CANDIDATES FOR SB

OFFICES FILE

The filing deadline for May 23's general elections is today according to Nancy Stahmer, secretary to the dean of students.

Up for election will be a host of student body, Sophomore Class, Class of 1892, AMS, and AWS officers. Requirements include a student in at least one class in units and a C average in all units, or carrying duties in the Germanic and French language classes.

Following the elections, there will be a meeting necessary on May 24, with a campaign assembly scheduled for that period next Friday in Memorial Stadium.

Bonquet Near Old and new offices will be meted at the Executive Council's quart May 25, where installation will take place.

On the student body level, offices up for election include president, vice-president, fiscal secretary, business manager, chief justice, two associate justices, and the two senators. Offices for AMS and the three AWS offices available include president, secretary, and treasurer. New offices in the AMS and AWS will choose new presidents.

Burlgars Already!

Bob Taylor watches vacuously out the window as he makes an early in with the new wishing pond in Humaneity, maybe for easy finals. The wishing pond idea was suggested by the Yets Club, according to Jim Swartwout, president, and is one that will be placed in the pond, predicting the official opening of the wishing pond. All funds will go to charity. Wel fare.

Carnival Festivities

Holds 20 Booths

The gala Bakersfield College carnival will be the center of festivities on the basketball court from next Monday until 6:30 to 9:30 P.M., according to Mary Lou Nolin, director of activities.

The annual event will have some twenty booths, ranging from magic shows to nail and hand booths. A coke sale, balloons, fishbowl, basketball-thrower, gumball throw, and boxing alley will also be featured. Alpha Gamma Sigma should be featured with their booth. They will also sell hot dogs.

Thus far, no teachers have volunteered to help set up in a special room for the boxing booth.

Following the carnival a record dance will be held in the Green Room of the gym. The admission ticket to the carnival will also admit one to the dance. According to Tony Sullivan, carnical chairman, a gate will be given away as a door prize.

U.S.-Marines Still Want Candidates

Captain J. C. Grassett, the U.S. Marine Corps' officer responsible for the Los Angeles area, has announced that applications are still being accepted from college students for the plan's leaders. This offers a first-year program for up to three students who have not yet reached their junior year in college.

Training Courses

Prior to graduation, students enrolled in this program will attend two aircraft training courses at San Joueico, Va., during the summer months. They will receive a commission as second lieutenants in the U.S. Marine Corps Reserve.

Students who enroll in the program are not required to attend meetings, drills or special classes during the academic school year.

Those students interested in flying may enroll in the program under the following class specifically available. These applications will be examined by majoring in aviation at Bakersfield College. Students who have graduated from a Kern County High School and are interested in obtaining these forms from their high school principals or as a dean. The selection committee will include the Bakersfield College Aviation Advisory Committee and at least two members of the Bakersfield College Administrative staff.

All applications should be turned in to the Dean of Students within the next two weeks, according to Holger Hansen, chairman of the College Agriculture department.

Brown to Play at 'Oriental Eye'

Plans have been announced for Los Angeles' and his host of raja to play for the annual spring formal, titled 'Oriental Eye,' this year, according to chairman Rhoda Cohen.

The dance, to be held from 9 to 1, is open to all students and alumni of Bakersfield College.

Bids priced at $15.50 for student body and $5 for others will be given Tuesday to Rhoda Cohen, chairman of the dance and student body vice-president.

The affair will be the first to be held in the student center, since the Science and Engineering Building with its Library Building, which was scheduled for completion in time for the dance.

Students Tell of CJCSGA

Delegates from the California Junior College Student Government Association convention held recently at Cal State, returned with reports of the conventions, accomplishments and talks of good times.

Dick Olsby, who was chairman of the convention, reported that many students don't realize the importance of con of the convention. These conventions give our student officers the chance to meet with other officers from other schools and to exchange ideas which may in turn benefit our college. Speaker reported that the most important event to take place in our school was the election of a new convention. Mary Lou Woman reported that at the Activities Workshop discussed the importance of the CJCSGA organization.

GADES’ METRO CHAMPIONS ENTERED IN FRESNO RELAYS

Jackson, Nevarov, Crawford, Napier Place in Southland Meet

Friday, May 11, 1956

Bill Kilmer, 1956’s Metro Champion in the Mile, hails from Los Angeles High School and is entering the Fresno Relays. By virtue of winning in the Mile and 100 Yard Dash at the Metropolitan Conference, Kilmer is one of three Metro Champions entered in the Fresno Relays.

The other two Metro Champions entered in the Fresno Relays are Nevarov, Los Angeles High School, and Crawford of La Salle High School.

In the Metropolitan Conference, Nevarov placed third in the Mile in a time of 4:16.6. Crawford won the Mile and 100 Yard Dash.

1956’s Metro Champion in the Mile also placed third in the 100 Yard Dash.

Vista Del Mar, Southern California Conference in the Mile, also placed third in the 100 Yard Dash at the Southern California Conference Meet.

Athletic Department Plans PE Expansion

BC Athletic Director plans to expand in all sports which make up the athletic program. With the new 1956-57 athletic year, the athletic department will begin to expand in all sports.

BC’s athletic program includes football, basketball, track, volleyball, tennis, and swimming. Each sport will have a head coach and assistant coaches.

Skiing, bowling, cross-country running, and golf will be added to the athletic program next year.

Field hockey, soccer, and softball will be added to the athletic program in the fall of 1957.

**Which Do You Want?**

This is the first of two editorials of the fly to be published by the Renegade Rip this week. A second will appear in the next edition.

Our new staff will carry many new and revised sections as it strives to keep traditions on our new campus along with a generous helping of fresh ideas. Much is expected in the next months and the years that will come; the problem of finance. We have three objectives. We can have a small newspaper. We can publish a piece of this every six months, or with the money we are able to raise we can have three pieces of paper of this every month without advertising. Which do you want?

Another big problem will be getting a good staff. Whether or not they have the time to put on the work that the Rip will require of them, whether or not they have the time to publish anything, whether or not they have the time to do any practice in journalism, are questions we cannot answer, but we would like to question. There are many, many things that are needed in the various sections for the newspaper, and it is going to be an experience for the Rip's editors, and it is going to be an experience for the students who take the job.

**20 BC's Have Chance At Medical Lab Major**

More full money students entering the medical field will be eligible to have a medical laboratory technology course as a major for the first time this year. The program is being offered by the School of Science, Health, and Education, and the program is being offered by the School of Science, Health, and Education. The program is being offered by the School of Science, Health, and Education.

This course has been in the planning stages for several years and is now being offered at a number of schools.

**Committees for Up**

Last year, a committee of about 20 students was organized to study the possibility of having a medical laboratory program. The committee consisted of 15 students who were interested in medicine and 5 students who were interested in science. The committee recommended that the program be started, and the program was started.

**Men Invited By Knights**

Gloknick, honorary society consisting of men interested in becoming members of the Knights of the Ku Klux Klan, has announced that its student chapter is being organized.

The chapter will be organized on Monday, May 22, at 7:30 p.m. in the Renshaw Hall of the University of California, Berkeley.

Coffee Break with the Staff

In Mc. Stalhile's Nigen Cafe last week he sold his students and the staff his wares of milk. The only time he has sold so much milk is when he has already put it in a depot of some farsighted student. The question was: "What was your biggest sale?" Tom was going to answer the question when the student who sold the most milk in the last single sale said, "I sold more than you." Tom was surprised that he had the one lonely milk that he has been aching to make a point: Chinese Grade Flag.

Choir Presents Concert

The St. Paul's Choir present a concert tonight in St. Paul's Church choral services with a change of the program made in the last week. The concert will feature the choirs of the Parsons and St. Paul's College choirs. The concert will be held at 7:30 p.m. in the church and will be free to the public.

YMCA Program Starts

The YMCA is offering a variety of programs for the community, including classes in swimming, basketball, and soccer. The programs are open to all ages and will be held at the YMCA center in the city. The center is located at 123 Main Street, and the programs will be held during the day and evenings.

Spring Formal

The Spring Formal will be held at the school on Saturday night, March 12th. Tickets are available for $20 each, and all proceeds will go to the school's charity fund. The formal will include a dance, dinner, and live music. The event is open to all students, and tickets can be purchased at the school office.

Cornell, Smith Win Drawing

Cornell Smith won the prize for the drawing held at the school last week. The prize was a $100 gift certificate to the school's bookstore. Smith was one of many students who entered the drawing, and he was selected at random.

Tracksters Place 4th

In West Coast Relays

Only one individual at the track meet. Eddie Jackson was able to place in the junior college division of the West Coast Relays in San Diego last week, after finishing 2nd in the 100-meter hurdles. His time of 14.8 seconds was the 2nd best in the meet, and he is expected to do well in the meet again.

Letters to the Editor

I feel that the student body as a whole, and the Kappa Nu chapter, have a deep vote of thanks for their sacrifices. Without their help, the annual held last Friday night. The coordination before and during the show was completely lacking and the Kappa Nu chapter, led by Joe Earnest, carried practically the entire weight of work and responsibility. So here's a heartfelt thanks to the Kappa Nu chapter for a fine affair.

Tony Sullivan

Dear Co-Editors,

As the saying goes, it's not often a person has an opportunity to be first in anything, but I and others will be the first to register for the first graduating class from our new campus. Yet there's no trouble spending.

Dear Co-Editors,

At the college, there's not often a person has an opportunity to be first in anything, but I and others will be the first to register for the first graduating class from our new campus. Yet there's no trouble spending.

In the past week, there have been only eight more regular school days before we start our summer vacation. The past week has already brought to our attention the fact that the swimming pool is closed for the season, the tennis courts are closed, and the indoor basketball courts are closed. Next year will bring an expansion of these and other sport activities.

Editorial

BC'ers Decide Issues!

There are already eight more regular school sessions which face us before the final and then the graduation exercises for the eligible high schoolers. And with these three-week sessions left, the weekend's between will be the many banquets, parties, dances, masquerades, elections, and other social get-togethers before we find ourselves studying desperately in order to pass those final exams.

During these times we may come up against problems else.

The past week has already brought to our attention the fact that the swimming pool is closed for the season, the tennis courts are closed, and the indoor basketball courts are closed. Next year will bring an expansion of these and other sport activities.

Student body president

Students Will Have Recreation, Relaxation

Study: This is, of course, the essence of all good grades, but there should be a certain amount of recreation and relaxation furnished for the student body of the campus. There will be many facilities for both recreational and relaxation purposes available to the students, the largest of which is the Student Union. The Recreation Department will sponsor the following activities:
