All Hopes High for Successful Year

It is a pleasure at the beginning of this the thirty-eight year in the history of Bakersfield College to extend to you students my sincere welcome. To those of you who are sophomores we are counting on the same whole-hearted interest in the affairs of the college which you gave last year. To those of you who are freshmen we want to offer a special greeting. You will find that college is what you make it. Like any experience of this nature college years offer opportunities to give as well as receive. Your problems and your interests are the concern of all of us. We invite you to share with us, the faculty, the privilege of making this a most enjoyable year.

Two Sides of College Life

For the prospective student, the beginning of a new semester is exciting. It is the first step before we will be expected to take on a college campus, where life will be a little more structured. It is the time to look forward to the challenges ahead, and a year later it is with some mixed feelings that we begin to wonder if we made the right choice.

The prospect of college can be both overwhelming and exciting. Some students may find the transition difficult, while others may adapt quickly. Regardless of your experience, it is important to remember that everyone has different needs and preferences. It is important to find a balance that works for you.

Only Eight Gridiron Veterans Among Thirty Candidates

By LEO NAKAHARA

The word is that the Gades will need at least 30 candidates in order to fill the positions they need for the season. During the season, it is not uncommon for 30 or more players to sign up for football. But this year the number of candidates is expected to be lower.

The Gades, led by Coach Monahan, have been training hard for the season. The team is hoping to have a successful season, but they know it will be a challenge.

Meet the Gade Coaching Staff

A new era of coaching is starting at the University of California, and it begins with the appointment of Coach Monahan as the head coach. The appointment, which was made by President McGeorge, has been much anticipated by fans of the team.

Past the Iron Curtain

Truth is the conqueror's deadliest enemy. Through American eyes, the curtain covering Europe is carrying hard-hitting truth behind the Iron Curtain by means of radio.

During the post-war Crusade campaigns last fall, 16,000 American stations agreed to broadcast the Crusade Weekly Service and utilized 260,000 telephones to get the Crusade message to Europe. Radio America is now in full swing and will continue until the end of the year.

Radio America has been able to carry on because many American stations have made a determined effort to reach the radio audience by providing quality entertainment.

The message of the Crusade is the same as that of radio America. As the radio audience grows, the message becomes clearer and more effective. The American audience is familiar with the Crusade message and is eager to share it with their European brothers.

Radio America is a unique combination of entertainment and information. It is a way to reach the minds of the people through the medium of radio. It is an opportunity to build bridges of understanding between nations.

Radio America has been an important force in building bridges of understanding between nations. As we move into the future, it is important that we continue to use this medium to promote peace and understanding.

Off the Cuff

By Leo Hagiwara

With the first game of the season over for the Gades, things don't look too promising but don't ever tell one of Jack Frost's teams to lose. He has a way of getting the best out of his men so wish another week of practice, we ought to see an improved Gade team on the gridiron.

If we could have had some of the breaks that Cost received, the score might have been a lot closer. The Gades deserve a great deal of praise though. They were a wide awake team and were able to make the breaks count.

Long Beach Wallips Hutchinson J. C.

Long Beach in the first game showed that they have a team capable of taking the championship team of last year. They traveled all the way to Hutchinson, Kansas and came back with the scalp of Hutchinson junior college. The score was 21-7. Most of the other teams in the Metropolitan conference didn't fare so well. Ventura junior college swapped Santa Monica 23-0, Fullerton tied it at El Camino 23-19, Harbor and West at Glendale 17-7.

Conference Games Stated

This week end will mark the opening of the Metropolitan conference as four teams engage in their official conference term. Conference games stated are East L.A. hosting Harbor, and L.A. Valley versus Santa Monica. It is the contention Long Beach will be invited to join in the conference. In a non-conference KFI-San Diego play their first game of the season against San Bernardino, while E. C. at home to register its first win at the expense of the University of Arizona Frogs. It is said the sports page will be torn to trouble the purists, and the television schedule was printed incomplete. Since KFI-TV, the broadcast station, has contracted to have the game sold out to KNX-TV but the program can still be seen at channel 9.

The telecast time is 8 p.m. with the actual game time set at 8:30. As a result of confusion, confusion, it is set to be played at the same time. The tickets are as follows: Sept. 28, East L.A. versus Harbor, Sept. 29, Long Beach versus El Camino, Sept. 30, Santa Monica versus El Camino, Oct. 7, Long Beach versus Pasadena, Nov. 4, East L.A. versus Santa Monica, Nov. 19, El Camino versus East L.A., and Nov. 24, East L.A. versus Pasadena.

Glendale Here-Fri.

Richard White '44 in COS

It was a noisy squad of Gades that wandered down town, to their last game of the season in 167 to the College of Southern California. Twenty thousand spectators witnessed the battle between the Buena Vista and the Giants in the history of their school. 

Gades Tense First

Jack Frost's charges drew first blood on a 60-yard punt return after eight plays, and a grandstand punt in the 20-yard line for the score. Glenn R. Williams' try for extra point was good.

Center Albert Sittig stole the ball at right end, and ran it in the Gades' 21. It took only five plays for the COS offense to punch the ball through the goal line. Halfback Frenery一段时间 passed into the end zone to give the COS 7-0 lead. Frenery kicked the ball through the goal to give the Gades a 3-2 lead. 

Halfback Frank Wills passed into the end zone to give the COS 7-0 lead. Frenery kicked the ball through the goal to give the Gades a 3-2 lead. 

In the first half of the game against the Buena Vista, the Gades gained and lost yardage. Frank Wills passed into the end zone to give the COS 7-0 lead. Frenery kicked the ball through the goal to give the Gades a 3-2 lead. 

Both teams threatened each other but neither team had the break required to put points on the board. 

The COS defense was big in the second and third quarters, holding the Gades to a 7-0 lead. The COS offense scored on a punt in the third quarter for a 7-0 lead. Frenery kicked the ball through the goal to give the Gades a 3-2 lead.
