**BC HITS HIGH GEAR**

**Sorry Males Learn of Real Girl Shortage**

Pity the poor BC male was the cry that went up recently when the Rip learned that men students at the college outnumber the women more than three to one.

**Oh Me!**

According to figures received by this paper, only 216 women are enrolled for the fall semester to 686 men. Every red-blooded male is hoping for better days to come next semester, however.

Regular day student total 1062, an increase of more than 15 per cent over last year.

**Up 30 Per-cent**

Overall enrollment is up 30 per cent, including part-time and extended day registrants.

The greatest percentage jump occurred with registration of part-time students. The figures show an increase of 125.8 per cent. Seventy students are enrolled this year.

**Further Increases**

The second greatest increase occurred in the extended day program of the college. Enrollment is up 91 per cent, and the total number of registrants include 853.

For the regular day men students, however, it will be rough going when Christmas formal-time rolls around this month.

**J.R.B. Plans Monopolize Days Ahead**

By Bob Folger

Activity this week will not be confined to the Renegade practice field, it was learned Tuesday. While most students roamed the campus Monday with dazed and happy expressions, a few—sleepy—souls wrinkled their brows and set to the task of planning for the days preceding the all-important Dec. 12.

Following the announcement of the Gables as the Western choice to the Jr. Rose Bowl, some quick suggestions developed into a number of tentative plans.

**Bulletin!!!**

BC rooters will be required to wear white shirts before being allowed to sit in the rooting section of the J.R.B. game, Dec. 12.

Preliminary plans are underway for another bonfire similar to the Taft blaze Thursday, Dec. 10. An effigy of Northeast Oklahoma A&M will be burned in a more elaborate ceremony. According to Jim Waters, student body president, it is hoped that the proceedings can be “bigger and possibly better than those before the Taft game.”

Rally plans are definitely under way for third period Friday, Dec. 11 in Harvey Auditorium, according to Gey Brainium, director of assemblies. To top it off an “understood” school holiday may be declared for the remainder of the day. Waters explained that the students would be “requested” not to attend classes after the third period gets together. However, he cautioned, it’s still on a tentative basis.

The Pasadena parade Dec. 12 will feature two cars carrying the song and yell leaders and Betty Robie, 1953 Football Queen.

**Frosh Sponsor “Potato Ball”**

“Potato Ball,” a freshman class sponsored dance, will be held following the Spud Bowl game Saturday, Dec. 5, Cecelia Bensen, general chairman, announced Monday.

Johnny Martin and his band have been obtained for the affair. The Shriners are assisting the freshman class with the sponsorship, and O resentment, is the Shriners representative for the dance.

Audrey Waters is in charge of publicity. Bev Byers and Linda Wilson are planning the decorations, and Kent Kilburn is taking care of the refreshments.

EASY MEN! Pick your tongues off the floor and get control of yourselves; our football queen, Betty Robie is here to remind you of the forthcoming Junior Rose Bowl game. Fellas, did you get that?

**3000 Tickets Released**

Student tickets went on sale yesterday for the price of $1 in the student store, following discussion on the subject at the council meeting last Tuesday.

It was decided at that time to allow two tickets per student body card. A total of 3000 student tickets will be available.

Nite Before The Rose Bowl
By Rip Scott

Two the night before the Rose Bowl, and all through the colleges
Not a single glee club was sleeping aloud,
The bellboys were hung by the stockings with care,
In hopes that victory soon would be there.

The players were nestled all snug in their beds,
While visions of Rose Bowls danced in their heads;
And Crook Tennis Beauty in ornamented wrap,
And just settled down for a restless nap.

But wait till the center came the victory ball changing,
As BC students felt home doors slamming.
Buckeyes were leaving and returning were droning,
For all knew the National was in for a test.

With their little coaches so lively and quick,
Planning every stage to make Ohio look.
More rapid than the little Ohio glee club,
Even Cincinnati seemed not so much out of sight.

"Oh, Driftly go, Ohio, go, Ohio!"
"Fight around, Ohio, and victory!"
"At the head of the Conference, in the head of them all."
"Now, on to the Rose Bowl, we'll have us a ball!"

The cars they assembled, this was how they drew;
Oh to Bakersfield! Away! They went.
But I heard them all yell and shut down out of sight.
"We're behind you! God bless Fight Fight Fight!"
