Nuts, He Finally Remembered

Instructor Ed Hemmerling forgot to give his Math 4A final until some "stool pigeon" reminded him. He had to hurry home and get the tests which had been left on the piano; exam started one hour late.
The desire of the Rip is to cover everyone rather than just a clique. All students can help in getting a greater variety of news into this paper. Recently, the pictures run in the Rip have repeated some people several times. If you would like to appear in a Rip picture, please speak to George Landers or Jack Edmundson, our photography editors. They have mentioned the fact that usually only "regulators" have been willing to be in pictures, others being uninterested.

The clubs which bring the news to us are the ones that get the news coverage. We remind all that there is a "club news" box in the Rip Office. Any other news or feature ideas may also be placed there.

We must emphasize again that we have deadlines to meet. For a Thursday paper we cannot accept anything later than 1 p.m. Monday. Extra proofs for pictures should be made at least a week in advance.

Crosswalk Action

The Executive Council voted to send a letter to the Bakersfield City Council, city manager, and chief of police requesting that more police be on duty at the paint crossings in front of the auditorium.

New Chief Justice Denounces
Mau's Pick of Parliamentarian

By Emia Halford

The new Executive Council gave its
first tough decision to the new
Chief Justice. Gene Mau presiding
the council, was forced to reappoint
his nominee for the position of
Chief Justice. In the past, Gene
Mau had been the only one to
reappoint his nominee, but this
time the majority of the Executive
Council was against it. They argued
that the new Chief Justice should
be appointed by the entire council
and not just by the President.

Halford explained that the decision
was contrary to the council's rules
and that it was unfair to the other
members. He also mentioned that
some members had expressed their
disagreement with the decision and
had threatened to resign.

On the other hand, Mau defended his
decision, saying that he had already
spent a lot of time and effort on the
selection process and that the
nominee was the best choice for the
position. He also stated that he had
consulted with other members of the
council and that they had all agreed
on the decision.

The debate continued for several
hours, with both sides presenting
their arguments. In the end, the
council decided to continue with the
process without any changes and
to reappoint Mau's nominee as the
new Chief Justice.

Gades TO MEET SANTA MONICA; WILL HOST HARBOR

**Renegades Still Clinging to Hope Of an Upset**

The Renegades are living two days this weekend which have been difficult to defeat in order for the BC team to remain in the Monte Sano Cup.

However, the most importunate factor in the Gades fortunes was the result of last Wednesday's game between Long Beach and LA Valley. The game was not known at the time of this writing.

**Meet SMCC**

This Friday the Renegades will host Santa Monica's City College, on the opponent's court. Santa Monica has been in contact, as previously by the BC boys, since 1977 a point margin. Last time they met, SMGago beat Santa Monica 73-74, and BC, downs the former team by a single margin. Last season.

The SMCC, consisting of Coach Youse, have added of their ranks Bob Johnson. With a score of 7-8, this team has just regained eligibility which he lost after winning All-Caribbean honors last year.

**Take On Harbor**

Saturday the Renegades take on Los Angeles Harbor College. Coach Youse Keating, Harbor is made up of some outstanding players. Many of them coming from last year's championship team.
