WHAT ABOUT
BC CLUBS

Call out the goon squad, national guard, or better yet, the Renegade Knights. This "thing" shown above is a sample of the type of creatures that will be lurking on the dance floor at the coming Mardi Gras Ball, which is set for this Saturday night. Blood-headed Kent Kilburn, president of the Renegade Knights, wields a mighty racket, while Jerry Chack, vice-president, makes like a big game hunter in an effort to apprehend the "flying head."

Spikesters Run Into Tough Modesto Pirates Tomorrow

Even matching their toughest test of the season, the unbeaten Renegade spikesters invade Modesto, Friday, for a duel over with the powerful Pirates.

Modesto, perennial champions of the Northern California Big Four conference, ...in ...led. ...The Pirates are after their seventh consecutively successful conference title.

Coach Chuck Christensen will take a small 16-man squad north Thursday. Speculating on the pitcher, Gade invasion will be Jack Schertz, Coke, McClintock, John Oetzel and Loni Harris.

Last week's win found the Red and White thundering along undefeated as they racked up John Muir, Amador, Citrus and Pardee Nazarkey rather feebly.

Oetzel hit up six feet four inches and Harris threw the ball so fast it was a high heater.

Tennis-Swim Squad Prep

After a disastrous trip to Vacaville last weekend when they played the Western States Conference championships, the Gade tennis will again hit the road today.

College of Sequoias, who already possess one victory over Don Bosco's crew, host the Gaels in Visalia, Thursday. The same Ventura area continues. Each match, will be played at the Park, Thursday, at 1:00 p.m.

The swimming team has only another week, so far, for opening season against LACC and Orange Coast, March 14.

Coach Jim Turner's top individuals appear to be Bill Heiser, Blue Bears, Jacky Nix-John Brown, Eddie Holliday and Herb Walker.

Frankel-Ryder Assembly Set

Frankel and Aber-Ryder, the dance drama club, will entertain Bakersfield College, Monday, March 16, during the 6:00 P.M. series at the Henry Auditorsium, according to Charles O'Conner, director of assemblies.

The dance team will provide a program of complete assemblies, divided into four major themes, including "The All-American Hero." (Continued on Page 2)

Crazy Weather

When Mother Nature stops throwing curves in her weather plans, we may be able to settle down to some good old sunshine. May even get off back bothered like Boswell up there who just can't seem to get cooled off.

Although adverse conditions have faced the squad in preparation for the upcoming season, Coach Jim Turner feels that these conditions are not likely to affect the team's morale for the prevailing absence of interest in the sport.

"What grieves me is that there are boys in school who are capable of maintaining a championship team, but are too lazy to be concerned, too lazy to try to be successful," the situation, "I feel that something has to be done," he continued.

The situation is, in reality, a mere stop of the entire sports program of the Renegade team is currently enjoying a highly successful season, while the track team is progressing admirably.

Tennis and golf, although proprietors of the near-future, are running true to form when compared to other sports in previous years. There is, however, a notable decline in the interest shown in these sports, according to the coaches of the respective teams.

The serious problem, however, remains the possibility of having the long-standing sport of swimming lose its effective student body. "There must be something to get the student interest more active," says Turner. "I think the sport is going to die or be saved by our efforts."
**Raconteur Underway**

_The Renegade staff is working hard on the 34-yearbook in order to have it ready for the student body by May 24, one week before school is out, according to Joyce Blagg, editor. The publication will contain 120 pages, will have a padded cover instead of the previous hard one, and the red and white colors used in the modern design are worked into the covers._

_"A complete description of the book cannot be given," said Joyce Blagg, "because the staff would like to surprise the subscribers when the yearbooks are issued._

Seven hundred and eighty copies are being printed, and students not possessing student body cards may purchase yearbooks for five dollars each. The staff reports that its costs are rising because of lack of cooperation and lack of interest on the part of the students, clubs, and faculty._

Out By a Mile

Hal Donathorn, Renegades first baseman, quits the tag on this Fresno Ram as the Gades walked off with a 29-8 victory last Thursday at the 2nd and P St. diamond. The Gades play East Los Angeles and Santa Monica, Friday and Saturday.

Netters, Golfers Drop Matches To Coast Teams

After closing out the pre-season schedule against Ventura last weekend, the Renegade netters open the Metropolitan Conference play here Friday against Santa Monica. They travel to El Camino Saturday.

Last weekend, the Gade net men won only nine games and no sets in losing to Ventura.

The Renegade golfers played well this Monday down at El Camino, but dropped the match 21-15. Dan Morgan shot 73-73 to defeat El Camino's top man, national caddy champion, Al Chandler, 60.

Chandler shot a 72. C. H. Glasgow won his first match this season 60, and Ted Byles ties 3-3 with El Camino's No. 2 man to complete the Gade point making.

Tracksters Enter ELA Relays After Bowing to Modesto JC

The East Los Angeles Relays are next on the schedule for the Renegade tracklads as they hit the road once again and head for the southland this Friday.

The meet will mark the first time of the year the Gades have met Metropolitan Conference competition.

The Gades will offer their biggest threat in the mile relay, the discus, the high jump, the sprint medley, and possibly the shuttle hurdles.

The mile relay team will be picked from Dale Knox, Leon Brown, Art Cruz, 'Coke' McClinton and Clive Alexander.

The high jump will have John Ormaza, Harvey Meek, and Leonard Brown entered.

León Harris will lead the way in the Gades' bid for a first in the discus, along with Sherel Sears and Ormaza or Willard Adams.

Lost week the Gade tracksters lost their first meet to a well balanced, powerful Modesto JC team. The only solace for the Gades was a first in the high jump by Ormaza and a victory for the mile relay team made up of Knox, Brown, Cruz and Alexander.

KRAFTSMEN RIP RIP

The Kraftman's Klub snapped a five-game winning streak of the Renegade Rip as they upset the league leaders' 39 to 38 at the North High gymnasium last Monday night.

The game marked the opening of the tournament play in the intramural league, the winner of which will play the faculty in a game, the date of which will be announced.

Unbeaten Nine Holds Initial Conference Win

By Dan Morgan

Seeking to continue along the winning trail the Renegade baseballers meet two conference opponents this weekend on the 4th and P Street diamond, Friday and Saturday.

Coach Earl Sargent will send either Tom Tucker or Gerald Scott to the mound. For the East LA game, both hurlers are right-handed.

Adams' Starts

Saturday, the BC horsehiders will face the Santa Monica Corsairs and Sarge will start either ace right-hander Dick Adams or potentials.

Bill Kilbrith in an effort to quell the scoring ideas of the Corsairs.

Last week the Gades got off on the right foot in conference competition by downing LA Valley 6-1 on the southern team's diamond.

Dick Adams went the distance for the locals as he doled out four hits to the Monarchs.

Tuesday's game with Porterville JC was rained out.

Same Lineup

The Gades will bank on the same lineup with which they have bowled over all competition thus far.

Dean Little will lead off the order followed by Mike Solano and Walt Napper. Larry Pearson, hard-hitting short stop, will bat in the cleanup slot. Hal Donathorn, Jack Thomas, Pat Mills, and Bill Schultz will comprise the remainder of the lineup.
