Farrebligue, Chaplin Festival Scheduled for Friday Night

Seren Atii has undertaken the first step in establishing a Bakersfield college art collection. Dr. Jack Casey and Donald Fraize, directors of seven arts, recently conferred with Arthur Miller, last year honored with the Dalziel Harkes, nationally known art entrepreneur, and are currently in the process of determining the collection of the arts. They are undertaking a similar endeavor, Seren Atii has a particular interest in this desire to consider the need to begin the collection.

For their foreign film association that conducted the Chaplin Festival, "March of Dimes" will be shown twice by seven arts at 7 and 9 p.m. in the Little Theater, Vegan auditorium. General admission is $0.30 cents.

Chaplin" is believed to be the best available film in the United States for the portrayal of French film star, the land, and the projects France started. The film relates the happening of a single day in the existence of a French family. It was awarded the Gold Prize at the Cannes Film and Grand Prix de la Critique International in the year of its production.

Acclaimed by Critics
"Chaplin" is a picture of the famous film director's work in the land of a picture. A picture of this sort is usually either must be seen, and felt, and loved. The film is a picture of the Chaplin Festival, the second feature is the second feature. This picture is a feature film of Chaplin's films which established a form of film that was conceded for many years for succeeding comedians. In these films, the Chaplin is also a success with the lack of finesse that marked Chaplin's early films for Senner and Essanay. A synchronized music scored by Bob and shown at the "Chaplin Festival".

Two BC Students Join State Tour

Forty exchange students participated in the state tour, attended in Bakersfield on Feb. 5. They gave the state a starring performance, which included two in the Bob Bird tour, and the performance of the student tour, which included two in the Bob Bird tour. The purpose of this tour is to give the students a chance to see the state. Also, the students included the cultural, industrial, and agricultural aspects of the state, including Big Sur, in an exchange student tour in the state of the tour. Maria Chavez and Carlos Baca, both students attending Bakersfield college, is traveling with the group, also.

The international student tour, sponsored by the National Student Association, began Feb. 3, United Airlines, and will end Feb. 13 after the trip to the Atlantic. The tour includes calls for stops at Fresno, Santa Maria, California, San Francisco, Monterey, Santa Barbara, Berkeley, Santa Maria, Santa Barbara, and San Jose.

Some of the countries represented by the students are: Germany, France, England, Italy, Egypt, Japan, and the Philippines. There are ten English-speaking students, ten Spanish-speaking, and ten French-speaking students.

All of the students in the international student tour attended Bakersfield college in California.

Graduates

Friday, Feb. 8 is the deadline for graduating seniors to submit graduation pictures taken for the yearbook. Pictures must be turned in to the yearbook between 11:30 a.m. and 1 p.m. If the student is out of town, the picture taken may be delayed, but must be turned in today or tomorrow. The price is $2.00 for the pictures. Graduation pictures may be ordered if desired.

Football Players Challenge Task to Annual Benefit Basketball Game

March of Dimes Game to be Held In Boys' Gym

Teachers meet students under different circumstances to complete their studies in the annual March of Dimes basketball games. This game is held each year in March to help the children's program by spreading the work of the March of Dimes. The game is held in the school gym at 7:30 p.m. The game is a part of the school's program to help the children.

Grid Mystery

Luey is known for his knowledge of the grid iron's team. Students know that he has been holding secret practice sessions. Other rumors say that the present session is the most important of the season. It is said that even the men of the team have not been included in the practice. Whatever is going on is as yet,

However, every man eligible to play except those not chosen for the basketball team will play a part of the team. Twenty-five players are included on the challenging faculty team.

Faculty Proposes

When the championship was lost last year, the faculty does not intend to take any chance on losing this year's game. The Bakersfield faculty, led by Jack Casey, Earl Sargent, and Jack Fussell, are listed as eligible to play in the annual March of Dimes basketball games. The members of the faculty are said to have had experience in the past.

Hal Linker to Show Film About England

Students are again invited to attend the screening of the film, which is being presented by the director of the English department. Tonight, Hal Linker will speak about the "England and Wales." The film will be shown in the annual March of Dimes basketball games.

Linker has been in England in the past summer during the Festival of Britain and has brought back pictures which will be shown in the film. Following his graduation from the University of California, Linker joined the Marine Corps during World War II. He then served with the Navy during World War II. He is an intelligence officer in the United States Armed Forces, serving in the international film studio of Hollywood.

Next Thursday, Feb. 14, Linker will narrate his trip entitled "France," which will include visits to the northeastern provinces of France, including Paris.

Elks Club to Award $15,000 In National Scholarships

Mrs. Margaret Levinson, donor of $15,000 to the Elks National Foundation, announced recently that applications are available for the Elks national scholarship to any student who has completed at least four years of high school. The scholarships are open to any student who has completed at least four years of high school.

Conductor to be Feature Violinist

Violinists Israel Baker and Edward Houtzum will play the Double Violin concerto by Tchaikovsky with orchestra under the direction of Houtzum. Both Houtzum and Baker are former students of the Austrian Academy. Houtzum will conduct the orchestra for the concerto.

At a lunch held recently, Prof. Houtzum said that he was pleased with the performance of the orchestra and that of Baker for the concerto.

Latest Draft Info Explained by SSC; Jones Case Cited

"Men should not become undue alarmed by the recent publication of a sharp form of the draft in the number of the draft," stated Dr. Alexander Simons, director of the Bakersfield college political science. "At the present time, only those men have been drafted during the past few months whom the government has determined to be capable of service in the armed forces of the country."

Simons noted that 340,000 men have been taken between now and 1941, and that the effect on the average farmer and rancher in California is zero.

"Application for deferment is necessary only if you are subject to the draft. It is necessary at the time the notice of induction is received. If the notice is not received in good standing at a college or graduate school, it is necessary."

"Students in any college are subject to the draft or are subject to the draft as students if they are under the age of 21 at the time of the draft or 26 and under the age of 21 at the time of the draft and are still in college or graduate school."

"To be eligible for the draft, you must be a graduate of a four-year college. You must have completed at least four years of college.

Jones Case

John B. Jones, born May 11, 1917, is a June 1917 graduate of River High School. (Most students in the state are 21 years old, but this example is used to illustrate the situation as much as possible.)

In 1917, the student was drafted into the U. S. Army in September 1917. During the winter of 1941, Jones was called for this draft. He was called for this draft and was assigned to the Bakersfield College without any serious defects.

Jones re-enrolled at Bakersfield College in February 1918. He received his degree in 1918 and returned to Bakersfield College without any serious defects.

Jones, re-enrolled at Bakersfield College in September 1918.

The December 1918 draft called him for the draft again, but he was re-enrolled at Bakersfield College without any serious defects.

Baseball Squad Travels Saturday To Meet Ventura

by Bob Dugg

The basebell squad is expected to return after being swarmed by Santa Monica and San Diego in the last two out of three games played this past week in Santa Monica. The Gades played their best game in the second game, but the outcome was the same as the first game.

At the Santa Monica high school game, the Gades got off to a good start behind the pitching of the second game. Miller got shutout 3-0 in Santa Monica and held the Gades to only two runs and one hit in the second game.

Gade Nine Stomp Ventura, Glendora, COS to be Next

The Bakersfield college Renegades opened their 1952 baseball season with an impressive 10-1 victory over the Ventura College Pirates last Saturday in the coastal contest.

The Gades completely outdistanced their hosts and had the game won by the third inning. While the Renegades were blasting their Pirate hurlers for ten runs, the gades were twice victorious over the Gauchos. If the Gades want revenge this year, they will really have to be up to par, since COS has a pretty strong team so far.

The June score:
Bakersfield... 101 1 1 11 11 3
Ventura... 000 001 000 001 0

Outstanding in the hitting department for the Renegades were Bob Newton, Eny Willison, Butch Souza and Donaghen who had two hits each. Donaghen hit a homer, "and drove in three runs.

Glendora, COS Strong

Friday the Renegade baseball squad travels to Glendora. This will be the first time the Gades have met the Glendora team in two years. The last time the Gades played the southern was back way in 1950. Glendora is again up to par this year by having another powerful pitcher, baseball club.

On the following Saturday afternoon the Renegades play host to College of Sequoia. Last year the gades were twice victorious over the Giants. If the Gades want revenge this year, they will really have to be up to par, since COS has a pretty strong team so far.

It seems that Bill Taylor was given a rather raw deal in the LA Harbor game last Thursday. Taylor and an opponent were both trying to pick up a loose ball on the floor. Taylor happened to get there first and pick up the ball. When he did, the LA Harbor player began swinging like mad at Taylor. At first Taylor was surprised, but when he realized what was going on, he started yelling in his face. When the ref came over and threw both of the players out of the game.

We don't know what the ref was thinking of, but it certainly wasn't fair to him to throw Taylor out of the game. Just because another player tried to pick a fight. Anyhow the coach and many spectators expressed their opinions to the favor of the ref's decision. When Taylor was asked about the situation he was actually Schultz, but he had never heard of the ag. person he was playing for. It must have been that the LA Harbor player was mad because Taylor beat him to the ball, and it could be handled.

Track Interests Today

The date of the track interclass meet has been announced. It will take place today and tomorrow. If anyone is interested in getting a look at the track team, drop around the track about three o'clock and take a good look.

BC Nine Doing Fine

The baseball team has certainly been doing its best. Regardless of the weather, they practice daily. And incidentally, the baseball squad will start travelling on cars tomorrow. That's the advantage of having a small team. If any of you have forgotten the fact that a county than you'll know what I mean by having an advantage of riding as cars. Those boys are just like sheep; they needn't look for comfort.

The Renegades

Sweet revenge was ours on Thursday night as the Renegades poised their team to throw 13 points in 35 seconds while holding LA Harbor to 33. Lee Dunbar alone single handedly controlled the backcourt as he put in his big shot of the game. Don Halliday, fouling out in the third quarter, had 14 points, and he probably had scored in the twenties had he lasted the whole game.

Johnny Ogden buried the nets with 25 points to lead the Gades in scoring with amazing shooting ability.

San Diego Thriller

In the San Diego game here Saturday the Gades lost to San Diego but only after putting up a tremendous fight in the overtime period. Coming from ten points behind, the Renegades pulled to within three points of San Diego at the end of the third quarter. In that burial fourth, Wilkins and Strong turned the game 65-62 with five minutes left to play.

Strong, Ogden Tie Game

Then a shot from Strong, who dinked the Gades a two point lead in the last minute Johnny Ogden brought the Renegades up to 65-67. Then Tony Mazzella, a San Diego guard, scored a field goal in the last seconds remaining to give the Knights a 69-65 lead. With five seconds left, Ogden with a book that from twenty feet out tied the game up again at 69-69.

In the overtime period the Renegades scored first and made some nice shots, which put them ahead in the end of the game, 69-66.

"Chris" Will Field Good Track Squad

In Coming Season

A thrill with Coach Christiansen is the track team is looking better every day. It appears that the squad will enter the Fall as a great track team this season.

Brancher and Thompson are in shape and should be ready for the 200 and 440 low hurdles. Bob Sell is in good shape for the high hurdles, and Bob Call and the distance runners are coming along fairly well. Hubbard is back in the pole vault, and Dad James is looking fine.

Coach Christiansen, says the strongest event will be the shot put, discus, and miler. West are doing the throwing.
