COLLEGE JOINS BLOOD BANK

Medical Service to Benefit All Students

New Lounge to Undergo Redecorating

Major face-lifting has been announced for the new student lounge, according to Joan Dodge, ASB president.

The gathering place was recently moved from the J.C. building to the frame building on G street. Also in on the quake-caused création was the outside office.

Baking up a storm in an of- fice, the new lounge was not thought to be appropriate so a redecorating job was decided upon.

A tropical motif was suggested in a meeting of Miss Dodge, Pete Loewenberg, student body president, and Edward Simonson, student body president and Dr. Edward Simonson, dean.

"We felt that would fit the present style of the building," said Miss Dodge.

"Rattan furniture with inno- centifiable features in a palm leaf pattern was further suggested, with draperies of the same design, and potted plants," she continued.

Students plan to do their decorat- ing with the exception of the painting.

The lounge will be closed for a short time during this period.

Registration to Remain Open for Evening Classes

Final registration in extended day program classes will remain open through this week, according to Dr. H. Parley Kilburn, program director.

Commercial classes being offered are agriculture, trucking, aircraft, and stenography. Academic classes include science, social science, English, and history.

Bakersfield College is to be the newest member of the Los Angeles Community Blood Bank and was de- cided at the council meeting Tuesday, Sept. 24, according to Pete Loewenberg, student body president.

By joining in a group, service is provided for every member of the student body and members of their immediate family.

To compensate for this service, twenty donors are "awarded" at the next several months, according to Loewenberg. Those interested in donat- ing should drop by with Mrs. Rita Tobey in the dean's office.

Donors should be between the age of 18 and 60. Those under 21 will need written consent from their parents.

Weight should not be less than 100 pounds. Blood pressure should be near normal. Donations will not be accepted from those suffering from malignant diseases, or those having colds.

College Student Awarded Contest

Money to School

Jerry Ted, freshman student in Bakersfield college, has been recently awarded a two-year scholarship to the Martin School of Radio and Television in Houston, Texas by Frank Warren, instructor in radio production.

The contest was at the Kern County Fair Sunday, Sept. 23, sponsored by a local radio station. Ted came out on top out of six other contes- tants. The scholarship is worth $1,200 in tuition fees at the school and may be used any time during the next five years.

Ted is a beginning student in radio production and plans to make television his life's career. Mr. Warren and Harold Silverman, the radio production teacher at Bakers- field high school, picked the students from their radio classes to represent Bakersfield high school and college.

College Will Elect President of U.S.

Belkard college will make a choice of president of the United States today. Included in the regular student body will be the names of Dr. Johnson, and Allday, the two principal candidates for the presidency.

In all, there are 14 candidates, including the existing students, and the new group of students. The name of the college that will choose the president is to be announced by the dean of the college.

New Engineer Course Offered for Night Class

A new course will be offered for night classes, beginning in the fall semester. The course is designed for students who wish to enter the engineering field. The course will cover the fundamentals of engineering mathematics, with an emphasis on calculus and differential equations. The course will be taught by Professor John Smith, and will be held on Tuesday evenings from 7:00 to 9:00 PM.

Gades Unbowed; Wireless Ventura

Next, Friday

The Gades, who have been struggling through the first few weeks of the semester, are looking forward to next week's game against the Ventura College. The Gades are currently ranked fourth in the conference, but are looking to improve their record.

Contributes to BC Loan Fund

The Beta Gamma Rho chapter has made a donation to the Education Fund of the BC Student Council. The donation has been made to the Department of Finance.

Betty Gamma Rho is an active chapter in the school and is currently working on various projects.

Assembly, Rally

Chock Cafferty was master of ceremonies in a student assembly and rally, Friday, Oct. 5. The rally culminated in the band’s performance of “Tara’s Theme.”

The students were extremely enthusiastic about the rally and the performance of the band.

Falling for You

As the saying goes, “Love me, love my dog.” But in this case, the dog is a coffee shop and the love is palpable.

Cafferty told the students about the coffee shop and how it has become a haven for people looking to get away from the chaos of daily life.

The coffee shop is a cozy little place with plenty of seating and a menu that includes a variety of drinks and snacks.

The students were very impressed with the coffee shop and expressed their desire to visit it.

Gades Defend Unbeaten Record Against Scots

With five wins under their belts, the Bakersfield College Renegades need only six more victories to guarantee themselves the Western State Conference title. The Renegades defeated the Scots 11-5 Friday night at Memorial Stadium.

Harbor Becomes Gades' Fourth Straight Victim

The Renegades are now the LA Harbor Seahawks (4-0) in eight straight games. The first five victories were over Los Angeles City College, Fullerton College, Fullerton College, Fullerton College, and Fullerton College. The Renegades have not lost a game since September 12th, when they were defeated by Cal State Fullerton College.

Eisenhower Triumphs Again in Straw Vote

Knights Present Victory Bell

Last Friday's straw vote showed that the College Republicans (26) were the strongest students group on campus. The College Democrats (8) were the weakest group, while the Independents (12) were in the middle. Eisenhower's straw vote was 25-7-8, which is the same as his straw vote in the last election.

Possible Chance BC Will Acquire TV Set

Ad vocated the sale of television sets to the college, which is expected to be approved in the near future. The sale of television sets is expected to bring in additional revenue for the college, which will be used to improve the facilities and programs. The college is planning to purchase a new television set, which will be used in the classroom and for sporting events. The college is also planning to purchase a new computer system, which will be used to improve the educational programs. The college is also planning to purchase a new athletic field, which will be used for sporting events. The college is also planning to purchase a new library, which will be used to improve the educational programs.
Enfield, Conn. — For a man who spent 25 years in the service of his country, it is fitting that Gil Flander's name be remembered.

A native of Enfield, Conn., Flander served in the U.S. Army during World War II and Korea. He also served as a police officer in Enfield for many years.

Flander was known for his dedication to his community. He was a member of several organizations, including the American Legion and the Enfield Elks Lodge. He was also a long-time supporter of the Enfield High School football team.

Flander is survived by his wife, Betty, and their children. Services will be held at a later date.

RENEGADES OUT TO SMASH SAN DIEGO KNIGHTS

Bakersfield in Try for Comeback Against Winless San Diego Knights

The Knights of San Diego Junior College will be seeking their first victory of the 1952 season this Friday night when they meet the unbeaten Bakersfield College Renegades at Griffith Stadium.

Coach Johnny Bone's Knights showed promise of an improved team against powerful San Bernardino in their second game of the season. Although being picked to lose by four or more touchdowns, San Diego held the highly rated Indians to a 20-10 loss.

Knight Stars

Standouts on the offensive for the lender crew are halfback Ted Rice, quarterback Chuck McDaris, fullback Ed Duncan and end Tom Tanzilo, all of whom have made it tough on all opposition.

Rice is probably the outstanding player on the visiting team. His outstanding play in the San Bernardino-El Camino and Long Beach games attributed to the Knights doing better than had been expected against the predictions made before the games.

San Diego, having been beaten by Long Beach by the same score of 20 to 9, has given much better odds in the coming contest. Bakersfield will probably be picked as favorites but will have to show much better ball playing than it was witnessed at Long Beach, and at the El Camino games.

An interesting sidelight to this game is that Bakersfield has never won from San Diego City.

Bill Taylor, the man who throttled the fans first week with spectacular rushes at crucial times, probably finds a starring berth for the San Diego contest. Bill is probably the most improved player of the Renegades this season and has undoubtedly left his name remembered to sports minded individuals in Long Beach.

Vikings Victorious

Bakersfield Renegades suffered their second straight setback of the season to the Long Beach-Vikings last Sunday night at Long Beach. Bakersfield went into the game a 6 point favorite, but losing a fencer didn't help win the game, because the Gades ended up on the short end of a 20 to 6 score.

The Gades were first to score, in the first period. Morris Metzler intercepted a pass on the Renegade 30 yard line and ran it all the way back for a T.D., behind excellent blocking. At half time the Gades still led the Vikings 6 to 0.

It proved to be a different story in the second half. Robert Gestner scored for the Vikings in the third quarter. Alton Brown and Bill Shinn scored in the fourth quarter.

Shinn kicked two conversions to bring the Vikings total to 20.

Colorful Game

Before the game got underway the Vikings showed the winning floats from their 25th annual homecoming parade. The floats were very good and showed that a lot of time and effort were put into making them.

A very nice gesture on the part of Long Beach City College was when the Vikings sang leaders presented our song and cheerleaders with their trophies with a "Thank you" on them. The Renegade cheerleaders were in high spirits for the game and didn't give up till the gun had sounded ending the game.

Sports

Sprinklings

By Wayne Smith

One of the season that may be attributed to the Renegades, being strong of two straight is that many of the fleet strippers were plagued with injuries. Glenn McWilliams, halfback for El Camino game and was limited at the Long Beach game but the chances of Bakersfield even miter, McWilliams is suffering with a knee injury, but will be ready for action Friday.

Ray Frederick has been suffering from a chaffing skin on the El Camino game, Red Nose had a torn muscle in his side and was

limited action at Long Beach, and Bill Laws was out with a strained ankle. Bill Taylor received a slight chest injury last week.

No one can tell me that injuries don't weaken a team. This may not be the real reason for this downhill slide of the Renegades, but with a little organization and school spirit things will change.

Layout Out Knights

San Diego came to town with a spotty record from last season which the Gades annihilated conclusively. From comparative scores it seems like it should be quite a contest, because Long Beach emerged victorious over both Bakersfield and San Diego 26-20, reout.

The Knights are without go for this game and will come out of the scrimmage with another defeat.

Sports Tip Tip

Bill Taylor, Renegade end, has turned into quite a pass receiver in the last few games. Taylor has caught two touchdown passes—two in the Harbor game and one in the Ventura game.

The new backfield will be ready for the San Diego game, increasing the seating capacity of Griffith stadium some 4,000. These blunders will replace those old disappointed stands on each side of the center ideal.

Most basketball players are need ed by Bakersfield High and Bakersfield College. Pistol can usually be located at the gym department but attendance if interested. Practice takes place at the Lakeview school gym every afternoon. All home games are to be played at the Lakeview school gymnasium.

HOTTER THAN A TWO DOLLAR PISTOL

Morrise Metzler, Renegade end, fanned out the Renegade fans to their feet, but this lead soon dwindled down, and finally lost 20-6.
