Amendments to Constitution to Go Before S.B.  

At a recent meeting of the Executive Council, it was voted to put three amendments to the constitution to the ballot next Tuesday. These amendments would give the head song leader, head yell leader, and the two associate justices the right to vote in Executive Council. It should be made plain that the Executive Council, in allowing these amendments to go before the student body in the elections, do not mean that an endorsement of these amendments were voted by the council. It means only that the student body will be able to decide whether or not to add the council by vote of the student body.

Wild Life Comes to Fri. Assembly  

At the third period assembly, on January 1st, nationally known Birder Middleton will show the wild life of Canada filmed in its own environment. Harold Wells will act as guide and narrator for his color film "Canada-Birds," a record of the nesting activities of 200 species of birds through the Laurentian mountains, along the island studied St. Lawrence river, to the Gaspe peninsula.

From a life-long study and intimate association with many phases of wildlife, the naturalist truly portrays its natural life and character. A rare and colorful presentation of scientific knowledge combined with wistful recitals of his amusing as well as thrilling adventures. The guide will be a bird and conservation program which looks toward an appreciation of nature by young and old alike in the purpose of his lectures, which have been given in the national parks in one year. In this time he has been a bird of the Yosemite National Park and the Yosemite National Park. He has been a bird of the Yosemite National Park. He has been a bird of the Yosemite National Park. He has been a bird of the Yosemite National Park.

Bakersfield Open Forum to Begin Annual Winter Series  

Bringing such artists as Aida, Stearns, England, and Walsh Farm, Holland, and Belgium, the Anticolean region will be the project of the Bakersfield Open Forum as it begins the winter series on January 17 and concluding February 28, sponsored by the Bakersfield County High School's weekly magazine "Open Forum". The winter forum sessions will be open to all students, without charge, and will be held as planned in various high schools in the county.

Student Interest

Student Interest  

My past semester as student body president has been an ever increasing interest of the students in school functions. It has been my policy to encourage and work for the support of student interests in our college. Student interest is a deciding factor that makes Bakersfield College one of the outstanding junior colleges of California. I urge you to "pick" for our college to accomplish the very best interest of the student body and would consider it both an honor and a responsibility if you could finish my last semester in the student body as president.

Wayne Reeder.

Promises or Action  

In thinking back over my experiences in the campaign promises I have made, one thing that stands out in my mind is that of student interest. Almost all of the campaign promises I have made have been suggestions of interest to the student body. It is my duty to fulfill these promises and I will do my best to see that they are fulfilled.

Jack Burdick.

Exchange Students Will Be Guests of College  

Representing twenty-four different countries, forty-three exchange students will be guests of Bakersfield College when they arrive in Bakersfield for a 4-day sightseeing that will enable them to see their host town in its own environment. At the college, the students will be guests of the college and will have the opportunity to see all that Bakersfield College has to offer.

Arriving on Saturday, Feb. 3, the students have already been to see the new oil wells and are looking forward to learning more about Bakersfield, as well as the programs and the activities of the college. The students will arrive at 9:30 p.m., and a special breakfast will be served. They will then tour the campus and return to their dormitory for dinner at 5:30 p.m.

Bakersfield College is happy to welcome these students to the Bakersfield College family.

No Rip  

There will be no Rip for the next three weeks due to the fact that the semester ends at the end of winter time consuming. The next issue of the Rip will be Feb. 3. The members of the staff would like to wish everyone a "Happy Easter" and a "Happy New Year."
OFF THE CUFF

BY LEO HODWARA

Tennis and swimming were definitely able to take a back seat this year as is golf. Baseball seemed to be the bright one for spring sports this year and it has surpassed all other sports at least for the moment. The season hadn't really started and so the actual start was still several weeks away. The Bakersfield High School baseball team, under the guidance of Coach Joe Clark, played well against a good Sierra Pacific High School team. The score was 4-0 in favor of Bakersfield. The team has a lot of potential and is expected to do well in the upcoming season.

LA Valley Five Flatten Renegade Men In First Metro Match of '52 Season

Using their first baseman, the Bakersfield College Renegades, with Ken, to open Long Beach City College. The Renegades have not played to their potential this season, and their defense has been a major concern. The team has shown promise but has yet to put it all together. The Renegades have a tough schedule ahead and will need to improve their overall performance to compete with the top teams in the conference.

Basketball Schedule

- Long Beach City College, January 15
- Santa Monica City College, January 22
- Fullerton College, January 29
- Fullerton College, February 5
- Fullerton College, February 12
- Fullerton College, February 19
- Fullerton College, February 26
- Fullerton College, March 4
- Fullerton College, March 11
- Fullerton College, March 18
- Fullerton College, March 25
- Fullerton College, April 1

Description of Lakeside Gymnasium

The 102 by 84 feet of playing space is below ground level, giving the appearance of an inside bowl. The floor itself is made up of a concrete foundation and a series of two by two separators for three subfloors and the hardwood top. This arrangement prevents walking and gives the floor necessary bounce, explained Robert Elliott, Lakeside school principal.

Costing $185,000, the Lakeside Memorial gym is considered among the finest postwar constructions of its type. Adjacent to the main building, there are two swimming pools, one for diving and the other for swimming-meets.

Executive Council Sponsors Second Annual Gade Ramble

Disc Jockey Day: To Emcee Show Following Game

It's getting to be a habit. Lakeside will be the second annual basketball ramble to be sponsored by the executive council. This growing tradition began last year at "Arvin" day, when Jules Ethelstane served as co-ordinator of committees for the event.

Basketball officers were out in mass for the Arvin day festivities, and the affair was acclaimed one of the outstanding successes of the year. It was agreed by last year's council that the affair should be an annual event until the year that Bridges College's own campus and gymnasium were completed on the site near the La Crestra airport.

This year BC's tiles ramble to the new Lakeside school, and Homer Rucker, director of student activities, promises that this year's affair will equal, if not exceed, all previous records.

"The Community room where the variety show and record dance will be held is perfect," Miss Rucker said. "In addition to an excellent dance floor and speaker system, it has a completely equipped stage from which our own show can be presented."

Lakeside Day Calendar

6:00 p.m., Sat. - Spaghetti dinner in cafeteria at Lakeside school.
8:00 p.m. - Basketball game, Bakersfield College vs. College of the Sequoias, Lakeside gymnastm. Immediately after game, BC's Tiles Ramble. Record dance and variety show. George Day as master of ceremonies in the Community room.

BY GEORGE, the Lakeside shindig is only three days away, but everything is under control. For the past week Norma Rucker and disc jockey George Day have been busily arranging for the "Day in the night" record dance following the BC-COG basketball game.

Food, Excitement, Entertainment Packed into Saturday Schedule

NEW LAKESIDE SCHOOL Site for the coming Bakersfield college Lakeside daze ramble. Everyone in Gridville is invited by the executive council to take part in the student body activities planned for this coming Saturday night. The festivities will include a spaghetti dinner, a basketball game, a variety show, and a record dance.

Food

Holt Arranges Program of Curtain Raisers

Fred Holt, director of assemblies, is in charge of greeting top Bakersfield college talent performers for the variety show to be presented as part of the after-game program. Norma Rucker, assisted by Judy Bond, by a majority command of the student body, local disc jockey George Day will speak about the activities and dance, as he did the previous year at Arvin. In addition to his ability as a speaker, Miss Curran has been able to sing and play the ukulele.

Holt arranged the variety show in preliminary preparation for the event, principal Robert Elliott took the Lakeside day committee on a tour of the facilities. During the day the band was preparing for Saturday night migration of Bakersfield Cadets and gals.

Meet your friends at
Chester and Second

VISALIA GIANTS from the College of the Sequoias. Named for the huge redwood trees from which the college draws its name, the COS has Paul F. "Polly" Wilhelmsen as their coach and director of athletics.

Gades Seek to Even Score in Second Game with Giants

Led by high scoring forward Leonard Tucker, the College of Sequoias' Giants will be out to knock over the Bakersfield college Renegades for the second time this season when the two squads meet Saturday night in the Lakeside school gymnasium.

Equally determined and seeking vengeance for their earlier ten-point defeat, a rapidly improving Gade squad promises to be no easy victory for the invading Giants.

Ogden Eligible
Johnny Ogden, able forward from last year's East high squad, has joined the ranks of Pfister hardwooders in time for Saturday's clash. While waiting out the period required for transfer students, he played for the junior varsity Cavaliers and engaged in a hard fought battle for the scoring lead in the city league.

COS, Hot

Finishing up in third place in the Modesto state tournament, the Visalia Giants can not be considered anything less than deadly. In their own league, the Central California junior college association, COS is bidding for its eighth straight championship. Included in this competitive loop are Coalinga, Porterville, Fresno, Taft and Reedley junior colleges.

Amazing
Comical

Bob, would you mind telling us your idea of the perfect woman?
'Not at all. She has an unlimited bank account and an uncontrollable desire to spend money.

Any more requirements to make the perfect woman ideal?
'It would help if she was the home-loving type and at the same time interested in outdoor activities. She should be a good cook—most girls nowadays can't cook. Finally, she would have to have a quiet mother and be a good dancer.

Thank you, student body president Bob Crozier.—(Interviewed by Rip Reporter.)
