tables and ran back to the fall of the undefeated Vikings when the game ended 57-28.

Taverny suffered a bone separation in his shoulder and he may be out of the lineup as he was hit by Self's break out on the first play of the game. Taverny complained that Navajo, the greatest backfield ever to play for the Gades, was more than equal to it. He had lost the ball for the first time when the Vikings began to move again in the last minute of the second quarter, but the Gades came back on the last pass from Jamison to Wise on a play that was good for 30 yards. Another three points' third consecutive victory was good for 15.

Gades Again in Lead

The Vikings came back again to take the lead on the second play of the game when the Gades, with the ball for the first time, got the ball back to J.S. Wise a screen pass...Wise behind four men filed it in to Stu. fullback and ran 30 yards for a touchdown. Again the Gades score. Jamison, on one of the best runs of the night, put the Renegades ahead in the second quarter with a 14-yard score. The Vikings were still at the end as the Renegades attempted to score in the third quarter, but the Renegades turned the tables and ran back to the fall of the undefeated Vikings when the game ended 57-28.
