Football Queen Reigns Tomorrow Night

Seven Clubs Sponsor Beauties
In Annual Renegade Contest

Bakersfield College football queen will be crowned tomorrow night preceding the Los Angeles Harbor football game, according to Louis Varga, AMS president.

The queen, with her two princesses, will reign over the game and the "Jazz Band Ball" which will follow in the Campus Center.

Arrangements have been made for the queen to be driven around the field before the game in a 1956 Pontiac convertible.

She will then be presented to the crowd and serenaded by the band.

The seven candidates and their sponsoring organizations are as follows: Sandy Myhali, Veterans Club; Darlene Lynn, College Dormitories; Cindy and Sally Shaw, Renegades Knights; Ronna Harrington, AMS; Sarlynn Ozanich, Engineering Club; Pam Knight, Craftsmen; and Maurine Peterson, Newman Club.

Following the Navy, Army and Marine Corps units will take over at the next home scrimmage.

Color Guard

Following through with a custom initiated on October 20, the campus Veterans' Club will provide the color guard at all Renegade home football games this year, according to Gil Bishop, BC director of athletics.

At the club's first appearance this season, Air Force veterans, S. Sgt. Gilford Massey, S. Sgt. Dale Barker, and A-1C Harry Hill did the honors.

Navy men will form the honor guard at the LA Harbor game tomorrow.

Which Will It Be?

One of these beauties will reign as football queen at the Renegade-L.A. Harbor game tomorrow night. The candidates and their sponsors are: left to right, Ronna Harrington, AMS; Darlene Lynn, Residence-Hall; Pam Knight, Craftsmen; Cindy and Sally Shaw, Renegades Knights; and Sarlynn Ozanich, Engineers.

BC RETAILERS

HOST CONCLAVE

Beta Gamma Rho, B.C. chapter of the Future Retailers of America, is hosting a convention of local schools on Nov. 3.

Highlighting the program will be a speech by John Brock, president of the downtown merchants' association, a speech contest, and a luncheon and dinner.

"Beta Gamma Rho is happy to host this competition," says Richard Tigner, club advisor, "and to further the interest along those lines."

Officers of the 20-member club are Bob Nichols, president; Dick Burke, vice-president; Linda Reed, secretary; Bill Wheeler, treasurer; Gary Crabtree, parliamentarian; and Curtis James, commissioner of publications.

The election of "Miss Retailing" and "Mr. Top Salesman" is also slated for the conclave.

Harwood's Political Science Class

Counts Votes in Tuesday's Election

As post-election enthusiasm sweeps the nation next Tuesday night, Kern County residents will be getting their local election results because of the all-night job of more than a dozen Bakersfield College students.

Members of the political science class, taught by William Harwood, will be working as a vote-tabulating team throughout the night in the county clerk's office at the new fairgrounds.

The exercise, which is unique to Bakersfield, provides a service for the county and an educational experience for the students.

Harwood's "who served as administrative assistant to Congressman James Ull of the 28th district of California last year, has also presented several speeches at local organizational meetings, explaining the propositions on Tuesday's ballot.

Lancers, Maybe

The Lancers, who are currently appearing at Maison Sauvages, may be appearing at the rally this week, according to Marilyn Valentine, director of rallies. The assembly will be held in the open-air theatre.

The rally will also feature the yell leaders and the possibility of viewing the newly-elected football queen and her court.

If the Lancers are unable to make their appearance today, there will be a rally in the Campus Center instead, according to Miss Valentine.
DEDICATION BRING UNITY, SPIRIT

The impressive student dedication of this campus Monday marked many firsts in history. It brought the entire student body together with the faculty and administration for the first time.

It was the first time outside of the football games that the whole band appeared before the student body. And it also marked the first appearance of the band and choir together before the student body and for the first time the story of the planning of the campus was told to the student body as a whole by Dr. Prator.

A certain spirit of unity prevailed which we hope will continue for the year.

FLICKERS

Hollywood, in a parallel effort to subdue the clamoring public, recently released its latest “savior” in the James Dean legend. In an obviously desperate attempt to recreate the magic of the dynamic Dean-Natalie Wood-Robery Redford combination, Warner Brothers produced, in all the glory that is Hollywood, “The Burning Hills,” co-starring the exquisitely Miss Wood and Tab Hunter.

In contrast to popular belief, blond Wood possesses little acting ability. However, Hunter’s behavior has been appropriately noted. Hunter, who is reportedly a good model, is reportedly very fast in the studio. Hunter, who is reportedly very fast in the studio. Hunter, who is reportedly very fast in the studio.

Rip to Feature Foreign Student

From an interview with the records office, it has been learned that there are 13 foreign students attending Bakersfield College. The “Rip” staff, finding this highly interesting, felt it might also be interesting to you as students and have decided that the intriguing/news next week, will be a short feature story about each of these foreign students.

Of those 13 students, three are from Hawaii, two from Panama, five from the Philippines Islands, and one each from Brazil, Nicaragua, Colombia, Tehran, and Holland.

Engineers Club Fall Activities

Include Trips and Social Events

The Engineers Club, which is affiliated with the American Association of行动 of Engineers, has launched an “Engineering-in-a-Week” series.

Last Monday, Oct. 22, they took a trip to the Richfield Oil Co. on Bakersfield Avenue. The tour was conducted by the Metals Engineering Department. Afterwards the students were treated to a New.

The audio-visual aids department is used by music appreciation and also to demonstrate and at a concert for their students. The department is also used for music appreciation and also to demonstrate and at a concert for their students.

Student’s Aid

Taking advantage of some of the equipment in the library, Janet Welfel, Cathy Smith, and Nancy McKenzie, have recorded new tapes. These tape recorders are only part of the new facilities available to students for research and study.

Who Did It

C. E. Patterson, the State Department of Correction, is explaining the principle of projecting a picture from the photo-microscope to Jim Parks, Chair, and Instructor Ed. Redford.

The class of Police Arts, consisting of approximately 24 boys and no girls, gathered on Monday and Wednesday during the study period. The students are making a careful study of the California Penal Code and the laws of Kern County.

They have a compulsory, three-hour class held on the first floor of the Administration Building. At the office the students are given tree opportunities to work with the equipment, and most regular employees will be working on days.

Leverne Ford, instructor at the class, and an attorney for the sheriff's office, has had 30 years of experience in the field.

“aradise of Northern California Peace Officers’ Training Center,” Lodi United, P. O’B. R. I. has attended several police academies and law courses. He has had five years experience in teaching adult evening classes and is a member of the American Bar Association and the Peace Officers Association of the State of California.

It has been very gratifying to see the increased interest in police studies and in the field of law enforcement during the years since World War II.

Lilley Man on Campus

by Dick Bible

Newman Club

Invites Students

All Bakersfield College students, regardless of their religious beliefs, are cordially invited by the Newman Club to attend its meeting next Tuesday at 1 p.m. in the Student Lounge.

They will take place each week and will feature topics relating to the Catholic Church and the American community.

As their name implies, the Newman Club, which meets at 1 p.m. each Tuesday in the Student Lounge, is open to all students.

Officers of the club have been elected in accordance with the Constitution and By-Laws of the Newman Club.

Officers of the Engineers Club are: Robert Grossman, president; Dave Kizer, vice-president; Wanda Strange, treasurer; and Bob Sater, secretary.

The club meets every Tuesday from 4 to 6 p.m. in the future, student council, and the Newman Club.

**Gades Dunked by LA Valley, LB**

Los Angeles Valley was the scene of defeat Tuesday, October 31, 1964, for the Renegade water polo team. A very discouraging 9-2 loss to the LA Valley College. Coach Milton Aleman, who was previously on the Men’s Water Polo team at the University of Arizona, was able to hold the Southland team in the box and earn the credit for the Gades.

**Gade Harriers Over-run E. La.; Eye Conference Title**

Continuing their march forward toward the top and state titles, the Bakisker College Harriers knocked another obstacle aside in their 10-3 rout of S. C. (Los Angeles) Community College October 27. It is the third consecutive season that S. C. was defeated by Bakisker College Harriers.

**BC Falls Before LA Valley, LB**

Bakisker’s fighting 11 fell to a score which made the contest its highest in Cook’s 1st term. Bakisker’s Stanford, 1-7, took it to be the 1st term’s 7-11, the 2-3, 3-1, 4-1, 5-3, 6-1, 7-1, and 10-3 win in the 1st term. Coach John Colton was far from satisfied with the showing made by his charges. "The contest was too one-sided and showed off the talent," he said.

**Prima Ballerina Appears Nov. 14**

Tamao Tsunomata, known as the "greatest name in dancing," will present a program of her own work Nov. 14 at 8:30 p.m. in Harvey Auditorium, Foothill College, Coed, prepares for the renovation of Nov. 14 at 8:30 p.m. in Harvey Auditorium, Foothill College.

**Balky in findings, La. Co. top the top spot with a solid state. She was the most effective of the four. The contest was too one-sided and showed off the talent," he said.

A Week to Commemorate Education

Next week the nation will observe American Education Week, a seven-day period which has been set aside by proclamation of President Eisenhower to commemorate education in the United States.

It is fitting that Americans unite once each year to give serious thought to the quiet and effective job the nation's students and teachers are doing.

In junior college circles we are extremely proud of our record of accomplishment during the last 50 years since the J.C. idea was conceived and put into operation.

Today nearly one-quarter of all American college students are enrolled in junior colleges.

And today, the American junior college has found a truly great area of service, in which they are located. They serve not only the youth of the community, but also the adults of the community too. Every walk of life truly are enrolled in "The Community Colleges of the Nation."

Nothing shortens the head, whether students, faculty, mem-
ber of the administration, we are proud of them.

FASHION CUES

BY CHERIE NITAN

The Ivy League is the latest fad to hit the style scene in the West. Both the boys and the girls are following the trends of classic, buttoned collar, the starchy cravat, and the crisp bow tie.

The truth behind it all is that the Ivy League is a general term for any college in the eastern United States which has a strong tradition of using a particular style of dress. The term is used to describe the clothing worn by students at these institutions.

COLLEGIATE CIRCUIT

BY GAYLORD BENNET

Sounding like the chorus of a song, the music of college life rings in the ears of students everywhere. The cracked hilltop of the campus, the sports field, the library, the dormitory, and the classroom all blend together into a symphony of college life.

SOUND OFF

Three standing committees were appointed at the executive council meeting on Tuesday, October 30, for the purpose of organizing the activities for the first half of the year. The committees are: the Junior High School Committee, the High School Committee, and the College Committee.

Each committee is responsible for the organization of all activities for its respective group of students. The Junior High School Committee is chaired by Mr. John Smith, the High School Committee by Mr. William Johnson, and the College Committee by Mr. Robert Brown.

The purpose of these committees is to provide a forum for students to express their ideas and to plan events that will enhance the college experience. Each committee will meet regularly to discuss their events and to make decisions about the direction of their programs.

The Junior High School Committee will focus on extracurricular activities such as sports, clubs, and social events. The High School Committee will concentrate on academic and social events, while the College Committee will concentrate on events that promote college life and provide opportunities for students to socialize.

The committees will work closely with the administration to ensure that all events are planned and executed in a way that is consistent with the policies and values of the college.

The college administration welcomes feedback and suggestions from students on how to improve the college experience. Students are encouraged to participate in the planning process and to provide input on the direction of the committees.

WHERE ARE YOU?

Approximately 60 students in John Zinnemam's geology class are currently engaged in the class project to map the area. The project involves identifying and mapping the geologic features of the area.

BULLETIN BORE

It has been noted that the shape of the class ring was inspired by the famous science fiction movie, "2001: A Space Odyssey." The inspiration received while helping to design the ring, and the students involved in the process, will be interviewed in a future issue of the college newspaper.

LITTLE MAN ON CAMPUS

BY DICK BUCKER

A little boy was kicking his sister, over and over, down the street. The "sister" said in a small voice, "You shouldn't kick your sister, don't you like that?" He replied, "Oh, yes, it's all right."
Gades Defeat Seahawks

Renegades Romp
L.A. Harbor, 45-0

The Renegades, by beating both East Los Angeles and Long Beach City College, could end the season on top of the Metro league. This statement is not only possible, but probable. Ell Camino, lost its last two games, and Santa Monica, now in second spot, dropped at least one of its remaining games.

Bakersfield, California, showing their powerful ground attack, ran roughshod over a hapless defeated Los Angeles Harbor eleven here Friday night. Spearheading the crushing offensive on the ground were Gene Fitzgerald, Carl Brown, Willy Brown, the Ellis brothers, and practically every other back on the roster. The first score came with just 2 minutes gone in the game when first down, a pass from L.A.'s quarterback Ed Brown, was caught by fullback Terry on the Harbor 40 by Bakersfield. Howie punished for a 10-yard penalty, Will Hill added the extra point and Bakersfield had a 6-0 lead.

Gades were almost eliminated by Har- bor's punt in the second half. On third down, Bakersfield's back had possession at the Harbor 12. The holder botched the punt and Harbor's punt was downed in the Bakersfield end zone for a safety.

Water Squadron Drowned By SM

Defeat, eligible more for the Long Beach City College with a team that can't do anything. It was a very dis- appointing game to everyone as the long trip home Friday night after being beaten by SM.

With a considerable amount of water in the ball, the South Shore RFC (Long Beach RFC) in the game last weekend against the Santa Monica RFC, was called off after half time due to the weather conditions.

The Metropolitan Conference round two and more must end with each passing weekend as top teams collide and some get upset.

Bakersfield's impressive 41-3 triumph over the Los Angeles Harbor Seahawks most definitely shows that the red and white are still very much in the running with a 3-2-3 win-loss record. Homecoming game-top rated Gades take to the road in their next to the last of conference encounters to pit strength with the highly ranked East Los Angeles Chickens tomorrow night.

Ell Camino edged Long Beach to get control of the lead, while Santa Monica upset East LA. to gain the punch-out spot. Santa Monica in the second half gained the lead with three tries, one, two, and one try.

Harriers Clinch Conference Tie

The Bakersfield Harriers clinched the top of Conference No. 3 with a 10-0 victory over Santa Monica Saturday. The Harriers are the first in line for the Metro crown. Likewise, Santa Monica must average at least 10 points against the other Metro teams to have a chance of getting the championship. The Harriers could achieve 3-0 mark, Long Beach and East L.A. could only tie the Gades for the lead, Valley, San Diego, and Harbort would be eliminated.

Byrd E. Johnson, East L.A. mentor, feels secure in his line that his side is balanced almost completely by last year's first-stringers. The Harriers will have to defeat just about exclusively on first year players this season at the halfback and fullback spots since the only returnee is quarterback Charles Brown.

Ellis RAMBLES

Ed Ellis, freshman halfback,outlines the opposition for a long shot at the title of Metropolitan Conference. No. 11 is 211 pound Gade tackle, Chris Carr.

Vets Launch Blood Drive

The public-spiritedness of the Veterans Administration and the University College has proved itself this month as the veterans made donation to the Hemoglobin Blood Bank.

Mrs. Wyman Heads New Placement Bureau

A new personality and a new movement directed Bakersfield College to establish a new vocation bureau. Mrs. Elizabeth Wyman, Sister of President Funderburk, Harold, has been appointed Director of the Bureau.

Vets Give Blood

Jerry Parks donates a pint of blood to the Hemoglobin Blood Bank during the drive for donations by the Veteran's Club. The majority of the donations for this drive will be for the Disabled American Veterans. Looking on are other members of the Veteran's Club.

Knights Become Internationalized

The Renegades Knights have become an international organization, announced Wally Jones, President.

"The international title of the Knights is going to be "Gallos X Chupe", which means "Gallos" for the college and "Chupe" for the campus."

"This new title will reflect the services and activities for the campus and the community, as well as the support to other campuses and to the community."

"We are going to work to promote internationalism and multiculturalism among our students and faculty, as well as to improve our communication with other organizations and individuals."
FLICKERS

Enhanced with skill, grace, and a sparkling cast of characters, High Society, cinema's shining jewel of the month, resulted from a day of fun and laughter as the audience enjoyed its antics at the U of T's fine light musical comedies. Crowds flocked to see the show, including Bing Crosby, Frank Sinatra, and Grace Kelly. The screen was ablaze with comic and romantic situations, providing a delightful moving picture experience.

Hummering, a Farmer at Heart

Hummering, an enduringly beloved character, is back on the big screen. This time, he's not just a farmer at heart! Proof enough of this is the extensive array of trees, plants, and flowers on Mr. Hummering's little farm. Though his gardening activities are somewhat "limited," he's always down to his knees and time. Mr. Hummering does manage to get in a few hours each week. For instance, he grows 50 varieties of nuts, 30 types of ornamental plants, 10 kinds of vegetables, 13 varieties of grapes, and 20 kinds of berries.

Along a more specialized line, Hummering has established a 12-truck farm in full bloom. One of the trucks is entirely dedicated to chrysanthemums, and the other to lilies, each with four kinds of chrysanthemums on a 2,000-acre plot. The farm also grows a variety of vegetables and fruits, including apples, pears, and peaches.

TOMUANA NOVA INSPIRES AUDIENCE

The ability to dance is a gift from God, and we should do our best with it. This was the philosophy of Ms. Tamara Tomuana, who was appointed as the new director of the Tallahassee dance company. Ms. Tomuana's enthusiasm and dedication to the art of dance were evident in her performance, captivating the audience with her virtuosity and elegance.

On the stage, she showed every bit of her personality. When the curtain goes up, we see the transformation of a young lady into a star. The skill and grace she displayed were evident in her conversation with the audience. She said that she had an American dream and that she had been working towards it since a very young age. During her performance, she demonstrated her talent and dedication to the art of dance.

Candice Schwoeb Favors B.C.

"School was never like this." These are the words of Candice Schwoeb, one of the several foreign students attending Bakersfield College. Her words are music to the ears of those who are used to the structured and formal environment of public schools.

Candice's words about school are no exaggeration. She has been one of the few international students who have experienced the American school system. As a French student, she attended school from her childhood in the French countryside to her high school in the United States.

"In France, school was never like this," she said. "It was more like a family, and we had a lot of freedom to explore our interests."

After graduation from Bakersfield College, Candice plans to travel and work for three months, returning to France in the fall. She is looking forward to exploring new cultures and expanding her horizons.

BAND MARCHES FOR TROPHY

The 64-piece Bakersfield College band will participate in the Junior Rose Bowl Parade next Saturday, December 8, in Pasadena, according to Clarence Wigg, bandmaster. The band has participated in the marching competition for junior college bands for the past four years and has chalked up top honors in 1931 and 1932. A win this year will earn the band permanent possession of the Junior Rose Bowl Parade trophy.
Renegades Open Hoop Season Against Carbon College

The Bakersfield College 1956 basketball team will make its debut in the season against Carbon College of Utah on December 4.

The Gaedes have several new faces this year, including Billy Cowan of Madera, leading scorer for the last year's team. He will be joined by Callahan, Jess Washington, Bob Clerico, and George Love.

Coach Gil Bishop states, "These returns will probably make up the starting five."

The Gaedes scored 48 points to 38 for runner-up Mt. San Antonio College. The closest the Gaedes ever came to the title before was last year when they finished second in the Metro League and fifth in the State meet.

In winning the 1956 state title, the Gaedes took five of the first 14 points and four of the first 14 points of the scoring record of 46 set by Mt. SAC last year.

In individual scoring, Larry Ward, undefeated Harrier from Mt. SAC, placed first in record time of 24:21 seconds. Ward, the Gaedes' Miles Eisenman, just three seconds behind Ward.

1st Round Goes To Pheds

The Pheds optimizer the Gaedes to be champs of the first intramural basketball round-robin. The second round will commence Monday, Dec. 10, with the Pheds pitting forces with the Vets. Richard Van, center for the Pheds, ranks first in points scored. With 43 and average points per game of 14.3.

The Kraftsman have two players with Booker Kilgore netting 12.5 for the runner-up spot and Orval Walker getting an average of 7 to place tenth.

Baseballers

All male students interested in playing varsity baseball are requested to report to coach Garrett Arbuckle for notification of an organizational meeting.

Trophies will be given to the champion, runner-up, third place and consolation winners. There will be no individual awards given.

After the tournament games are over Saturday night, there will be special feature game between the University of Santa Clara and UCLA.

All tournament games will be played in the new Bakersfield College gymnasium, located on the Bakersfield College campus.

Harriers Victors; Win State Meet

The Bakersfield College Harriers have become, for the first time, in the school's history, champions of the state of California.

The Renegades scored 48 points to 38 for runner-up Mt. San Antonio College. The closest the Gaedes ever came to the title before was last year when they finished second in the Metro League and fifth in the State meet.

In winning the 1956 state title, the Gaedes took five of the first 14 points and four of the first 14 points of the scoring record of 46 set by Mt. SAC last year.
