Yell Train Faces Derailment

The Rooters' Train to Fresno, crucial danger of every day last Tuesday, was not due to arrive until today, when only a third of the required 300 people had signed their willingness to go. At 10 a.m. yesterday only a little over 100 names were in the hands of Mrs. Taber, as the train had been scheduled to leave at 3:30 a.m. Saturday morning. Last week it was included in the price, and entertainment was to be provided in the baggage cars. A session was to be held at Fresno's Edmund Stadium, for the required amount of signatures. Mrs. Taber expressed the opinion that the canvas might be successful enough to make a trip a success.

The price of the trip was $1.75 per person for the first 500 pupils last Tuesday, September 26, to elect Jerry Orrick president. He was scheduled to leave at 3:30 a.m. Saturday morning. Meloneers Raring to Go; Plan Another Year of Fun

Walking home from basketball practice one afternoon, Joe Green grumbled, "I hate this stuff."

Beverly, the team mascot, struggled to her feet and said, "Oh, Joe, don't be that way."

"I'm just tired," Joe replied. "I don't understand why we have to practice so much."
GADRES IN FINAL WARMUP BEFORE 1ST CONFERENCE GAME

Beattymen Trek Northward To Battle Fresno Saturday

In their final warmup trip before entering Mountain West Conference play against C-Fax next week, the Beattymen College Football team went to Fresno, Calif., for a contest with No. 1 College Farm at Raincliff Stadium.

As in their previous game, Beattymen, under the leadership of Coach W.O. Barlow, who appointed a conference coach, played against a highly motivated Fresno team.

Barlow's selection of a five-game schedule was made because the Beattymen were charging on their way to the championship.

The Beattymen took the lead in the first quarter and held it throughout the game, winning by a score of 17-6.

For the Beattymen, Coach W.O. Barlow was pleased with the results of the game, which was won very convincingly.

The Beattymen's victory gave them a much-needed morale boost as they prepared for their upcoming conference games.

Rock of Gibraltar—Gades Style

Renegades' All-State quarterback, Leonard Shuto, was in action as the quarterback, going to the defensive end, and was in action for the entire game. It was the first time Shuto was in action for the Beattymen, and he did a splendid job.

Limited Substitution Rule Still Raises Controversy

The limited substitution rule has been a topic of much discussion in recent weeks. Many coaches have expressed their concerns about the rule, especially those with large rosters.

But for the Renegades, the rule has not been a problem. They have a deep and talented roster, and they are able to rotate players effectively.

Some have suggested that the limited substitution rule is unfair to teams with smaller rosters. However, the Renegades have shown that they can compete and win even with the rule in place.

"It'll Drive You "Mad"!

Currently, there are 6,000,000,000 cars in the world, and it is estimated that 60% of the population drives a car. This means that the driving population is growing rapidly. We are seeing an increase in the number of cars being driven, and this is causing problems for the roads. We are seeing more accidents and more traffic congestion. The situation is becoming even worse as more people are buying cars.

The "Traffic Officer" magazine was published in February, and it is estimated that it will be published again in May. The magazine will be published by the school board. The magazine will be sent out to the public for free. The school board is responsible for the publication of the magazine.

Gades Trek Southward For Long Beach Tilt
By Leon Hornis
Facing their toughest game of the year, the Balboa College Renegades invade Long Beach Saturday night in battle with the Long Beach Vikings — long-time occupants of local athletic aggregations.

Although the Vikings have dropped two games this year, they are regarded as a first-rate team in the Renegades' Metro league hierarchy. Last week they thrashed Harbor, 47-10, without the services of talented halfback Bob Cooper.

Some Mechanics
This is the same Harbor team which the Gades blanked by an almost identical score, 4-10. By comparative scores, then, the game will be as a matchup what the game being played in Long Beach.

Coach Powers of Balboa pointed out that the Vikings are the first team to have used their halfback as big as his own. Both backfield units will operate out of a 3-4-1 alignment while the Long Beach line, averaging 207, holds an approximate 10-pound advantage.

Long Beach possesses three terrific running threats in Grande McDougall, "Dublin" George Salmon, as they attack from the wide-out position.

McDougall is the leading scorer of the game with 91 points. Grande Salmon is a second-string scorer with 33 points. Grande Salmon's record is 91 points and 26 touchdowns.

Grande Salmon is expected to get one of the scoring chances Saturday night.

Viking Homecoming
And the energetic Renegades will have their hands full to bring about any upset of the Long Beach Homecoming celebrations.

It will take the Gades' best effort to secure these payoffs in better record and keep them the Metro standings ahead of the up-and-coming Vikings.

Certainly their capabilities are in a Rosholt manner, but only time will tell if they can step up to these capabilities, and continue to challenge the Long Beach pigs.

Metro Roundup
Valley Upsets El Cams, 16-13
The Balboa College Renegades rapped up their third straight conference win last Friday on the local polo ground as they stamped over the East Los Angeles JC-Huskies, 64-7.
San Diego Jinxed their Metro standing to two wins in one loss by dumping Santa Monica CC, 13-6.
Long Beach City College also has a 2-1-0 record in conference play as they routed L.A. Harbor, 47-10. Long Beach is the Gades next test, and if they come back they might make artifacts for Harbor; the Redcoats won't have any easy time this Saturday.
L.A. Valley seems to have picked up and are on their way to winning streak as they dispatched the winning El Camino Warriors, 16-13, in the third Metro conference game for each.

This week's winner's Metro Conference games are decided by the tie for second from three teams.

As the halfway mark, in conference play draws near, teams are starting to be back as to who will win out. Too bad, four games left to play anything could still happen.
