A TRIBUTE

A mighty oak has fallen
And left an aching void

William Van Evert is no longer with us. Like a tree torn by lightning and devoured by its branches, he fell in full verdure and in the prime of life.

For nearly a quarter of a century he stood out on our horizon as the master teacher. Like a true college professor there was no one like him. His students adored him and counseled with him, but at the same time were always in awe of the master mind. He was the soul and driving force behind the growth and wisdom of the ages, and reclaiming them through the wealth of a modern mind to make them a sympathy of life for his students.

Van is gone but he will continue to live in the lives of a generation of young men and women in our community and scattered around the world.

H.O Men Drown East LA; Enter Metropolitan Meet

by Wayne Smith

Finishing its regular meet sched- ule, the Bakersfield college swim- ming team has remaining only Metropolitan conference meet to morrow, the Southern California meet, and the state meet.

Winners Favoured

Conference winning El Camino will be favored in the meet tomorrow and Santa Monica, Bakers- field, and East Los Angeles are expected to bring up the rear. The meet will be held at Santa Monica.

Last Saturday: the Gulls won over the East Los Angeles Hodkins for the second time this year 4-27 at the Huntington Park high school pool. Ran LA broke only three and tied for one in the diving department.

Bakersfield started festively by winning the 150 yd. medley relay in 1:41.33. Buzz Villas, Dave Patterson, and Dave Brown made up the relay. Ernest Hodge won the 220 and was on the winning style relay.

The April shower season still isn’t over yet since it rained three times last week. Basketball boys and tennis were mostly cancelled but the cadetmen managed to sur- vive for a few events last Friday.

Buchler Looks Great

And maybe the rain did some good as Ray Buchler ran the 3,000 yds. in 10 seconds, which is the fastest ever run in a lifetime. In fact all of the tracksters did exceedingly well and the rain came Saturday the cadetmen were named out of the California Poly- technical Relay at San Luis Obispo.

**Girls High Field**

Ernest Hodge informs us that the Renegade swimming team is having a hard time keeping in shape. It seems the early high school girls take up at least half of the pool every day. The girls class typically goes when the sun goes down but then so do the Renegades. Hodge stated that last week he had to swim at least a mile a day. So far this year he has only had such a workload once.

**Reminder**

Just a reminder: all The Week- enders that the -Metropolitan pre- selection will be held at 8 AM in the morning and afternoon. The finals will take place at Griffith stadium at 8:00 that night. That should be a real treat as most the best boys in the league will be competing for those high-class medals that will be given out.

HOPING TO RETURN to action this week Bill Ross, a hard man to beat in the relay, Ran has been out of action for several weeks with an ear infection. Last year he was on the all-American medley relay team.
