WELCOME, SENIORS!

Selective Service Test to be Given Again on May 21

All male students who wish to take the next Selective Service College Qualification Test must submit application to the Educational Testing Service, Princeton, New Jersey, postmarked no later than midnight, May 17, according to Major General Lewis B. Hershey, Director of Selective Service. The test is to be given May 21 and is primarily for students perturbed by illness or other emergencies from taking the test April 23. General Hershey emphasized that students who need a certificate of admission for the April 23 test which they failed to take on the assigned date must submit new applications if they wish to take the test on May 21. The old certificates are no longer valid.

Test to be Taken

This test will be the last one of the school year. Applications may be obtained from the Selective Service local board and they must be postmarked as soon as possible to the Education Testing Service.

Qualifications required to take the test are that the applicant must be a Selective Service registrant who intends to register as a student at a university, must be satisfactorily pursuing a full-time college curriculum, and not have a graduate leading to a degree, and he must not have previously taken the test.

SC Dean of Students

To Speak at BC Day

Dr. Bernard L. Hynick, dean of students at the University of California in Davis, Calif., will be the speaker for BC Day, May 8, according to Dr. Hynick. He will speak at the annual banquet held at the faculty chairman for the annual affair. Dr. Hynick will speak on the subject of "Graduates of a Higher Education."

Now, Over This Way We Have

Bob Orick and Richard Rhodes, displaying typical BC pride, explain the reconstruction of the earthquake damaged south wing of the BC building. Orick and Rhodes are members of the Renegade Knights, men's service organization in charge of some of the BC day campus tours. The Bakersfield High seniors are: Marjorie Trimnell, Peggy Hegg, and David Singe.

Second Blood Drive

Launched This Week

Preparations are underway for the second Bakersfield college blood drive, which will be held in the Hubert Memorial Blood Bank Thursday, May 15, from 6 to 9 p.m. According to an announcement received from Delia J. Jarnett, student chairman of the event.

Constitution Vote

The newly proposed constitution is on a test vote in passage at the "select" elections, reported Jack Loffer, chief 'justice' of the student government. A total of 150 "yes" votes to 30 "no" votes issued its passage. "It can be seen that a relatively low number of people voted, but that there is more than the required two-thirds vote to pass a measure of this kind," stated Loffer.

"One immediate effect the constitution will have is on the next general student body elections, May 21. Students interested in running for office should submit their petitions, but will merely have to register the office they wish to run for and their name with the administrative office," continued Loffer.

He also reminded students that the deadline for filing for office in the May 21 election is May 15.

Seniors Come to BC

by Bob Folger

An estimated 2,000 seniors from 11 Kern County high schools today will converge on the Bakersfield college campus to participate in the third annual BC Day. A program in Harvey Auditorium and a luncheon at Beele Park will highlight the special event, according to Fred Watson, speech and drama instructor, who is general chairman of the planning committee. "Going to college is a big step," Watson said, "and BC Day is designed to help the seniors learn the value of furthering their education and to give them a chance to become acquainted with Bakersfield college."

In issuing a welcome to the visiting seniors, Dr. Ralph Prater, Bakersfield college president, stated, "It is a great pleasure on my part to welcome you all to our high school guests to this third annual BC Day. We feel at a unique privilege for us to become acquainted with the seniors from the other members of our community. We sincerely hope everyone has an informative and enjoyable time."

Reception

"The visiting seniors will be given special BC badges and refreshments at a 10 a.m. reception in Elm Grove.

A program in Harvey Auditorium will follow the luncheon reception.

BC Day Program

9:30-10:15 a.m. — Registration and reception in Elm Grove
10:15-11:45 a.m.—Program in Harvey Auditorium
12:00-12:30 p.m.—Lunch at Beele Park
12:30-1:45 p.m.—Student talent program at Beele Park
9:00 p.m.—Bus service from Beele park.

In conclusion, Dr. Edward Simonsen, dean of men, stated, "BC Day has developed into an important activity of our college program. We recognize it as affording an excellent opportunity to welcome to our campus these young people from our area and to tell them of the many advantages of higher education. As the college community, we wish them the best ever!"

The 11 high schools which are participating in BC Day include Arvin, Bakersfield, Buellton, Delano, Exeter, Farmersville, Kernville, McFarland, Shafter, Tehachapi Valley, and Wasco.

In the Shade of the Old Split-T

Bakersfield's five new coaches gather together for the first time recently to work out the new defensive alignment used at the school, in an effort to improve the defense at right end in the upcoming season. The new defensive line-up, which doesn't field the players who are expected to be able to take the field, consists of: Left end, John Bub, tackle, and center, Jim Ewing; left tackle, Hal Turner; left guard, Bob Johnson; right tackle, Don Roberts; right guard, Bob Johnson; right end, Hal Turner; and middle, Jim Ewing. The team is expected to be able to start practicing on September 1st.

Don Roberts, the new coach, speaks highly of the Bakersfield High School in Oklahoma. He has spent two years there, and is familiar with the school's football program. He has also coached at Oklahoma High School in Oklahoma, where he spent two years as a coach. Roberts also coached at the University of Arizona, where he was an assistant coach for two years.

"Am Iaching You, Class?"

This seems to be the phone Donald Alfrida is delivering to his "regular" students. This is the typical situation in which the students are being taken down on the phone, and the instructor is trying to calm them down. The phone is used as a tool to manage the students and ensure they are behaving appropriately.

"Indi$m Student Likes U.S.

How would you like to go to school during the summer and ride four-wheeler vehicles during the winter? The school in Windom, Minnesota, offers the following: first, the school has four-wheelers. Second, the students have the experience of riding them. Third, the students enjoy the outdoors. Finally, the students get a chance to earn money. This school is for the students who want to have fun and make money at the same time."
