COUNCIL CLAMPS DOWN ON CARD THROWING AT GAMES

Hi, Ho Silver

This charging steed made its first appearance on the Renegade mosaic at the Bakersfield- Los Angeles Harbor game. It is believed to be the first such mosaic a Bakersfield College team has ever had.

First of One-Act Plays Given by Drama Dept.

First of the one-act plays being presented by Frank Whitten's drama class was given Tuesday afternoon in the Little Theater, "Barkin' Oak" by the noted Noel Coward. It will be presented again tonight at 3:15.

King, Weintrich, in Leads

Pat King and Henry Hennings have leading roles in the play. Also appearing in the production are Charles McDowell, "Janie"; Gene Beiler and Mary Kay Wallace. In the play a nagging wife, her nagging mother, and her hapless son are set back on their heels when the "missus" of the household turns out to be "Hello Out There" Next Monday and Wednesday, November 9 and 12, the dramatic "Hello, Out There!" by William Maxwell will be staged. In this play a young, lonely gambler, portrayed by Tom Simpson, is pursued by a woman in town who is passing through. While he fends off suitors, falls in love, and finally marries the young lady, who also loves him, works these various emotions into a full-length play at a benefit Monday, November 7 and is hoped that all the programs photographs will be completed by mid-December. This will enable students to make their reservations to give pictures for Christmas gifts, etc. Most of the students will take the class in order to graduate from Bakersfield College.

Bank Awards Offered JCs

New awards of $100 will be given in a bowling or business administration class and a second annual award will be given to the Freshman class in South America. These awards will be offered to the Freshman class and will be made to two students, one representing the Freshman class in South America. The students will be selected by a committee composed of the Freshman class and the students in the Business Administration class.

Council Approves New Frosh Vpee

Wanda Watson was appointed business administration vice-president by the Freshman Council Thursday during its fourth period, meeting. Wanda will take over the vice presidency immediately, succeeding James Shaw, who was elected vice-president by the Freshman council in September. Watson is a junior in the College of Business Administration.

Game Movies at Rally

Game movies of the cards and the football game against Los Angeles Harbor last Friday evening will be shown at tomorrow's rally, third period at Harvey Auditorium. The rally will also feature a speech presented by the Freshman class among others, and songs and yells by the song and yell leaders.

EXEC COUNCIL ENACTS TOUGH NEW PROGRAM

A tough new policy for ending the throwing of instant cards at BC home games was voted into effect at Tuesday's Exec Council meeting. The motion, made by Patricia Gerson and seconded by Jerry Haslam, calls for a corps of "secret policemen" to sit in the card section during the games and to take down the names of persons seen throwing cards or anything in any other kind of disorderly manner.

Count Will Act

The persons named will receive a warning notice of a hearing in Student Court. If this brings about the proper action, his student body card may be revoked on first offense, and he will be suspended from Bakersfield College on second offense. Other plans voted on by the BC governing board included one having a group of toppers to do the instant cards on their fellow students and another proposing to have Bakersfield College Police at the card section to hall offenders in the act. The first was defeated on grounds that if the informers were marked, they might be subject to reprisals from friends of the offender, or the second on grounds that the Bakersfield College Police might not bother with such affairs.

SOPH PICTURE TAKING STARTS ON MONDAY

Arrangements for yearbook pictures have been completed, said William Waller, Renegade editor. They will be taken Wednesday, Thursday, Friday, and Saturday, October 31, November 1, 2, and 3, respectively.

Photographs will be made according to the usual schedule.

APPOINTMENTS BY PHOTOGRAPHY

Appointments by Photographers can be made by turning Photographers at the Photo Studio.

HOLIDAYS COMING SOON! RELIEVE SLEEP SHORTAGE

by Shirley Dibble

With the holidays fast approaching, vacations are coming at last. We imagine that a majority of students will be taking the opportunity to get away from school and relax. For the students who will be staying at school, we offer the following suggestions to make the holidays more enjoyable.

To the Explorers: The holidays are a great time to explore new places and try new things. Whether you're planning a trip to the mountains or the beach, make sure to take a break from school and enjoy the holiday spirit.

To the Homebodies: The holidays are a great time to stay at home and relax. Whether you're planning a movie marathon or a game night, make sure to take a break from school and enjoy the holiday spirit.

To the Students: The holidays are a great time to reflect on the past year and start planning for the next one. Whether you're planning a New Year's resolution or a holiday gift, make sure to take a break from school and enjoy the holiday spirit.

To the Professors: The holidays are a great time to take a break from teaching and enjoy the holiday spirit. Whether you're planning a holiday vacation or a holiday gift, make sure to take a break from teaching and enjoy the holiday spirit.
**Slim, Checker Champ, Gade Fan, Friend to BC Students, Faculty**

by Willy Wilson

Affectionately known in the Boston College area as the "Peltier Problem,"瘦肌肉的身材和对乐队的热爱使瘦的吉米·瑞斯在校园中颇受欢迎。瘦的吉米是乐队"Checker-Cheater"的一员，而乐队则以"Checker"为名，意为"检查器"。乐队成员还包括瘦的吉米的朋友们，他们热爱音乐，热爱校园生活。

**Austria Forum Topic: Asia Lecture Next**

瘦的吉米在校园中不仅是一名学生，同时也是一名活动组织者。他的学生朋友和他一起组织了"Austria Forum"，这是一个讨论亚洲事务的讲坛。

**Fool's Friendship**

瘦的吉米在课堂上的表现总是引人注目。他的朋友们经常在校园中看到他，他们说他是"Fool"，因为他们觉得他总是做一些愚蠢的事情。然而，瘦的吉米并不在意，他总是享受他的校园生活和朋友们的陪伴。
Let's Not Go Overboard

The Bakersfield College Evergreen Council took a necessary step this week in urging students to be careful about the setting of alarms on their cars in the BC parking lot. There are some parts of the parking lot where there is no security, which may make it easier for someone to steal a car or damage it.

There should be no question about the idea of tampering with the alarm system of a parked car. The council is in favor of this action, and it is considered necessary to protect the interests of the college and its students.

Three Faculty Members Hold Record at BC

A part of BC’s past, present and future is the history of the college’s faculty. This past week, however, a part of BC’s faculty who were themselves in history were honored with the opportunity to set a new record at the college.

The record, which was set by the faculty members, is the number of hours they have worked in the college. The faculty members worked a total of 130 hours, which is a record for the college.

The Old Bug-a-Boo Called Parking

One of the most interesting things about the BC campus is the bug-a-boo called parking. This bug-a-boo has been around for a long time, and it has been a source of frustration for many BC students.

The Bug-a-Boo is a large, ugly, and slow-moving creature that lives in the BC parking lot. It is known to cause accidents and to slow down traffic.

Frosh to Sponsor Prerequisite Prance

“Prance Prance Prance!” cried the frosh as he danced around the campus. The frosh was one of the first to notice the bug-a-Boo and was determined to make it disappear.

The bug-a-Boo was eventually removed, and the frosh was able to continue his prance around the campus. He was called a hero by many of his classmates.

Six from BC Attend Confab

Representatives of the Associated Student Government from BC attended a conference held by the Associated Student Government of the University of California, Los Angeles. The conference was held to discuss issues of concern to the students.

Lord Jeff

The Bakersfield College basketball team had a great victory over the Arizona State University team last week. The game was played in front of a capacity crowd, and the BC team won by a score of 81-63.

The team was led by guard Jeff Lord, who scored 25 points and grabbed 10 rebounds. Lord was named the Most Valuable Player of the game.

BC Debate Team Wins Top Honors at LACC

The BC Debate Team, under the leadership of Coach Darrell George, recently won the top honors at the Los Angeles City College debate tournament. The team, consisting of six members, presented a series of arguments on various topics, including economics, philosophy, and history.

The team was able to win the tournament due to the hard work and dedication of each member. They practiced for months, honing their skills and preparing for the competition.

Orloff Heads Committee

Orloff, a renowned historian, was selected to lead the Bakersfield College Historical Committee. The committee is responsible for the preservation of the college’s history and the management of its archives.

Frosty the Snowman

Frosty the Snowman, a beloved Christmas character, is featured in a holiday parade that takes place every year in Bakersfield. The parade includes floats, marching bands, and other festive activities.

Night Coffee Sales Begin

Coffee sales begin tonight at 7 p.m. in the BC Student Union. The proceeds from the sales will be used to support the BC Debate Team.

Soph's Banquet

The annual Sophomore Banquet will be held this year on Friday, November 11th, at 7:30 p.m. in the BC Dining Hall. The banquet is a formal event that is attended by all sophomores.

Tickets, priced at $5 per person, go on sale next week.
Bones, Teeth Revealed By Science Field Trip

"Young" scientists—aired with fair-haired fish fry in hand—attended a field trip held Saturday in a search for specimens that took them to McKittrick, Kern County Museum, and Shafter. The tour, led by Dr. Joseph Gornom, instructor.

Visit To Pits

About twenty-two students from Gornom's 3rd and 6th grades made the all-day field trip to a 3rd grade school for the tour.

Near McKittrick, the students had a chance to view the tar seepages that have trapped small animals such as bats, shrews, birds, and insects. The tar pits, comparable to those at Death Valley, yield valuable fossils and bones of animals that existed thousands of years ago, and aid in the understanding of life as it was then.

Although the trip was one of paleontological nature, it did not permit Dr. Gornom, and his class, from taking any animal life samples. The students were instructed to leave the fossils and tar in their natural habitat.

Letter to the Editor

Editor the Rip

This is an open letter to the Rip, an extension of the Rip. It is not possible for all of our friends that you have expressed the limits in telling story, limiting jokes on the stage in the manner of some of the Rip's stories. There is a time and a place, Rip, so why not give a boost to teach you.

Go for Broke

Renegade blockading begins to set up for a gain by football Fred Perry. In the background, the scoreboard describes the exact circumstances of the play, the Gades were behind 12-7 with 11 minutes and 36 seconds in the third quarter. The down is fourth with 7 yards to go for a first.

Collins' Crew Loses First

The Renegade courtesy unit fell to its first defeat last Friday by conference champs Long Beach. The meet was the deciding term in the Metro circuit, as both teams had been undefeated to that date.

Long Beach playing three-man football and ending the season with a 3-1 record, won by a margin of 7 points and are the number one team to get a new mark for the ballot. The next game is against the Rip.

RIP MASTER CONSOLE

The master console, known in Hollywood with their pick points as a "Master Console," will take care of the area, fill the hours and hours with music, and wait to go to the floor. The master console is now known to the public as "Master Concert." The music is played on the floor.

For some unknown reason, both the orchestra, and the master console, along with the orchestra, are now known as "Master Concert." It is much easier to shout, as the orchestra is much smaller.

LET’S KEEP OUR PRIDE SATURDAY

The performance of the BC softball team last week against Long Beach State was just as expected in our performance.

B.C. Rooters May Take Bus to L.B.

It was a good week for the BC softball team, but we must continue to support them. Our support will keep them going.

Box and Cox Presentation Concludes Today

The presentation of the national championship series was the highlight of the weekend. The audience was captivated by the performances of the teams.

Three Year Nursing

Three-year programs in nursing are available at the University of Southern California. The programs are accredited by the National League for Nursing.

ENGINEERS TO CHAMPION BACKYARD

The BC Engineering Club is planning to host a backyard party in the spring. The party will be held at the end of May, and we invite all students to attend.

Enrollment

The enrollment of engineering students is increasing at a steady rate. The university is planning to expand its facilities to accommodate the growing number of students.

L. A. E. Visit Plant

The L.A.E. visit to the plant was a success. The students were able to see the various processes and equipment used in the manufacturing of products.
Gadettes Drill Team
Adds Color to Games

Some lovely girls from the
senior class, Melinda Hunting, Horner Jones, Erma Fass, and Edith Newport, accompanied by
Alfred. Grady, made up the Gadettes Drill Team for 1935-36. They
are sponsored by the local school board and are to consist of
three girls and a boy, as a new feature.

The Gadettes were
established in 1935, with Miss Georgianna Hobbs, add color and pageantry to
the school entertainment.

Fired-Up Vikings Do Good Battle
Gades 'Do or Die' Play Wins 34-7

Keeping the title hopes alive in the Metropolitan Conference, the Vikings ground out a convincing
victory over the Gades, winning 34-7.

The Gades did well to keep pace, but the Vikings pulled away in the final quarter to put the game out of
reach.

Officials would try to keep a tight line on the BC plays, but on the big plays, they were successful in
keeping the game within the margin of victory.
Teachers Herald From South, East, West

by Marilyn Valentine

Sixteen instructors are teaching at the present time in the journalism, reading improvement, speech and English divisions of the humanities department. Thirteen instructors teach English, reading improvement, one teacher covers the journalism, and there are in the speech division.

Don Frantz, English and humanities teacher, has taught here at Bakersfield College for the last six years. A native of Youngstown, Ohio, Frantz plans to obtain his doctoral degree next year at USC. Frantz's interests include 3:5:2 equipment, records, photography, camping, and writing. He is married and has four children.

Leslie Wilbur's hobbies include gardening and woodworking. Wilbur, English instructor, has been teaching here at BC for six years. He is married and has two children. A native of Modesto, Wilbur holds a BA and an MA degree. Dorothy Overly, conversation instructor and a native Alabamian, is Cathy, who is a BC freshman.

Renegade Rip Illustrated

by Debbie Sibbitt

Diane Sibbitt, English and journalism teacher, and Leonard Baker, a teaching oral and English instructor, are in their fifth year teaching at BC. Sibbitt, who teaches the Renegade Rip, is also the campus magazine, and Baker's role includes writing, editing, and composing. Also is he he correspondents for the Renegade Rip, for Kern County. Sibbitt is married and has three boys.

Mrs. Lamphere Graff, reading improvement and English instructor, is a native of Illinois. Mrs. Graff has been teaching here about six years. Mrs. Graff holds a BS degree and is currently studying at UCA. Mrs. Graff has one daughter, Cathy, who is a BC freshman.

Meanwhile, Back with Bugs Bunny...

These English class lectures are usually pretty interesting, but once in a while temptation proves too strong, as for this BC student...

1,553 BC Students Are Enrolled in One of 18 Humanities Classes

by Missie Birnam

1,553 of Bakersfield College's students are now enrolled in at least one of the 18 humanities classes. These classes range from freshman English to the advanced study of literature, with the various subjects in between designed to fit the needs of various students.

Admissions of these classes is based on the student's background and aptitude, and the student's ability to fulfill the requirements of the class. In order to be admitted to these classes, the student must have a background in English and the ability to write adequately.
